

LEGISLATIVE BUDGET BOARD
Austin, Texas

FISCAL NOTE, 80TH LEGISLATIVE REGULAR SESSION

March 20, 2007

TO: Honorable Fred Hill, Chair, House Committee on Local Government Ways & Means

FROM: John S. O'Brien, Director, Legislative Budget Board

IN RE: HB3195 by Hill (Relating to the requirements of a municipal or county budget that raises more property taxes than in the previous year's budget.), **As Introduced**

No fiscal implication to the State is anticipated.

The bill would amend the Local Government Code to require a municipality or a county to post public notice and to include as a cover page notice when a proposed budget will require raising more revenue from property taxes than in the previous year. Adoption of a budget that would require raising more revenue from property taxes than in the previous year would require a separate vote of the governing body to ratify the property tax increase reflected in the budget.

The provisions of the bill would apply only to a budget adopted on or after the effective date of the bill, which would be September 1, 2007.

Local Government Impact

No significant fiscal implication to units of local government is anticipated.
