April 11, 2007

TO: Honorable Kip Averitt, Chair, Senate Committee on Natural Resources

IN RE: SB1932 by Uresti (Relating to the assessment of charges by certain local governments to fund a stormwater permitting program under federal law.), **As Introduced**

No fiscal implication to the State is anticipated.

The bill would amend Section 423.002, Local Government Code, to authorize a county, district, or authority when taking action to comply with the requirements of the stormwater permitting program under the national pollutant discharge elimination system to assess a reasonable charge to fund the stormwater permitting program. Notwithstanding that charge, a county, district, or authority would not be allowed to assess a charge against property that is exempt from ad valorem taxation or subject to an assessment for the same purpose by another entity. The bill would take effect September 1, 2007.
