STATEMENT OF AUTHORIZATION AND PRECEDENCE

Pursuant to and under the authority of Section 11, Article III, Texas Constitution, and notwithstanding any provision of statute, the House of Representatives adopts the following rules to govern its operations and procedures. The provisions of these rules shall be deemed the only requirements binding on the House of Representatives under Section 11, Article III, Texas Constitution, notwithstanding any other requirements expressed in statute.

RULE 1. DUTIES AND RIGHTS OF THE SPEAKER

CHAPTER A. DUTIES AS PRESIDING OFFICER

Sec. 1. ENFORCEMENT OF THE RULES. The speaker shall enforce, apply, and interpret the rules of the house in all deliberations of the house and shall enforce the legislative rules prescribed by the statutes and the Constitution of Texas.

Sec. 2. CALL TO ORDER. The speaker shall take the chair on each calendar day precisely at the hour to which the house adjourned or recessed at its last sitting and shall immediately call the members to order.

Sec. 3. LAYING BUSINESS BEFORE THE HOUSE. The speaker shall lay before the house its business in the order indicated by the rules and shall receive propositions made by members and put them to the house.

Sec. 4. REFERRAL OF PROPOSED LEGISLATION TO COMMITTEE. All proposed legislation shall be referred by the speaker to an appropriate standing or select committee with jurisdiction, subject to correction by a majority vote of the house. A bill or

1 resolution may not be referred simultaneously to more than one  
2 committee.

3       Sec. 5. PRESERVATION OF ORDER AND DECORUM. The speaker  
4 shall preserve order and decorum. In case of disturbance or  
5 disorderly conduct in the galleries or in the lobby, the speaker may  
6 order that these areas be cleared. No signs, placards, or other  
7 objects of similar nature shall be permitted in the rooms, lobby,  
8 gallery, and hall of the house. The speaker shall see that the  
9 members of the house conduct themselves in a civil manner in  
10 accordance with accepted standards of parliamentary conduct and  
11 may, when necessary, order the sergeant-at-arms to clear the aisles  
12 and seat the members of the house so that business may be conducted  
13 in an orderly manner.

14       Sec. 6. RECOGNITION OF GALLERY VISITORS. On written  
15 request of a member, the speaker may recognize persons in the  
16 gallery. The speaker shall afford that recognition at a convenient  
17 place in the order of business, considering the need for order and  
18 decorum and the need for continuity of debate. The request must be  
19 made on a form prescribed by the Committee on House Administration.  
20 The speaker may recognize, at a time he or she considers appropriate  
21 during floor proceedings, the person serving as physician of the  
22 day.

23       Sec. 7. STATING AND VOTING ON QUESTIONS. The speaker shall  
24 rise to put a question but may state it sitting. The question shall  
25 be put substantially in this form: "The question occurs on  
26 \_\_\_\_\_" (here state the question or proposition under  
27 consideration). "All in favor say 'Aye,'" and after the affirmative

1 vote is expressed, "All opposed say 'No.'" If the speaker is in  
2 doubt as to the result, or if a division is called for, the house  
3 shall divide: those voting in the affirmative on the question  
4 shall register "Aye" on the voting machine, and those voting in the  
5 negative on the question shall register "No." The decision of the  
6 house on the question shall be printed in the journal and shall  
7 include the yeas and nays if a record of the yeas and nays is  
8 ordered in accordance with the rules.

9       Sec. 8. VOTING RIGHTS OF THE PRESIDING OFFICER. The  
10 speaker shall have the same right as other members to vote. If the  
11 speaker, or a member temporarily presiding, has not voted, he or she  
12 may cast the deciding vote at the time such opportunity becomes  
13 official, whether to make or break a tie. If a verification of the  
14 vote is called for and granted, the decision of the speaker, or a  
15 member temporarily presiding, to cast the deciding vote need not be  
16 made until the verification has been completed. In case of error in  
17 a vote, if the correction leaves decisive effect to the vote of the  
18 speaker, or a member temporarily presiding, the deciding vote may  
19 be cast even though the result has been announced.

20       Sec. 9. QUESTIONS OF ORDER. (a) The speaker shall decide  
21 on all questions of order; however, such decisions are subject to an  
22 appeal to the house made by any 10 members. Pending an appeal, the  
23 speaker shall call a member to the chair, who shall not have the  
24 authority to entertain or decide any other matter or proposition  
25 until the appeal has first been determined by the house. The  
26 question on appeal is, "Shall the chair be sustained?"

27       (b) No member shall speak more than once on an appeal unless

1 given leave by a majority of the house. No motion shall be in order,  
2 pending an appeal, except a motion to adjourn, a motion to lay on  
3 the table, a motion for the previous question, or a motion for a  
4 call of the house. Responses to parliamentary inquiries and  
5 decisions of recognition made by the chair may not be appealed,  
6 except as provided by Rule 5, Section 24.

