

Amend **CSSB 1** in Article XI by adding the appropriately numbered rider and renumbering accordingly.

Rider _____. Out of the funds appropriated in this Act, not less \$5 million shall be appropriated to the City of Uvalde for the purpose of implementing a Safe Way to School Program. These funds shall be used for the improvement of sidewalks along major roadways, a trail system connecting schools, and the overall improvement of routes for students walking to and from schools located in the community.
