

Amend **HB 4102** on third reading in SECTION 2 of the bill by striking added Section 418.073(g), Government Code, as added by the Eiland second reading amendment (page 2, lines 9-15, second reading engrossment) and substituting the following:

(g) Money in the disaster contingency fund may be used to pay for a disaster risk financing instrument using a parametric index based on affected population to leverage available funds and receive proceeds greater than appropriated amounts to pay for extraordinary expenses.