7 (c) Further consideration of the matter or proposition that  
8 is the subject of a question of order is prohibited until the  
9 speaker decides the question of order and any appeal of that  
10 decision has been determined by the house. Consideration of any  
11 other matter or proposition is also prohibited while a question of  
12 order is pending, unless the question of order is temporarily  
13 withdrawn and the matter or proposition that is the subject of the  
14 question of order is postponed. Withdrawal of the question of order  
15 does not prevent any member from raising that question of order when  
16 the matter or proposition is again before the house.

17 Sec. 10. APPOINTMENT OF SPEAKER PRO TEMPORE AND TEMPORARY  
18 CHAIR. The speaker shall have the right to name any member to  
19 perform the duties of the chair and may name a member to serve as  
20 speaker pro tempore by delivering a written order to the chief clerk  
21 and a copy to the journal clerk. A permanent speaker pro tempore  
22 shall, in the absence or inability of the speaker, call the house to  
23 order and perform all other duties of the chair in presiding over  
24 the deliberations of the house and perform other duties and  
25 exercise other responsibilities as may be assigned by the speaker.  
26 If the house is not in session, and a permanent speaker pro tempore  
27 has not been named, or if the speaker pro tempore is not available

1 or for any reason is not able to function, the speaker may deliver a  
2 written order to the chief clerk, with a copy to the journal clerk,  
3 naming the member who shall call the house to order and preside  
4 during the speaker's absence. The speaker pro tempore shall serve  
5 at the pleasure of the speaker.

6       Sec. 11. EMERGENCY ADJOURNMENT. In the event of an  
7 emergency of such compelling nature that the speaker must adjourn  
8 the house without fixing a date and hour of reconvening, the speaker  
9 shall have authority to determine the date and hour of reconvening  
10 and to notify the members of the house by any means the speaker  
11 considers adequate. Should the speaker be disabled or otherwise  
12 unable to exercise these emergency powers, the permanent speaker  
13 pro tempore, if one has been named, shall have authority to act. If  
14 there is no permanent speaker pro tempore, or if that officer is  
15 unable to act, authority shall be exercised by the chair of the  
16 Committee on State Affairs, who shall preside until the house can  
17 proceed to the selection of a temporary presiding officer to  
18 function until the speaker or the speaker pro tempore is again able  
19 to exercise the duties and responsibilities of the office.

20       Sec. 12. POSTPONEMENT OF RECONVENING. When the house is  
21 not in session, if the speaker determines that it would be a hazard  
22 to the safety of the members, officers, employees, and others  
23 attending the legislature to reconvene at the time determined by  
24 the house at its last sitting, the speaker may clear the area of the  
25 capitol under the control of the house and postpone the reconvening  
26 of the house for a period of not more than 12 hours. On making that  
27 determination, the speaker shall order the sergeant-at-arms to post

1 an assistant at each first floor entrance to the capitol and other  
2 places and advise all persons entering of the determination and the  
3 time set for the house to reconvene. The speaker shall also notify  
4 the journal clerk and the news media of the action, and the action  
5 shall be entered in the house journal.

6       Sec. 13. SIGNING BILLS AND RESOLUTIONS. All bills, joint  
7 resolutions, and concurrent resolutions shall be signed by the  
8 speaker in the presence of the house, as required by the  
9 constitution; and all writs, warrants, and subpoenas issued by  
10 order of the house shall be signed by the speaker and attested by  
11 the chief clerk, or the person acting as chief clerk.

12                   CHAPTER B. ADMINISTRATIVE DUTIES

13       Sec. 14. CONTROL OVER HALL OF THE HOUSE. The speaker shall  
14 have general control, except as otherwise provided by law, of the  
15 hall of the house, its lobbies, galleries, corridors, and passages,  
16 and other rooms in those parts of the capitol assigned to the use of  
17 the house; except that the hall of the house shall not be used for  
18 any meeting other than legislative meetings during any regular or  
19 special session of the legislature unless specifically authorized  
20 by resolution.

21       Sec. 15. STANDING COMMITTEE APPOINTMENTS. (a) The  
22 speaker shall designate the chair and vice-chair of each standing  
23 substantive committee and shall also appoint membership of the  
24 committee, subject to the provisions of Rule 4, Section 2.

25       (b) If members of equal seniority request the same  
26 committee, the speaker shall decide which among them shall be  
27 assigned to that committee.

1 (c) In announcing the membership of the standing  
2 substantive committees, the speaker shall designate which are  
3 appointees and which acquire membership by seniority.

