

Amend **SB 2306** by adding a new SECTION 2, to read:

Section 13.145(a), Water Code, is amended to read as follows:

(a) A utility may consolidate more than one system under a single tariff only if:

(1) the regulatory authority finds that at the time the utility applies for a uniform tariff, all of the systems under the tariff are substantially similar in terms of facilities, quality of service, and cost of service; and

(2) the tariff provides for rates that promote water conservation for single-family residences and landscape irrigation.

Add SECTION 3 to the bill to read:

SECTION 3. The changes in law made by this Act apply only to applications for a uniform tariff filed on or after the effective date of this Act. An application filed before the effective date of this Act is governed by the law in effect on the date the application is filed, and that law is continued in effect for this purpose.

Renumber SECTION 2 of **SB 2306** to SECTION 4.
