

Amend **HB 2259** in SECTION 1 of the bill, in amended Section 89.002(a), Natural Resources Code (engrossed version page 2, lines 13-18), by striking Subdivision (13) of the subsection and substituting the following:

(13) "Physically terminated electric service to the well's production site" means that electric service to an inactive well site has been disconnected at a point on the electric service lines most distant from the production site toward the main supply line in a manner that will not interfere with electrical supply to adjacent operations, including cathodic protection units.
