Austin, Texas

FISCAL NOTE, 80TH LEGISLATIVE REGULAR SESSION

May 14, 2007

TO: Honorable Judith Zaffirini, Chair, Senate Committee on S/C on Higher Education

FROM: John S. O'Brien, Director, Legislative Budget Board

IN RE: HB2128 by Murphy (Relating to sexual abuse and child molestation prevention training for certain public or private institutions of higher education employees and volunteers who work at programs for minors.), **As Engrossed**

No significant fiscal implication to the State is anticipated.

Under provisions of the bill, an institution of higher education or a private or independent institution of higher education may not operate a program for minors unless each employee and volunteer of the institution who will be in contact with a participant of the program who is a minor completes a training and examination program on prevention of sexual abuse and child molestation. The employee or volunteer must complete the training and examination program at least once every two years and may satisfy that requirement by completing a program approved by the Department of State Health Services. An institution that operates a program for minors must submit proof of employee and volunteer compliance to the Higher Education Coordinating Board. Institutions of Higher Education would implement provisions of the bill within existing resources.

Local Government Impact

No fiscal implication to units of local government is anticipated.
