

LEGISLATIVE BUDGET BOARD
Austin, Texas

FISCAL NOTE, 80TH LEGISLATIVE REGULAR SESSION

May 15, 2007

TO: Honorable Judith Zaffirini, Chair, Senate Committee on S/C on Higher Education

FROM: John S. O'Brien, Director, Legislative Budget Board

IN RE: HB3851 by Morrison (Relating to the admission of high school graduates and undergraduate transfer students to certain institutions of higher education, the computation of a student's high school grade point average for purposes of determining eligibility for admission, and policies to promote the admission of undergraduate transfer students.), **As Engrossed**

No significant fiscal implication to the State is anticipated.

The bill relates to the admission of high school and community college transfer students to institutions of higher education. Under current law, July 31 each institution must provide to the Texas Higher Education Coordinating Board a report describing the composition of the institution's entering class of students. The bill adds a requirement that the report must also include high school grade point average.

Under provisions of the bill, each institution shall adopt a written admission policy to promote the admission of undergraduate transfer students to the institution. The policy must provide for outreach and recruiting efforts directed at junior colleges and other lower-division institutions of higher education and may include incentives to encourage transfer applications and to retain and promote transfer students. Provisions of the bill will be implemented within existing resources.

Local Government Impact

No fiscal implication to units of local government is anticipated.
