

LEGISLATIVE BUDGET BOARD
Austin, Texas

FISCAL NOTE, 80TH LEGISLATIVE REGULAR SESSION

May 21, 2007

TO: Honorable Tom Craddick, Speaker of the House, House of Representatives

FROM: John S. O'Brien, Director, Legislative Budget Board

IN RE: HB2639 by Smithee (Relating to risk management programs for members and advisors of student organizations at public and private postsecondary educational institutions and to certain insurance requirements for fraternities.), **As Passed 2nd House**

No significant fiscal implication to the State is anticipated.

The bill would require each student organization registered at the institution to have representatives of the organization attend a risk management program provided by the institution at less once a year. Health-related institutions, and institutions that offer only upper-division, graduate level or professional courses would not be required to provide the risk management program. Advisors of student organizations, who have not previously attended a risk management program, would also be required to attend. An institution may allow an advisor to complete a computer-based risk assessment program to satisfy the attendance requirements. The institution may impose reasonable sanctions on a person who does not attend the program. Provisions of the bill would be implemented within existing resources.

Local Government Impact

No fiscal implication to units of local government is anticipated.
