FISCAL NOTE, 80TH LEGISLATIVE REGULAR SESSION

February 5, 2007

FROM: John S. O'Brien, Director, Legislative Budget Board

IN RE: SB138 by Nelson (Relating to promoting the retention and graduation of students enrolled in professional nursing programs.), **As Introduced**

No significant fiscal implication to the State is anticipated.

The bill would require the Higher Education Coordinating Board to develop methods to promote the retention and graduation of students enrolled in a professional nursing program and establish a program to recognize a professional nursing program that achieves a graduation rate of 85 percent or more. It is assumed that the Higher Education Coordinating Board and higher education institutions with nursing programs would be able to implement provisions of the bill within existing resources.

Local Government Impact

No significant fiscal implication to units of local government is anticipated.
