

**LEGISLATIVE BUDGET BOARD**  
**Austin, Texas**

**FISCAL NOTE, 80TH LEGISLATIVE REGULAR SESSION**

**April 18, 2007**

**TO:** Honorable Mike Krusee, Chair, House Committee on Transportation

**FROM:** John S. O'Brien, Director, Legislative Budget Board

**IN RE: HB160** by Menendez (Relating to a study on the relocation of freight trains away from residential areas of the state.), **Committee Report 1st House, As Amended**

**No significant fiscal implication to the State is anticipated.**

The bill would require the Texas Department of Transportation (TxDOT) to conduct a study to determine the economic feasibility of relocating freight trains that carry hazardous materials away from residential areas in municipalities with populations of more than 1.2 million and report the results of the study to the Governor and the Legislature no later than March 1, 2008.

Based on the analysis of TxDOT, it is assumed any costs or duties associated with implementing the provisions of the bill could be absorbed within the agency's existing resources.

The bill would take effect immediately upon receiving a vote of two-thirds of all members elected to each house or otherwise on September 1, 2007.

**Local Government Impact**

No fiscal implication to units of local government is anticipated.
