

Amend HB 281 as follows:

(1) On page 3, lines 1-3, strike ", and the results of those surveys must be included in the annual report required under Section 38.064" and substitute "[~~, and the results of those surveys must be included in the annual report required under Section 38.064~~]".

(2) Add the following appropriately numbered SECTION and renumber subsequent SECTIONS of the bill accordingly:

SECTION \_\_\_\_\_. Section 38.064, Education Code, is amended to read as follows:

Sec. 38.064. REPORT TO LEGISLATURE. (a) Based on statistics obtained from every school-based health center in this state that receives funding through the Department of State Health Services, the Department of State Health Services [~~commissioner of public health~~] shall issue a biennial [~~an annual~~] report to the legislature about the [~~relative efficacy of~~] services delivered by the [~~school-based health~~] centers during the preceding two years [~~and any increased academic success of students at campuses served by those centers, with special emphasis on any:~~

~~[(1) increased attendance,~~

~~[(2) decreased drop-out rates,~~

~~[(3) improved student health; and~~

~~[(4) improved performance on student assessment instruments administered under Subchapter B, Chapter 39].~~

(b) The report must address the extent to which the services provided by the centers are considered by the Department of State Health Services to have resulted in:

(1) improved school attendance by students with chronic illnesses;

(2) increased student immunization rates; and

(3) increased student participation in preventive health measures, including routine physical examinations and checkups conducted in accordance with the Texas Health Steps program [~~In obtaining statistics for preparation of the report required by this section, the commissioner of public health shall ensure that data is collected for each county and aggregated appropriately according to geographical region].~~

(c) The Department of State Health Services may modify any requirement imposed by this section if necessary to comply with federal law regarding confidentiality of medical information.
