

LEGISLATIVE BUDGET BOARD
Austin, Texas

FISCAL NOTE, 80TH LEGISLATIVE REGULAR SESSION

February 14, 2007

TO: Honorable Aaron Pena, Chair, House Committee on Criminal Jurisprudence

FROM: John S. O'Brien, Director, Legislative Budget Board

IN RE: HB165 by Raymond (Relating to certain requirements imposed on a sex offender who enters the premises of a public park.), **As Introduced**

No significant fiscal implication to the State is anticipated.

The bill would amend Article 62 of the Code of Criminal Procedure, by adding to the list of requirements that must be explained to and which apply to a person who must register as a sex offender prior to release from a penal institution in Texas, that they may not enter onto the premises of a public park without immediately notifying a law enforcement agency with jurisdiction over the park.

The local law enforcement agency would be authorized to provide a chaperone while the person is on the public park premises. Provisions of the bill would require that local law enforcement agencies provide at the time of providing a sex offender registration form to a person to provide a statement and description of the person's registration duties as added by Article 62.064, Code of Criminal Procedure.

Local Government Impact

While the cost would vary by affected law enforcement agency for providing the information to an offender upon their registration, and would depend on the number of registered sex offenders, as well as the number of offenders who would seek to enter onto a park premise, it is anticipated that the costs would not be significant.
