**February 9, 2007**

**TO:** Honorable Kevin Bailey, Chair, House Committee on Urban Affairs

**FROM:** John S. O'Brien, Director, Legislative Budget Board

**IN RE: HB605** by Howard, Donna (Relating to the creation of a library district.), **As Introduced**

**No fiscal implication to the State is anticipated.**

The bill would amend the Local Government Code by adding to the definition of a municipal public library that the library is accredited for membership in the state library system. The bill would authorize a library district to include contiguous territory within one or more counties, whereas under current statute the territory must be in a single county. In addition, provisions of the bill would create changes in administrative procedures related to creation of the district and related elections.

**Local Government Impact**

No significant fiscal implication to units of local government is anticipated.