4 (d) The speaker shall appoint the chair and vice-chair of  
5 each standing procedural committee and the remaining membership of  
6 the committee.

7 Sec. 16. APPOINTMENT OF SELECT AND CONFERENCE  
8 COMMITTEES. (a) The speaker shall appoint all conference  
9 committees. The speaker shall name the chair of each conference  
10 committee, and may also name the vice-chair thereof.

11 (b) The speaker may at any time by proclamation create a  
12 select committee. The speaker shall name the chair and vice-chair  
13 thereof. A select committee has the jurisdiction, authority, and  
14 duties and exists for the period of time specified in the  
15 proclamation. A select committee has the powers granted by these  
16 rules to a standing committee except as limited by the  
17 proclamation. A copy of each proclamation creating a select  
18 committee shall be filed with the chief clerk.

19 (c) If a new speaker is elected to fill a vacancy in the  
20 office after the appointment of standing committees, the new  
21 speaker may not alter the composition of any standing committee  
22 before the end of the session, except that the new speaker may:

23 (1) vacate the new speaker's membership on any  
24 committee;

25 (2) make committee appointments for the member who was  
26 removed as speaker;

27 (3) designate a different member of a standing

1 committee as committee chair; and

2 (4) fill vacancies that occur on a committee.

3 Sec. 17. INTERIM STUDIES. When the legislature is not in  
4 session, the speaker shall have the authority to direct committees  
5 to make interim studies for such purposes as the speaker may  
6 designate, and the committees shall meet as often as necessary to  
7 transact effectively the business assigned to them. The speaker  
8 shall provide to the chief clerk a copy of interim charges made to a  
9 standing or select committee.

10 CHAPTER C. CAMPAIGNS FOR SPEAKER

11 Sec. 18. PLEDGES FOR SPEAKER PROHIBITED DURING REGULAR  
12 SESSION. During a regular session of the legislature a member may  
13 not solicit written pledges from other members for their support of  
14 or promise to vote for any person for the office of speaker.

19 speaker shall designate those appointed by the speaker and those  
20 acquiring membership by seniority.

21 (7) ~~[(8)]~~ The speaker shall designate the chair and  
22 vice-chair from the total membership of the committee. ~~[For 27~~  
23 ~~substantive committees determined by the speaker, the speaker shall~~  
24 ~~designate a chair for budget and oversight from the total~~  
25 ~~membership of the committee.]~~

26 (b) In the event of an election contest that is not resolved  
27 prior to the determination of the membership of standing

1 committees, the representative of the district that is the subject  
2 of the contest is not entitled to select a committee on the basis of  
3 seniority. Committee appointments on behalf of that district shall  
4 be designated by the district number.

5 (c) In the event of a vacancy in a representative district  
6 that has not been filled at the time of the determination of the  
7 membership of standing committees, the representative of the  
8 district who fills that vacancy shall not be entitled to select a  
9 committee on the basis of seniority. Committee appointments on  
10 behalf of that district shall be designated by the district number.

11 (d) In the event that a member-elect of the current  
12 legislature has not taken the oath of office by the end of the ninth  
13 day of the regular session, the representative of that district  
14 shall not be entitled to select a committee on the basis of  
15 seniority. If the member-elect has not taken the oath of office by  
16 the time committee appointments are announced, committee  
17 appointments on behalf of that district shall be designated by  
18 district number.

19 Sec. 3. RANKING OF COMMITTEE MEMBERS. Except for the chair  
20 and vice-chair, members of a standing committee shall rank  
21 according to their seniority.

22 Sec. 4. MEMBERSHIP RESTRICTIONS. (a) No member shall serve  
23 concurrently on more than two standing substantive committees.

24 (b) A member serving as chair of the Committee on  
25 Appropriations or the Committee on State Affairs may not serve on  
26 any other substantive committee.

27 Sec. 5. VACANCIES ON COMMITTEES. Should a vacancy occur on

1 a standing, select, or interim committee subsequent to its  
2 organization, the speaker shall appoint an eligible member to fill  
3 the vacancy.

4       Sec. 6. DUTIES OF THE CHAIR. The chair of each committee  
5 shall:

6               (1) be responsible for the effective conduct of the  
7 business of the committee;

8               (2) appoint all subcommittees and determine the number  
9 of members to serve on each subcommittee;

10              (3) in consultation with members of the committee,  
11 schedule the work of the committee and determine the order in which  
12 the committee shall consider and act on bills, resolutions, and  
13 other matters referred to the committee;

14              (4) have authority to employ and discharge the staff  
15 and employees authorized for the committee and have supervision and  
16 control over all the staff and employees;

17              (5) direct the preparation of all committee reports.  
18 No committee report shall be official until signed by the chair of  
19 the committee, or by the person acting as chair, or by a majority of  
20 the membership of the committee;

21              (6) determine the necessity for public hearings,  
22 schedule hearings, and be responsible for directing the posting of  
23 notice of hearings as required by the rules;

24              (7) preside at all meetings of the committee and  
25 control its deliberations and activities in accordance with  
26 acceptable parliamentary procedure; and

27              (8) have authority to direct the sergeant-at-arms to

1 assist, where necessary, in enforcing the will of the committee.

