TO: Honorable Fred Hill, Chair, House Committee on Local Government Ways & Means

FROM: John S. O'Brien, Director, Legislative Budget Board

IN RE: HB3514 by Rodriguez (Relating to the disclosure by the Texas Department of Public Safety to appraisal districts of driver's license records and personal identification certificate records, or certain information in those records, for use in determining an individual's eligibility for a residence homestead exemption from ad valorem taxation.), **Committee Report 1st House, Substituted**

No significant fiscal implication to the State is anticipated.

The bill would require the Department of Public Safety to furnish information regarding the name, age, and residence address of persons for use by the appraisal district in determining eligibility for the over 65 homestead exemption.

The Department has indicated that the provision of this information to appraisal districts would have a minimal effect upon the operations of the Department.
