

Amend **CSSB 1**, under Article IX, Department of Public Safety by adding the following appropriately numbered rider:

\_\_\_\_. State Disaster Resource Support & Staging Sites. Out of the funds appropriated above in Goal D. Emergency Management, The Emergency Management Division is authorized to spend no more than \$3,687,250 during the biennium on the creation and operation of no more than two State Disaster Resource Support and Staging Sites. These sites must be located in places that served as temporary Disaster Resource Support and Staging Sites during the 2008 hurricane season. Funds used under this provision may be expended for capitol budget purposes notwithstanding limitations on capital budget expenditures elsewhere in this Act.
