

LEGISLATIVE BUDGET BOARD
Austin, Texas

FISCAL NOTE, 80TH LEGISLATIVE REGULAR SESSION

April 9, 2007

TO: Honorable Dennis Bonnen, Chair, House Committee on Environmental Regulation

FROM: John S. O'Brien, Director, Legislative Budget Board

IN RE: HB2293 by Noriega, Rick (Relating to a requirement that state agencies purchase low-emissions vehicles as a minimum percentage of their vehicles purchased.), **As Introduced**

No significant fiscal implication to the State is anticipated.

The bill would amend the Government Code to require each state agency to ensure that at least 10 percent of the passenger vehicles purchased in any biennium meet or exceed standards to be classified as a Tier II, Bin 3, emissions standard vehicle that has a greenhouse gas score of eight under the Environmental Protection Agency regulations as they exist on September 1, 2007.

Based on the analysis of the Texas Department of Transportation, the Department of Public Safety, the Texas Parks and Wildlife Department, and other state agencies, it is assumed any costs associated with implementing the provisions of the bill could be absorbed within existing resources.

The bill would take effect on September 1, 2007.

Local Government Impact

No fiscal implication to units of local government is anticipated.
