10 SUBCHAPTER B. COVERAGE FOR ROUTINE PATIENT CARE COSTS

11 Sec. 1379.051. ROUTINE PATIENT CARE COSTS. For purposes of  
12 this chapter, routine patient care costs means the costs of any  
13 medically necessary health care service for which benefits are  
14 provided under a health benefit plan, without regard to whether the  
15 enrollee is participating in a clinical trial. Routine patient  
16 care costs do not include:

17 (1) the cost of an investigational new drug or device  
18 that is not approved for any indication by the United States Food  
19 and Drug Administration, including a drug or device that is the  
20 subject of the clinical trial;

21 (2) the cost of a service that is not a health care  
22 service, regardless of whether the service is required in  
23 connection with participation in a clinical trial;

24 (3) the cost of a service that is clearly inconsistent  
25 with widely accepted and established standards of care for a  
26 particular diagnosis;

27 (4) a cost associated with managing a clinical trial;

1 or

2 (5) the cost of a health care service that is  
3 specifically excluded from coverage under a health benefit plan.

4 Sec. 1379.052. COVERAGE REQUIRED. A health benefit plan  
5 issuer shall provide benefits for routine patient care costs to an  
6 enrollee in connection with a phase I, phase II, phase III, or phase  
7 IV clinical trial if the clinical trial is conducted in relation to  
8 the prevention, detection, or treatment of a life-threatening  
9 disease or condition and is approved by:

10 (1) the Centers for Disease Control and Prevention of  
11 the United States Department of Health and Human Services;

12 (2) the National Institutes of Health;

13 (3) the United States Food and Drug Administration;

14 (4) the United States Department of Defense;

15 (5) the United States Department of Veterans Affairs;

16 or

17 (6) an institutional review board of an institution in  
18 this state that has an agreement with the Office for Human Research  
19 Protections of the United States Department of Health and Human  
20 Services.

21 Sec. 1379.053. RESEARCH INSTITUTION. (a) A health benefit  
22 plan issuer is not required to reimburse the research institution  
23 conducting the clinical trial for the cost of routine patient care  
24 provided through the research institution unless the research  
25 institution, and each health care professional providing routine  
26 patient care through the research institution, agrees to accept  
27 reimbursement under the health benefit plan, at the rates that are

1 established under the plan, as payment in full for the routine  
2 patient care provided in connection with the clinical trial.

3 (b) A health benefit plan issuer is not required to provide  
4 benefits under this section for services that are a part of the  
5 subject matter of the clinical trial and that are customarily paid  
6 for by the research institution conducting the clinical trial.

7 Sec. 1379.054. LIMITATIONS ON COVERAGE.

8 (a) Notwithstanding Section 1379.053, this chapter does not  
9 require a health benefit plan issuer to provide benefits for  
10 routine patient care services provided outside of the plan's health  
11 care provider network unless out-of-network benefits are otherwise  
12 provided under the plan.

13 (b) This chapter does not require a health benefit plan  
14 issuer to provide benefits for health care services provided  
15 outside this state unless the health benefit plan otherwise  
16 provides benefits for health care services provided outside this  
17 state.

18 Sec. 1379.055. DEDUCTIBLE, COINSURANCE, AND COPAYMENT  
19 REQUIREMENTS. The benefits required under this chapter may be made  
20 subject to a deductible, coinsurance, or copayment requirement  
21 comparable to other deductible, coinsurance, or copayment  
22 requirements applicable under the health benefit plan.

23 Sec. 1379.056. CANCELLATION OR NONRENEWAL PROHIBITED. The  
24 issuer of a health benefit plan may not cancel or refuse to renew  
25 coverage under a plan solely because an enrollee in the plan  
26 participates in a clinical trial described by Section 1379.052.

27 SECTION 2. Section 1506.151, Insurance Code, is amended by

1 adding Subsection (d) to read as follows:

2 (d) Coverage provided by the pool is subject to Chapter  
3 1379.

4 SECTION 3. This Act applies only to a health benefit plan  
5 that is delivered, issued for delivery, or renewed on or after  
6 January 1, 2010. A health benefit plan that is delivered, issued  
7 for delivery, or renewed before January 1, 2010, is governed by the  
8 law as it existed immediately before the effective date of this Act,  
9 and that law is continued in effect for that purpose.

10 SECTION 4. This Act takes effect September 1, 2009.
