

Amend CSHB 3, by inserting between page 53, line 27, and page 54, line 1, the following:

(g) Notwithstanding any other provision of this chapter, the commissioner may not consider performance on a student achievement indicator under Section 39.053(c) for purposes of determining the accreditation status of a district or the performance rating of a district, campus, or open-enrollment charter school until the data for that indicator has been available to all districts, campuses, and open-enrollment charter schools for at least two consecutive school years.