2       Sec. 7. BILL ANALYSES. Except for the general  
3 appropriations bill, for each bill or joint resolution referred to  
4 the committee, the staff of the committee shall be responsible for  
5 distributing a copy of a bill analysis to each member of the  
6 committee and to the author of a house measure or sponsor of a  
7 senate measure at the earliest possible opportunity but not later  
8 than the first time the measure is laid out in a committee meeting.  
9 The author of the bill or joint resolution may request the Texas  
10 Legislative Council to prepare an analysis for purposes of this  
11 section suitable for distribution by committee staff to each member  
12 of the committee.

13                                   CHAPTER B. PROCEDURE

14       Sec. 8. MEETINGS. (a) As soon as practicable after  
15 standing committees are constituted and organized, the committee  
16 coordinator, under the direction of the Committee on House  
17 Administration, shall prepare a schedule for regular meetings of  
18 all standing committees. This schedule shall be published in the  
19 house journal and posted in a convenient and conspicuous place near  
20 the entrance to the house and on other posting boards for committee  
21 meeting notices, as determined necessary by the Committee on House  
22 Administration. To the extent practicable during each regular  
23 session, standing committees shall conduct regular committee  
24 meetings in accordance with the schedule of meetings prepared by  
25 the committee coordinator under the supervision of the Committee on  
26 House Administration.

27       (b) Standing committees shall meet at other times as may be

1 determined by the committee, or as may be called by the chair.  
2 Subcommittees of standing committees shall likewise meet at other  
3 times as may be determined by the committee, or as may be called by  
4 the chair of the committee or subcommittee.

5 (c) Committees shall also meet in such places and at such  
6 times as the speaker may designate.

7 Sec. 9. MEETING WHILE HOUSE IN SESSION. No standing  
8 committee or subcommittee shall meet during the time the house is in  
9 session without permission being given by a majority vote of the  
10 house. No standing committee or subcommittee shall conduct its  
11 meeting on the floor of the house or in the house chamber while the  
12 house is in session, but shall, if given permission to meet while  
13 the house is in session, retire to a designated committee room for  
14 the conduct of its meeting.

15 Sec. 10. PURPOSES FOR MEETING. A committee or a  
16 subcommittee may be assembled for:

17 (1) a public hearing where testimony is to be heard,  
18 and where official action may be taken, on bills, resolutions, or  
19 other matters;

20 (2) a formal meeting where the committee may discuss  
21 and take official action on bills, resolutions, or other matters  
22 without testimony; and

23 (3) a work session where the committee may discuss  
24 bills, resolutions, or other matters but take no formal action.

25 Sec. 11. POSTING NOTICE. (a) No committee or  
26 subcommittee, including a calendars committee, shall assemble for  
27 the purpose of a public hearing during a regular session unless

1 notice of the hearing has been posted in accordance with the rules  
2 at least five calendar days in advance of the hearing. No committee  
3 or subcommittee, including a calendars committee, shall assemble  
4 for the purpose of a public hearing during a special session unless  
5 notice of the hearing has been posted in accordance with the rules  
6 at least 24 hours in advance of the hearing. The committee minutes  
7 shall reflect the date of each posting of notice. Notice shall not  
8 be required for a public hearing on a senate bill which is  
9 substantially the same as a house bill that has previously been the  
10 subject of a duly posted public hearing by the committee.

11 (b) No committee or subcommittee, including a calendars  
12 committee, shall assemble for the purpose of a formal meeting or  
13 work session during a regular or special session unless written  
14 notice has been posted and transmitted to each member of the  
15 committee two hours in advance of the meeting or an announcement has  
16 been filed with the journal clerk and read by the reading clerk  
17 while the house is in session.

18 (c) All committees meeting during the interim for the  
19 purpose of a formal meeting, work session, or public hearing shall  
20 post notice in accordance with the rules and notify members of the  
21 committee at least five calendar days in advance of the meeting.

22 Sec. 12. MEETINGS OPEN TO THE PUBLIC. All meetings of a  
23 committee or subcommittee, including a calendars committee, shall  
24 be open to other members, the press, and the public unless  
25 specifically provided otherwise by resolution adopted by the house.  
26 However, the General Investigating and Ethics Committee or a  
27 committee considering an impeachment, an address, the punishment of

1 a member of the house, or any other matter of a quasi-judicial  
2 nature may meet in executive session for the limited purpose of  
3 examining a witness or deliberating, considering, or debating a  
4 decision, but no decision may be made or voted on except in a  
5 meeting that is open to the public and otherwise in compliance with  
6 the rules of the house.

