

Amend the amendment on page 294 of the pre-filed amendment package to read as follows:

Amend **CSSB 1**, on page IX-53 by striking Article IX, Sec. 13.05 and substituting the following text:

Sec. 13.05. Funding for Acts Adopted by the Legislature.

(a) It is the intent of the Legislature that agencies and institutions use funds appropriated by this Act for purposes and programs as provided by this Act.

(b) It is the intent of the Legislature that agencies and institutions use funds appropriated by this Act for purposes and programs as provided by specific contingency appropriation riders under this Act.

(c) It is the intent of the Legislature that agencies and institutions implement legislation adopted by the Eighty-first Legislature only to the extent that funds are available to the agency or institution for that use. Nevertheless, except for the funding of grants, this subsection does not permit an agency or institution to fail to implement specific acts or legislation adopted by the Eighty-first Legislature for which there is not a specific appropriation when funding has been provided by this Act to the agency or institution for general purposes inclusive of the specific acts or legislation.
