AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

Currently, all funds deposited with the Dallas County District Clerk's registry are held in a non-interest bearing accounts unless the court has ordered otherwise. More than \$19 million in funds do not have attached orders for investment. As a consequence, the recipients of those funds, which may be held for more than five years, are not being paid in current dollars.

S.B. 490 amends current law relating to money paid into the registry of a court in certain counties.
