

LEGISLATIVE BUDGET BOARD
Austin, Texas

FISCAL NOTE, 80TH LEGISLATIVE REGULAR SESSION

April 3, 2007

TO: Honorable Dianne White Delisi, Chair, House Committee on Public Health

FROM: John S. O'Brien, Director, Legislative Budget Board

IN RE: HB3078 by Delisi (Relating to the distribution and redistribution of certain drugs.), **As Introduced**

No significant fiscal implication to the State is anticipated.

The bill would amend the Occupations Code to add a pharmacist who practices in or serves as a consultant to a penal institution as a pharmacist who may return to a pharmacy certain unused drugs. The bill would amend the definition of a charitable medical clinic to include a patient assistance program or charitable pharmacy and exempt a charitable donor from the requirement which requires a wholesale distributor of prescription drugs license.

Based on information provided from the Board of Pharmacy, the Department of Criminal Justice, and the Department of State Health Services, it is assumed that any additional costs related to the duties and responsibilities associated with implementing the provisions of the bill could be covered by utilizing existing resources.

The bill would take effect immediately if it receives a vote of two-thirds of all members elected to each house, otherwise the bill would take effect September 1, 2007.

Local Government Impact

No fiscal implication to units of local government is anticipated.
