**March 23, 2007**

**TO:** Honorable Judith Zaffirini, Chair, Senate Committee on S/C on Higher Education

**FROM:** John S. O'Brien, Director, Legislative Budget Board

**IN RE: SB1231** by Zaffirini (Relating to refunding tuition and mandatory fees at institutions of higher education for dropped courses and student withdrawals.), **As Introduced**

<b>No significant fiscal implication to the State is anticipated.</b>
---

The bill would amend Section 54.006 of the Education Code as it relates to refunding tuition and mandatory fees at institutions of higher education for dropped courses and student withdrawals. The bill establishes parameters for a summer session refund schedule based on the duration of the summer term. If the term is 12 weeks or longer, the refund policy will be the same as Fall and Spring semesters. Shorter term summer sessions have a proportional adjustment to the refund period. Higher education institutions would implement provisions of the bill within existing resources.

**Local Government Impact**

No fiscal implication to units of local government is anticipated.
