4 BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

5 SECTION 1. Section 49-b(h), Article III, Texas
6 Constitution, is amended to read as follows:

11 of lands dedicated to the Permanent [~~Free Public~~] School Fund. The
12 lands shall be sold to veterans in quantities, on terms, at prices,
13 and at fixed, variable, floating, or other rates of interest,

15 Notwithstanding any provisions of this section to the contrary,
16 lands in the Veterans' Land Fund that are offered for sale to
17 veterans and that are not sold may be sold or resold to the
18 purchasers in quantities, on terms, at prices, and at rates of
19 interest determined by the Board and in accordance with rules of the
20 Board.

21 SECTION 2. Sections 2 and 4, Article VII, Texas
22 Constitution, are amended to read as follows:

23 Sec. 2. All funds, lands and other property heretofore set
24 apart and appropriated for the support of public schools; all the

1 alternate sections of land reserved by the State out of grants
2 heretofore made or that may hereafter be made to railroads or other
3 corporations of any nature whatsoever; one half of the public
4 domain of the State; and all sums of money that may come to the State
5 from the sale of any portion of the same, shall constitute a
6 permanent [~~perpetual-public~~] school fund.

7 Sec. 4. The lands herein set apart to the Permanent [~~Public~~
8 ~~Free~~] School fund, shall be sold under such regulations, at such
9 times, and on such terms as may be prescribed by law; and the
10 Legislature shall not have power to grant any relief to purchasers
11 thereof. The proceeds of such sales must be used to acquire other
12 land for the Permanent [~~Public-Free~~] School fund as provided by law
13 or the proceeds shall be invested by the comptroller of public
14 accounts, as may be directed by the Permanent School Fund
15 Management Council [~~Board of Education~~] herein provided for, in the
16 bonds of the United States, the State of Texas, or counties in said
17 State, or in such other securities, and under such restrictions as
18 may be prescribed by law; and the State shall be responsible for all
19 investments.

20 SECTION 3. Sections 5(a) and (f), Article VII, Texas
21 Constitution, are amended to read as follows:

22 (a) The permanent school fund consists of all land
23 appropriated for public schools by this constitution or the other
24 laws of this state, other properties belonging to the permanent
25 school fund, and all revenue derived from the land or other
26 properties. The available school fund consists of the distributions
27 made to it from the total return on all investment assets of the

1 permanent school fund, the taxes authorized by this constitution or
2 general law to be part of the available school fund, and
3 appropriations made to the available school fund by the
4 legislature. The total amount distributed from the permanent school
5 fund to the available school fund:

6 (1) in each year of a state fiscal biennium must be an
7 amount that is not more than six percent of the average of the
8 market value of the permanent school fund, excluding real property
9 belonging to the fund that is managed, sold, or acquired under
10 Section 4 of this article, on the last day of each of the 16 state
11 fiscal quarters preceding the regular session of the legislature
12 that begins before that state fiscal biennium, in accordance with
13 the rate adopted by:

14 (A) a vote of two-thirds of the total membership
15 of the Permanent School Fund Management Council [~~State Board of~~
16 ~~Education~~], taken before the regular session of the legislature
17 convenes; or

18 (B) the legislature by general law or
19 appropriation, if the Permanent School Fund Management Council
20 [~~State Board of Education~~] does not adopt a rate as provided by
21 Paragraph (A) of this subdivision; and

22 (2) over the 10-year period consisting of the current
23 state fiscal year and the nine preceding state fiscal years may not
24 exceed the total return on all investment assets of the permanent
25 school fund over the same 10-year period.

26 (f) Notwithstanding any other provision of this
27 constitution, in managing the assets of the permanent school fund,

1 the Permanent School Fund Management Council [~~State Board of~~
2 ~~Education~~] may acquire, exchange, sell, supervise, manage, or
3 retain, through procedures and subject to restrictions it
4 establishes and in amounts it considers appropriate, any kind of
5 investment, including investments in the Texas growth fund created
6 by Article XVI, Section 70, of this constitution, that persons of
7 ordinary prudence, discretion, and intelligence, exercising the
8 judgment and care under the circumstances then prevailing, acquire
9 or retain for their own account in the management of their affairs,
10 not in regard to speculation but in regard to the permanent
11 disposition of their funds, considering the probable income as well
12 as the probable safety of their capital.

13 SECTION 4. Article VII, Texas Constitution, is amended by
14 adding Section 5a to read as follows:

15 Sec. 5a. (a) The legislature shall provide by law for a
16 Permanent School Fund Management Council to manage the permanent
17 school fund. Members of the council are appointed or elected as
18 provided by the legislature for terms determined by the
19 legislature. The council shall perform the duties prescribed by
20 law.

21 SECTION 5. This proposed constitutional amendment shall be
22 submitted to the voters at an election to be held November 3, 2009.
23 The ballot shall be printed to permit voting for or against the
24 proposition: "The constitutional amendment to create the Permanent
25 School Fund Management Council to assume the duty of the State Board
26 of Education to manage the permanent school fund."
