

Amend **CSSB 361** at the end of Section 2 of the bill by adding the following:

(e) An affected utility may file with the Texas Commission on Environmental Quality a written request for an extension, not to exceed 90 days, of the date by which the affected utility is required under Subsection (c) of this section to submit the affected utility's emergency preparedness plan or of the date by which the affected utility is required under Subsection (d) of this section to implement the affected utility's emergency preparedness plan. The Texas Commission on Environmental Quality shall approve the requested extension for good cause shown.
