SECTION _____. Subchapter Z, Chapter 51, Education Code, is amended by adding Section 51.9112 to read as follows:

Sec. 51.9112. RESERVE OFFICERS' TRAINING CORPS (ROTC) PROGRAM: FEES AND COURSE CREDIT. (a) The Texas Higher Education Coordinating Board, in consultation with institutions of higher education, shall determine a standard fee for a course offered through a Reserve Officers' Training Corps (ROTC) program that takes into account the average statewide cost per student to an institution of higher education in providing the program, not including any reimbursement or other amounts the institution receives from the applicable military service or other source for offering the course. Except as provided by Subsection (b), the governing board of each institution of higher education may not charge a student enrolled in an ROTC course any amount for the course in excess of the fee as determined by the coordinating board under this subsection.

(b) If the governing board of an institution of higher education offers course credit towards a student's degree for a course in which the student enrolls for the purposes of an ROTC program, the governing board may charge the student tuition for that course as otherwise provided by Chapter 54 after subtracting any reimbursement or other amount the institution receives from the applicable military service or other source for offering the course.

(c) To the extent it will not adversely affect the accreditation status of an institution of higher education with the appropriate accrediting agency, the governing board of the institution shall count courses in which a student enrolls for the purposes of an ROTC program, including courses for which the student does not receive course credit towards the student's degree, in determining whether the student is enrolled as a full-time student.
