### **AUTHOR'S / SPONSOR'S STATEMENT OF INTENT**

H.B. 1139 removes the sunset date provision in Section 352.002(f) of the Tax Code and provides that Brazos County is authorized to continue to levy the two percent hotel occupancy tax, with 20 percent of the amount collected to be used for marketing, until the commissioners court certifies that all debt payable from the tax has been paid in full. The bill authorizes the tax, after the certification, to be collected at a rate of 0.4 percent and requires the full amount collected to be used for marketing purposes.

H.B. 1139 relates to the authority of certain counties to impose a hotel occupancy tax and to the use of the tax.
