

Amend **SB 1843** (Senate committee printing) in SECTION 1 of the bill by striking added Section 1952.059, Insurance Code (page 1, lines 13 through 25), and substituting the following:

Sec. 1952.059. REQUIRED PROVISION: COVERAGE FOR UNNAMED DRIVERS. (a) In addition to applying to the insurers subject to this chapter under Section 1952.001, this section applies to a county mutual insurance company.

(b) Except as provided by Subsections (c), (d), and (e), an insurer may not deliver or issue for delivery in this state a personal automobile liability insurance policy, including a policy provided through the Texas Automobile Insurance Plan Association under Chapter 2151, that covers liability arising out of the ownership, maintenance, or use of any motor vehicle unless the policy covers all family members of the named insured residing in the named insured's household and any other residents of the named insured's household.

(c) Subsection (b) does not apply if an insurer obtains the named insured's rejection of the coverage otherwise required under that subsection, in writing, for all family members of the named insured residing in the named insured's household and any other residents of the named insured's household as provided by this subsection. The rejection document must specifically identify each person who resides in the named insured's household who is not covered under the policy and include the named insured's acknowledgement that the policy does not cover the persons identified in the rejection document. The rejection document must also include a notice that any other resident of the named insured's household, regardless of whether the resident is a member of the named insured's family, who is not specifically identified in the rejection document is not covered under the policy. Unless the named insured subsequently requests in writing the coverage rejected under this subsection, the insurer is not required to provide that coverage in a renewal or reinstated insurance policy if the named insured rejected the coverage in writing in connection with an insurance policy issued to the insured by the same insurer or by an affiliated insurer.

(d) A policy issued under Subsection (c) must contain a

notice with each renewal of the policy, or delivery of evidence of renewal, in at least 14-point type, that specifically identifies the family members residing in the named insured's household and other residents of the named insured's household who are not covered under the policy and a statement that any other resident of the named insured's household, regardless of whether the resident is a member of the named insured's family, who is not specifically identified in the notice is not covered under the policy.

(e) This section does not prohibit an insurer from excluding from coverage under the policy only the family members residing in the named insured's household or other residents of the named insured's household who are specifically named as being excluded. An exclusion under this subsection must be in writing and must:

- (1) include the name of the person excluded from coverage;
- (2) be signed by the named insured; and
- (3) be attached to the policy.
