(s) In addition to the allotment provided under Subsection (a), a school district is entitled to an annual allotment equal to \$650:

(1) for each student in average daily attendance who has a parent or guardian who is serving on active duty in a combat zone as a member of the armed forces of the United States; and

(2) for each student in average daily attendance who:

(A) has a parent or guardian serving on active duty as a member of the armed forces of the United States; and

(B) has transferred to a campus in the district during the school year as a result of a change in residence because of an action taken under the Defense Base Closure and Realignment Act of 1990 (10 U.S.C. Section 2687).

(s-1) Notwithstanding any other provision of this section, a school district may use funds allotted to the district under Subsection (s) only to provide supplemental programs and services described by Subsection (c) or Subsection (f) for students described by Subsection (s) who are enrolled in the district.

(s-2) The amount appropriated for allotments under Subsection (s) may not exceed \$9.9 million in a school year. If the total amount of allotments to which districts are entitled under Subsection (s) for a school year exceeds the amount appropriated for allotments under that subsection, the commissioner shall reduce each district's allotment under that subsection proportionately.

(s-3) Notwithstanding any other provision of this chapter, payments for allotments under Subsection (s) are made as adjustments under Section 42.253(i). If the commissioner determines that the amount appropriated for purposes of the Foundation School Program exceeds the amount to which school districts are entitled under this chapter, the commissioner shall fund the adjustment for the allotments under Subsection (s) from

the excess funds.

(s-4) If the commissioner determines that the amount by which the funds appropriated for purposes of the Foundation School Program exceeds the amount to which school districts are entitled under this chapter is not sufficient to provide for the allotments under Subsection (s) as limited by Subsection (s-1), the commissioner shall reduce the number by which the statewide average taxable value of property per weighted student is multiplied for purposes of Section 42.101(b) by the amount necessary to provide the remaining funds. The commissioner shall include amount of the reduction in the adjustments under Section 42.253(i) in the next school year.

(s-5) Subsections (s), (s-1), (s-2), (s-3), (s-4), and this subsection expire September 1, 2013.
