**TO:** Honorable Rob Eissler, Chair, House Committee on Public Education

**IN RE: SB1912** by Shapleigh (relating to certification of educators from outside the state. ),  
**Committee Report 2nd House, Substituted**

**No significant fiscal implication to the State is anticipated.**

The bill would authorize the State Board for Educator Certification (SBEC) to issue a temporary certificate to an educator from outside the state who meets degree and credential requirements for a Texas certificate but has not completed the examination requirements for a Texas certificate. The bill would require a temporary certificate to be valid for one year from the date that SBEC informs the educator of the examination(s) needed to receive a standard certificate if the educator is employed by a school district that has constructed or expanded an instructional facility due to increased enrollment resulting from federal military base closure and realignment actions.

**Local Government Impact**

No fiscal implication to units of local government is anticipated.
