10 (2) promote the health, safety, welfare, and enjoyment  
11 of the public by landscaping, developing, maintaining, financing,  
12 operating, and making capital improvements to parks in the  
13 district, which are necessary for the restoration, preservation,  
14 and enhancement of scenic beauty;

15 (3) conserve the natural resources of the district;  
16 and

17 (4) cooperate with the city in the furtherance of  
18 common purposes of the city and the district.

20 instrumentality of any private interest even though the district  
21 will benefit many private interests as well as the public.

22 Sec. 3873.005. INITIAL DISTRICT TERRITORY. The district is  
23 initially composed of the territory described by Section 2 of the
