

LEGISLATIVE BUDGET BOARD
Austin, Texas

FISCAL NOTE, 80TH LEGISLATIVE REGULAR SESSION

February 27, 2007

TO: Honorable Anna Mowery, Chair, House Committee on Land & Resource Management

FROM: John S. O'Brien, Director, Legislative Budget Board

IN RE: HB1387 by King, Phil (Relating to requiring a school district to provide for a feasibility study before acquiring title to real property through eminent domain.), **As Introduced**

No fiscal implication to the State is anticipated.

Local Government Impact

To the extent school districts do not currently perform feasibility studies prior to efforts to acquire title to real property by eminent domain, districts would incur additional costs. The amount of these additional costs cannot be determined, and would vary from district to district.
