(A) a person designated as a caregiver by an elderly individual receiving services from or under the direction of the commission or a health and human services agency; or

(B) a court-appointed guardian of an elderly individual receiving services from or under the direction of the commission or a health and human services agency.

5 (c) In developing the program, the executive commissioner
6 and the advisory committee shall adhere to the following
7 principles:

8 (1) the intent of the program is to evaluate, through
9 operation of pilot projects, whether providing the services of a
10 trained volunteer advocate selected by an elderly individual or the
11 individual's designated caregiver is effective in achieving the
12 following goals:

13 (A) extend the time the elderly individual can
14 remain in an appropriate home setting;

15 (B) maximize the efficiency of services
16 delivered to the elderly individual by focusing on services needed

18 (C) protect the elderly individual by providing a
19 knowledgeable third party to review the quality of care and
20 services delivered to the individual and the care options available
21 to the individual and the individual's family; and

22 (D) facilitate communication between the elderly
23 individual or the individual's designated caregiver and providers
24 of health care and other services;

25 (2) a volunteer advocate curriculum must be
26 established that incorporates best practices as determined and
