

Amend **SB 1266** (engrossed version) by striking Section 2 and substituting the following:

SECTION 2. Section 391.252, Transportation Code, is amended by adding Subsections (d), (e), (f), and (g) to read as follows:

(d) Notwithstanding any other law, before the portion of an Act of the legislature that amends Subsection (a) to add one or more segments of public road can become effective, the department shall send a written notice, by certified mail, to each landowner who owns real property, according to the most recent certified county tax appraisal roll, along the added segment of public road. Upon receiving a request from the department, the county clerk of a county in which an added segment of public road is located shall send the department a list containing the names and mailing addresses of each landowner who owns real property, according to the most recent certified tax appraisal roll, along the added segment of public road. The notice mailed to each landowner pursuant to this subsection shall identify the added segment of public road and state that the landowner's future right to lease the landowner's property for the purpose of erecting an off-premise sign will be terminated unless the landowner notifies the department that the landowner plans to exclude the landowner's property from the application of the portion of the Act that amends Subsection (a) to add the segment of public road along which the landowner's property is located. The notice must be sent to landowners by the department in accordance with this subsection within 90 days of the date an Act subject to this subsection is signed by the governor, filed with the secretary of state without the governor's signature, or approved by the legislature notwithstanding the objections of the governor.

(e) The department shall document the date that the notice required by Subsection (d) was mailed to landowners and shall maintain a copy of the notice and a list of the landowners to whom the notice was mailed. The records required to be maintained by this subsection are public information for the purposes of Chapter 552, Government Code.

(f) By notifying the department in writing, by certified mail, a landowner to whom a notice is mailed by the department as

provided by Subsection (d) may exclude the landowner's property from the application of the portion of the Act that amends Subsection (a) to add the segment of public road along which the landowner's property is located. In order for the landowner's property to be excluded from the application of that portion of the Act, the landowner's notice must be received by the department within one year of the date the department mailed all required notices to landowners pursuant to Subsection (d). The landowner's exclusion becomes effective on the date the landowner's notice is received by the department.

(g) Notwithstanding any other law, the portion of an Act of the legislature that is subject to Subsection (d) takes effect on the 91st day after the day that all notices required by Subsection (d) have been mailed to landowners.

SECTION 3. EFFECTIVE DATE. (a) Except as otherwise provided by this section, this Act takes effect on September 1, 2009.

(b) Section 1 of this Act takes effect on the 91st day after the day that all notices required by Section 391.252(d), Transportation Code, as added by this Act, have been mailed to landowners.
