**FISCAL NOTE, 80TH LEGISLATIVE REGULAR SESSION**

**TO:** Honorable Kevin Bailey, Chair, House Committee on Urban Affairs

**FROM:** John S. O'Brien, Director, Legislative Budget Board

**IN RE: HB2152** by Bohac (Relating to the construction or operation of chemical dependency treatment facilities near certain residential and community properties. ),  
**Committee Report 1st House, Substituted**

<b>No fiscal implication to the State is anticipated.</b>
---

The bill would add Subchapter C to Chapter 244, Local Government Code, regarding chemical dependency treatment facilities located in a municipality the majority of the population of which is located in a county with a population of more than three million. Based on the 2000 U.S. Census, only Harris County has a population of more than three million.

**Local Government Impact**

Because the bill would not have statewide impact on units of local government of the same type or class, no comment from this office is required by the rules of the House/Senate as to its probable fiscal implication on units of local government.