7       Sec. 13. RULES GOVERNING OPERATIONS. (a) The Rules of  
8 Procedure of the House of Representatives, and to the extent  
9 applicable, the rules of evidence and procedure in the civil courts  
10 of Texas, shall govern the hearings and operations of each  
11 committee, including a calendars committee. Subject to the  
12 foregoing, and to the extent necessary for orderly transaction of  
13 business, each committee may promulgate and adopt additional rules  
14 and procedures by which it will function.

15       (b) No standing committee, including a calendars committee,  
16 or any subcommittee, shall adopt any rule of procedure, including  
17 but not limited to an automatic subcommittee rule, which will have  
18 the effect of thwarting the will of the majority of the committee or  
19 subcommittee or denying the committee or subcommittee the right to  
20 ultimately dispose of any pending matter by action of a majority of  
21 the committee or subcommittee. A bill or resolution may not be laid  
22 on the table subject to call in committee without a majority vote of  
23 the committee.

24       Sec. 14. APPEALS FROM RULINGS OF THE CHAIR. Appeals from  
25 rulings of the chair of a committee shall be in order if seconded by  
26 three members of the committee, which may include the member making  
27 the appeal. Procedure in committee following an appeal which has

1 been seconded shall be the same as the procedure followed in the  
2 house in a similar situation.

3       Sec. 15. PREVIOUS QUESTION. Before the previous question  
4 can be ordered in a committee, the motion therefor must be seconded  
5 by not less than 4 members of a committee consisting of 21 or more  
6 members, 3 members of a committee consisting of less than 21 members  
7 and more than 10 members, or 2 members of a committee consisting of  
8 10 members or less. If the motion is properly seconded and ordered  
9 by a majority vote of the committee, further debate on the  
10 proposition under consideration shall be terminated, and the  
11 proposition shall be immediately put to a vote of the committee for  
12 its action.

13       Sec. 16. QUORUM. A majority of a committee shall  
14 constitute a quorum. No action or recommendation of a committee  
15 shall be valid unless taken at a meeting of the committee with a  
16 quorum actually present, and the committee minutes shall reflect  
17 the names of those members of the committee who were actually  
18 present. No committee report shall be made to the house nor shall  
19 bills or resolutions be placed on a calendar unless ordered by a  
20 majority of the membership of the committee, except as otherwise  
21 provided in the rules, and a quorum of the committee must be present  
22 when the vote is taken on reporting a bill or resolution, on placing  
23 bills or resolutions on a calendar, or on taking any other formal  
24 action within the authority of the committee. No committee report  
25 shall be made nor shall bills or resolutions be placed on a calendar  
26 except by record vote of the members of the committee, with the yeas  
27 and nays to be recorded in the minutes of the committee. Proxies

1 cannot be used in committees.

2           Sec. 17. MOVING A CALL OF A COMMITTEE. (a) It shall be in  
3 order to move a call of a committee at any time to secure and  
4 maintain a quorum for any one or more of the following purposes:

5                   (1) for the consideration of a specific bill,  
6 resolution, or other matter;

7                   (2) for a definite period of time; or

8                   (3) for the consideration of any designated class of  
9 bills or other matters.

10           (b) When a call of a committee is moved for one or more of  
11 the foregoing purposes and seconded by two members, one of whom may  
12 be the chair, and is ordered by a majority of the members present,  
13 no member shall thereafter be permitted to leave the committee  
14 meeting without written permission from the chair. After the call  
15 is ordered, and in the absence of a quorum, the chair shall have the  
16 authority to authorize the sergeant-at-arms to locate absent  
17 members of the committee and to compel their attendance for the  
18 duration of the call.

19           Sec. 18. MINUTES OF PROCEEDINGS. (a) For each committee,  
20 including a calendars committee, the chair, or the member acting as  
21 chair, shall keep complete minutes of the proceedings in committee,  
22 which shall include:

23                   (1) the time and place of each meeting of the  
24 committee;

25                   (2) a roll call to determine the members present at  
26 each meeting of the committee, whether that meeting follows an  
27 adjournment or a recess from a previous committee meeting;

1           (3) an accurate record of all votes taken, including a  
2 listing of the yeas and nays cast on a record vote;

3           (4) the date of posting of notice of the meeting; and

4           (5) other information that the chair shall determine.

