

Amend CSSB 2350 (Senate committee report) on third reading in SECTION 1 of the bill, in added Section 67.001, Civil Practice and Remedies Code (page 1, lines 22-25), by striking Subdivisions (1) and (2) and substituting the following:

(1) it is impossible or impracticable to identify injured parties;

(2) it is impossible or impracticable to determine the degree to which each claimant was injured and entitled to recover;
or

(3) the cost of administering a claim procedure is prohibitive due to a low probability of recovery for each claimant.
