FISCAL NOTE, 80TH LEGISLATIVE REGULAR SESSION

February 20, 2007

TO: Honorable Royce West, Chair, Senate Committee on Intergovernmental Relations

FROM: John S. O'Brien, Director, Legislative Budget Board

IN RE: SB241 by Fraser (Relating to the creation of a library district.), **As Introduced**

No fiscal implication to the State is anticipated.

The bill would amend the Local Government Code by adding to the definition of a municipal public library that the library is accredited for membership in the state library system. The bill would authorize a library district to include contiguous territory within one or more counties, whereas under current statute the territory must be in a single county. In addition, provisions of the bill would create changes in administrative procedures related to creation of the district and related elections.

Local Government Impact

No significant fiscal implication to units of local government is anticipated.
