FISCAL NOTE, 80TH LEGISLATIVE REGULAR SESSION

April 26, 2007

TO: Honorable Bill Callegari, Chair, House Committee on Government Reform

FROM: John S. O'Brien, Director, Legislative Budget Board

IN RE: SB924 by Brimer (Relating to rules and policies adopted by state agencies regarding engineering or architectural errors or omissions.), **As Engrossed**

No significant fiscal implication to the State is anticipated.

The bill would require that state agencies adopt rules or policies relating to the recovery of costs arising from an engineering or architectural error or omission by a private design professional.

The bill would require state agencies to provide a process for filing an appeal of an agency claim for costs in a district court or before the State Office of Administrative Hearings.

It is assumed that any costs associated with implementing the provisions of the bill could be absorbed with existing resources.
