H.B. No. 1379

A BILL TO BE ENTITLED

AN ACT

relating to human papillomavirus education programs.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

SECTION 1. Subchapter A, Chapter 161, Health and Safety Code, is amended by adding Section 161.0107 to read as follows:

Sec. 161.0107. HUMAN PAPILOMAVIRUS; VACCINES EDUCATION MATERIALS. The department, using existing resources, shall produce and distribute informational materials regarding vaccines against human papillomavirus that are approved by the United States Food and Drug Administration for human use. The materials must include information relating to the effectiveness, availability, and contraindications of the vaccines. The materials must be available in English and in Spanish.

SECTION 2. Chapter 163, Health and Safety Code, is amended by adding Section 163.003 to read as follows:

Sec. 163.003. ADDITIONAL INSTRUCTIONAL ELEMENTS REGARDING HUMAN PAPILOMAVIRUS. Course materials and instruction relating to sexually transmitted diseases must be available in English and in Spanish and should include:

(1) the following specific information on human papillomavirus:

(A) that sexual intercourse is not required to become infected with human papillomavirus and that the avoidance of skin-to-skin contact involving the genital areas offers the best

1 protection;

2 (B) that both males and females may be infected
3 with human papillomavirus and symptoms may not be present;

4 (C) that younger women are at greater risk of
5 human papillomavirus infection than older women; and

6 (D) that human papillomavirus may be transmitted
7 to an infant during childbirth;

8 (2) information regarding the role of human
9 papillomavirus in the development of genital warts, cervical
10 cancer, and other diseases; and

11 (3) information regarding the continuing need for
12 women to undergo Pap smear testing, even if they have received a
13 vaccination against human papillomavirus.

14 SECTION 3. This Act takes effect September 1, 2007.

ADOPTED

APR 26 2007

Leta Sawyer
Secretary of the Senate

By: Nelson

C.S. H.B. No. 1379

A BILL TO BE ENTITLED

AN ACT

relating to human papillomavirus education programs.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

SECTION 1. Subchapter A, Chapter 161, Health and Safety Code, is amended by adding Section 161.0107 to read as follows:

Sec. 161.0107. HUMAN PAPILOMAVIRUS; VACCINES EDUCATION MATERIALS. (a) The department, using existing resources, shall produce and distribute informational materials regarding vaccines against human papillomavirus that are approved by the United States Food and Drug Administration for human use. The materials must include information relating to the effectiveness, availability, and contraindications of the vaccines. The materials must be available in English and in Spanish.

(b) The department shall collaborate with the Texas Cancer Council or its successor entity to develop educational programs for parents regarding human papillomavirus and promoting awareness of a minor's need for preventive services for cervical cancer and its precursors.

(c) The department shall develop and maintain an Internet website that targets the public and health care professionals and provides accurate, comprehensive information on all aspects of cervical cancer prevention, including vaccination against human papillomavirus.

SECTION 2. Chapter 163, Health and Safety Code, is amended

1 by adding Section 163.003 to read as follows:

2 Sec. 163.003. ADDITIONAL INSTRUCTIONAL ELEMENTS REGARDING
3 HUMAN PAPILLOMAVIRUS. Course materials and instruction relating to
4 sexually transmitted diseases must be available in English and in
5 Spanish and should include:

6 (1) the following specific information on human
7 papillomavirus:

8 (A) that sexual intercourse is not required to
9 become infected with human papillomavirus and that the avoidance of
10 skin-to-skin contact involving the genital areas offers the best
11 protection;

12 (B) that both males and females may be infected
13 with human papillomavirus and symptoms may not be present;

14 (C) that younger women are at greater risk of
15 human papillomavirus infection than older women; and

16 (D) that human papillomavirus may be transmitted
17 to an infant during childbirth;

18 (2) information regarding the role of human
19 papillomavirus in the development of genital warts, cervical
20 cancer, and other diseases; and

21 (3) information regarding the continuing need for
22 women to undergo Pap smear testing, even if they have received a
23 vaccination against human papillomavirus.

24 SECTION 3. This Act takes effect September 1, 2007.

LEGISLATIVE BUDGET BOARD

Austin, Texas

FISCAL NOTE, 80TH LEGISLATIVE REGULAR SESSION

April 15, 2007

TO: Honorable Jane Nelson, Chair, Senate Committee on Health & Human Services

FROM: John S. O'Brien, Director, Legislative Budget Board

IN RE: HB1379 by Deshotel (Relating to human papillomavirus education programs.), **Committee Report 2nd House, Substituted**

No significant fiscal implication to the State is anticipated.

The bill requires the Department of State Health Services (DSHS) to produce and distribute informational materials in English and Spanish regarding human papillomavirus (HPV) vaccinations, collaborate with the Texas Cancer Council to develop educational programs for parents regarding HPV and promoting awareness of a minor's need for preventive services for cervical cancer and its precursors, develop and maintain an informational website related to cervical cancer prevention (including HPV vaccination), and include additional information regarding HPV in course materials developed by DSHS related to sexually transmitted diseases in the model public health education program for school-aged children. According to DSHS, they are able to conduct the activities using existing resources.

Local Government Impact

No significant fiscal implication to units of local government is anticipated.

LEGISLATIVE BUDGET BOARD

Austin, Texas

FISCAL NOTE, 80TH LEGISLATIVE REGULAR SESSION

April 3, 2007

TO: Honorable Jane Nelson, Chair, Senate Committee on Health & Human Services

FROM: John S. O'Brien, Director, Legislative Budget Board

IN RE: HB1379 by Deshotel (Relating to human papillomavirus education programs.), **As Engrossed**

No significant fiscal implication to the State is anticipated.

The bill would require the Department of State Health Services (DSHS), using existing resources, to produce and distribute informational materials in English and in Spanish regarding human papillomavirus (HPV) vaccinations.

The bill would also require the inclusion of additional information regarding HPV in course materials related to sexually transmitted diseases in the model public health education program for school-aged children developed by DSHS.

Local Government Impact

No fiscal implication to units of local government is anticipated.
