

LEGISLATIVE BUDGET BOARD

Austin, Texas

FISCAL NOTE, 80TH LEGISLATIVE REGULAR SESSION

April 15, 2007

TO: Honorable Dennis Bonnen, Chair, House Committee on Environmental Regulation

FROM: John S. O'Brien, Director, Legislative Budget Board

IN RE: HB2608 by Hughes (Relating to funding for applied research for a clean coal project or certain other projects for the generation of electricity from coal.), **Committee Report 1st House, Substituted**

No significant fiscal implication to the State is anticipated.

The bill amends the Education Code as it relates to the Advanced Technology Program. The bill specifies that the Higher Education Coordinating Board shall use money available for the purpose from legislative appropriations, including gifts, grants, and donations, to support at one or more eligible institutions applied research related to the development, construction, and operation in this state of a clean coal project, as defined by Section 5.001, Water Code or electricity generation using lignite coal deposits in the state or integrated gasification combined cycle technology. It is assumed that the Higher Education Coordinating Board will implement the provisions of the bill with current resources.

Local Government Impact

No fiscal implication to units of local government is anticipated.