5           (b) The minutes for each public hearing of a committee shall  
6 also include an attachment listing the names of the persons, other  
7 than members of the legislature, and the persons or entities  
8 represented by those persons, who were recognized by the chair to  
9 address the committee [~~or who signed a sworn statement in favor of,~~  
10 ~~in opposition to, or without taking a position on a measure or other~~  
11 ~~matter before the committee~~]. The attachment shall also list the  
12 name of each person, other than a member of the legislature, who  
13 submitted to the committee a sworn statement indicating that the  
14 person was present in favor of, in opposition to, or without taking  
15 a position on the measure or other matter, but who because of the  
16 person's departure or other reason was not recognized by the chair  
17 to address the committee; provided that the omission of the name of  
18 such a person is not a sustainable question of order.

19           (c) Committee minutes shall be corrected only at the  
20 direction of the chair as authorized by a majority vote of the  
21 committee. Duplicate originals of committee minutes shall be  
22 maintained, one to remain with the committee chair and the other to  
23 be filed with the committee coordinator. The committee minutes of a  
24 meeting of the Appropriations Committee on the general  
25 appropriations bill must be filed with the committee coordinator  
26 within five days of the committee meeting. All other committee  
27 minutes must be filed with the committee coordinator within three

1 days of the committee meeting for a substantive committee, and  
2 within one day of the committee meeting for a procedural committee.  
3 If the date on which the committee minutes are due occurs on a  
4 Saturday, Sunday, or holiday on which the house is not in session,  
5 the committee minutes shall be filed on the following working day.  
6 The time at which the minutes are filed shall be time-stamped on the  
7 duplicate originals of the minutes that are filed with the  
8 committee coordinator. The duplicate originals shall be available  
9 at all reasonable business hours for inspection by members or the  
10 public.

11 (d) The committee coordinator shall maintain the minutes  
12 and records safe from loss, destruction, and alteration at all  
13 times, and may, at any time, turn them, or any portion, over to the  
14 Committee on House Administration.

15 Sec. 19. RECORDING OF TESTIMONY. All testimony before  
16 committees and subcommittees shall be electronically recorded  
17 under the direction of the Committee on House Administration.  
18 Copies of the testimony may be released under guidelines  
19 promulgated by the Committee on House Administration.

20 Sec. 20. SWORN STATEMENT OF WITNESSES. (a) The committee  
21 coordinator, under the direction of the Committee on House  
22 Administration, shall prescribe the form of a sworn statement to be  
23 executed by all persons, other than members, who wish to be  
24 recognized by the chair to address the committee. The statement  
25 shall provide for showing at least:

- 26 (1) the committee or subcommittee;  
27 (2) the name, address, and telephone number of the

1 person appearing;

2 (3) the person, firm, corporation, class, or group  
3 represented;

4 (4) the type of business, profession, or occupation in  
5 which the person is engaged, if the person is representing himself  
6 or herself; and

7 (5) the matter before the committee on which the  
8 person wishes to be recognized to address the committee and whether  
9 for, against, or neutral on the matter.

10 (b) No person shall be recognized by the chair to address  
11 the committee in favor of, in opposition to, or without taking a  
12 position on a matter until the sworn statement has been filed with  
13 the chair of the committee. The chair of the committee shall  
14 indicate on the sworn statement whether the person completing the  
15 statement was recognized to address the committee.

16 (c) All sworn statements for those persons recognized by the  
17 chair to address the committee shall accompany the copy of the  
18 minutes of the meeting filed with the committee coordinator.

19 (d) All persons, other than members, recognized by the chair  
20 to address the committee shall give their testimony under oath, and  
21 each committee may avail itself of additional powers and  
22 prerogatives authorized by law.

23 (e) The committee shall ensure that an individual who is  
24 blind receives any necessary assistance in executing the sworn  
25 statement.

26 (f) The committee shall inform a witness who is blind which  
27 members of the committee are present when the witness begins to

1 testify and shall inform the witness during the testimony of the  
2 departure and arrival of committee members.

3       Sec. 21. POWER TO ISSUE PROCESS AND SUMMON WITNESSES. (a)  
4 By a record vote of not less than two-thirds of those present and  
5 voting, a quorum being present, each standing committee shall have  
6 the power and authority to issue process to witnesses at any place  
7 in the State of Texas, to compel their attendance, and to compel the  
8 production of all books, records, and instruments. If necessary to  
9 obtain compliance with subpoenas or other process, the committee  
10 shall have the power to issue writs of attachment. All process  
11 issued by the committee may be addressed to and served by an agent  
12 of the committee or a sergeant-at-arms appointed by the committee  
13 or by any peace officer of the State of Texas. The committee shall  
14 also have the power to cite and have prosecuted for contempt, in the  
15 manner provided by law, anyone disobeying the subpoenas or other  
16 process lawfully issued by the committee. The chair of the  
17 committee shall issue, in the name of the committee, the subpoenas  
18 and other process as the committee may direct.

