

Amend SB 2442 as follows:

(1) Insert the following appropriately-numbered SECTION and renumber any subsequent SECTIONS accordingly:

SECTION \_\_\_\_\_. Section 11.11, Tax Code, is amended by adding Subsection (k) to read as follows:

(k) For purposes of this section, any portion of a facility located on public property by a person, including a charitable organization, under a contract or other agreement with a governmental entity to capture and convert waste, including gas, from public property is public property if the person, for benefit to the governmental entity, processes and delivers the waste to a common carrier to displace a natural resource, reduces pollution, or processes and converts the waste to electrical or other useful energy.
