Austin, Texas

FISCAL NOTE, 80TH LEGISLATIVE REGULAR SESSION

February 16, 2007

TO: Honorable David Swinford, Chair, House Committee on State Affairs

FROM: John S. O'Brien, Director, Legislative Budget Board

IN RE: HB306 by Farrar (Relating to an abortion for a victim of incest or sexual assault.), **As Introduced**

No fiscal implication to the State is anticipated.

The bill would allow a person to obtain voluntary and informed consent to an abortion without complying with the requirements for such consent set forth in Health and Safety Code, Chapter 171, Subchapter B if a pregnancy is the result of conduct constituting a felony. The Department of State Health Services estimates no fiscal impact as existing staff will revise licensing rules.

Local Government Impact

No fiscal implication to units of local government is anticipated.