19       (b) The chair may summon the governing board or other  
20 representatives of a state agency to appear and testify before the  
21 committee without issuing process under Subsection (a) of this  
22 section. The summons may be communicated in writing, orally, or  
23 electronically. If the persons summoned fail or refuse to appear,  
24 the committee may issue process under Subsection (a) of this  
25 section.

26       Sec. 22. MILEAGE AND PER DIEM FOR WITNESSES. Subject to  
27 prior approval by the Committee on House Administration, witnesses

1 attending proceedings of any committee under process of the  
2 committee shall be allowed the same mileage and per diem as are  
3 allowed members of the committee when in a travel status, to be paid  
4 out of the contingent expense fund of the house of representatives  
5 on vouchers approved by the chair of the committee, the chair of the  
6 Committee on House Administration, and the speaker of the house.

7       Sec. 23. POWER TO REQUEST ASSISTANCE OF STATE AGENCIES.

8 Each committee is authorized to request the assistance, when  
9 needed, of all state departments, agencies, and offices, and it  
10 shall be the duty of the departments, agencies, and offices to  
11 assist the committee when requested to do so. Each committee shall  
12 have the power and authority to inspect the records, documents, and  
13 files of every state department, agency, and office, to the extent  
14 necessary to the discharge of its duties within the area of its  
15 jurisdiction.

16       Sec. 23A. ASSISTANCE OF OTHER ~~[HOUSE]~~ MEMBERS OF

17 LEGISLATURE. At a meeting of a committee, the chair may recognize a  
18 member of the house who is not a member of the committee to provide  
19 information to the committee, and may recognize a member of the  
20 senate for that purpose. Recognition is solely within the  
21 discretion of the chair and is not subject to appeal by that member.

22                   CHAPTER C. COMMITTEE FUNCTIONS

23       Sec. 24. INTERIM STUDIES. Standing committees, en banc or

24 by subcommittees, are hereby authorized to conduct studies that are  
25 authorized by the speaker pursuant to Rule 1, Section 17. Studies  
26 may not be authorized by resolution. The speaker may appoint public  
27 citizens and officials of state and local governments to standing

1 committees to augment the membership for the purpose of interim  
2 studies and shall provide a list of such appointments to the chief  
3 clerk. The chair of the standing committee shall have authority to  
4 name the subcommittees necessary and desirable for the conduct of  
5 the interim studies and shall also prepare a budget for interim  
6 studies for approval by the Committee on House Administration.

7       Sec. 25. MOTION PREVENTING REPORTING OR PLACEMENT ON A  
8 CALENDAR. No motion is in order in a committee considering a bill,  
9 resolution, or other matter that would prevent the committee from  
10 reporting it back to the house or placing it on a calendar in  
11 accordance with the Rules of the House.

12       Sec. 26. FINAL ACTION IN FORM OF REPORT. No action by a  
13 committee on bills or resolutions referred to it shall be  
14 considered as final unless it is in the form of a favorable report,  
15 an unfavorable report, or a report of inability to recommend a  
16 course of action.

17       Sec. 27. VOTE ON MOTION TO REPORT. Motions made in  
18 committee to report favorably or unfavorably must receive  
19 affirmative majority votes, majority negative votes to either  
20 motion being insufficient to report. If a committee is unable to  
21 agree on a recommendation for action, as in the case of a tie vote,  
22 it should submit a statement of this fact as its report, and the  
23 house shall decide, by a majority vote, the disposition of the  
24 matter by one of the following alternatives:

25               (1) leave the bill in the committee for further  
26 consideration;

27               (2) refer the bill to some other committee; or

1           (3) order the bill printed, in which case the bill  
2 shall go to the Committee on Calendars for placement on a calendar  
3 and for proposal of an appropriate rule for house consideration.

4           Sec. 28. MINORITY REPORTS. The report of a minority of a  
5 committee shall be made in the same general form as a majority  
6 report. No minority report shall be recognized by the house unless  
7 it has been signed by not less than 4 members of a committee  
8 consisting of 21 or more members, 3 members of a committee  
9 consisting of less than 21 members and more than 10 members, or 2  
10 members of a committee consisting of 10 or less members. Only  
11 members who were present when the vote was taken on the bill,  
12 resolution, or other matter being reported, and who voted on the  
13 losing side, may sign a minority report. Notice of intention to  
14 file a minority report shall be given to the assembled committee  
15 after the vote on the bill, resolution, or other matter, and before  
16 the recess or adjournment of the committee, provided ample  
17 opportunity is afforded for the giving of notice; otherwise, notice  
18 may be given in writing to the chief clerk within 24 hours after the  
19 recess or adjournment of the committee.

