

Amend HB 1819, on page 3, line 7, after the period, by inserting the following:

The program shall include inspections under the direction of:

(1) the municipality's building official, as defined by the International Building Code or by a local amendment to the code under Section 214.216;

(2) the chief executive of the municipality's fire department; and

(3) the municipality's health authority, as defined by Section 121.021, Health and Safety Code.
