AUTHOR'S / SPONSOR'S STATEMENT OF INTENT

The Vietnam War was the longest military conflict in United States history. More than 3,000,000 Americans served in Southeast Asia during the Vietnam War and more than 58,000 Americans lost their lives defending the nation's freedom during the Vietnam conflict. An additional 304,000 Americans were wounded during the war. On March 29, 1973, the last remaining members of the United States armed forces withdrew from Vietnam.

Currently, Texas does not have a day of recognition specifically for Vietnam veterans.
