### **AUTHOR'S / SPONSOR'S STATEMENT OF INTENT**

Currently, the only avenues through which Texas wineries can provide wine to consumers in a festival format is when a civic or local festival host organizer applies for and is granted a temporary beer and wine retailers permit. Under this system, the festival then must purchase the wine wholesale, provide the sales operations, and take on the liability of selling alcohol.

S.B. 711 creates a winery festival permit and authorizes the holder of a winery festival permit to sell wine at a civic or wine festival, farmers' market, celebration, or similar event under certain conditions. S.B. 711 prohibits the holder of a winery festival permit from offering a wine for sale for more than five days in a 30-day period or on more than three consecutive days in one location.

### **RULEMAKING AUTHORITY**

Rulemaking authority previously granted to the Texas Alcoholic Beverage Commission is modified in SECTION 1 (Section 17.03, Alcoholic Beverage Code) of this bill.

### **SECTION BY SECTION ANALYSIS**