20           Sec. 29. ACTION ON BILLS REPORTED UNFAVORABLY. If the  
21 majority report on a bill is unfavorable, and a favorable minority  
22 report is not signed in accordance with Section 28 of this rule and  
23 filed with the chief clerk within two calendar days, exclusive of  
24 Sunday and the date of committee action, the chief clerk shall file  
25 the bill away as dead; except during the last 15 calendar days of a  
26 regular session, or the last 7 calendar days of a special session,  
27 when the chief clerk shall hold a bill only one calendar day,

1 exclusive of Sunday and the date of committee action, awaiting the  
2 filing of a minority report before the bill is filed away as dead.  
3 If the favorable minority report is properly signed and filed, the  
4 chief clerk shall hold the bill for five legislative days,  
5 exclusive of the legislative day in which the minority report was  
6 filed, awaiting adoption by the house of a motion to print the bill  
7 on minority report. If the motion to print is carried, the bill  
8 shall be printed as if it had been reported favorably, and shall  
9 then be immediately forwarded to the Committee on Calendars for  
10 placement on a calendar and for proposal of an appropriate rule  
11 for house consideration. If a motion to print a bill on minority  
12 report is not made within the five legislative days authorized  
13 above, the chief clerk shall file the bill away as dead. It shall  
14 not be in order to move to recommit a bill adversely reported with  
15 no minority report, except as provided in Section 30 of this rule.  
16 A two-thirds vote of the house shall be required to print on  
17 minority report a joint resolution proposing an amendment to the  
18 Constitution of Texas.

19       Sec. 30. MAKING ADVERSE REPORTS WITHOUT HEARING THE  
20 AUTHOR. No adverse report shall be made on any bill or resolution  
21 by any committee without first giving the author or sponsor of the  
22 bill an opportunity to be heard. If it becomes evident to the house  
23 that a bill has been reported adversely without the author or  
24 sponsor having had an opportunity to be heard as provided in this  
25 section, the house may, by a majority vote, order the bill  
26 recommitted even though no minority report was filed in the manner  
27 prescribed by the rules. This provision shall have precedence over

1 Rule 7, Section 20.

2           Sec. 31. ADVERSE REPORTS ON LOCAL BILLS. If a local bill is  
3 reported adversely, it shall be subject to the same rules that  
4 govern other bills reported adversely.

5           Sec. 32. FORM OF REPORTS. (a) Reports of standing  
6 committees on bills and resolutions shall be made in duplicate,

9           (b) All committee reports must be in writing and shall:

10                 (1) be signed by the chair, or the member acting as  
11 chair, or a majority of the membership of the committee;

12                 (2) be addressed to the speaker;

8 statements indicating that the persons were present ~~[were~~  
9 ~~recognized by the chair to address the committee]~~ in favor of, in  
10 opposition to, or without taking a position on the bill or  
11 resolution. The omission from the list of the name of a person who  
12 submitted a sworn statement regarding a bill or resolution but who  
13 was not recognized by the chair to address the committee is not a  
14 sustainable question of order;

15 (11) for a joint resolution proposing a constitutional  
16 amendment, include the bill number of any enabling legislation for  
17 the constitutional amendment designated as such by the author or  
18 sponsor of the joint resolution; and

19 (12) for a bill that is designated by the author or  
20 sponsor of the bill as enabling legislation for a constitutional  
21 amendment proposed by a joint resolution, include the number of the  
22 joint resolution.

23 (c) Except for the general appropriations bill, each  
24 committee report on a bill or joint resolution, including a  
25 complete committee substitute, and, to the extent considered  
26 necessary by the committee, a committee report on any other  
27 resolution, must include in summary or section-by-section form a

2 specifically including:

3 (1) background information on the proposal and  
4 information on what the bill or resolution proposes to do;

5 (2) an analysis of the content of the bill or  
6 resolution, including a separate statement that lists each statute  
7 or constitutional provision that is expressly repealed by the bill  
8 or resolution;

9 (3) a statement indicating whether or not any  
10 rulemaking authority is expressly delegated to a state officer,

12 sections of the measure in which that rulemaking authority is  
13 delegated;

14 (4) a statement of substantial differences between a  
15 complete committee substitute and the original bill; and

16 (5) a brief explanation of each amendment adopted by  
17 the committee.

18 (d) The author of a bill or resolution for which an analysis  
19 is required by Subsection (c) of this section and the committee to  
20 which the bill or resolution is referred may request the Texas  
21 Legislative Council to prepare the analysis required by Subsection  
22 (c) of this section.

23 (e) A committee chair shall provide to the author of a house  
24 measure or sponsor of a senate measure a copy of the analysis  
25 required by Subsection (c) of this section as soon as the analysis  
26 is complete.

27 (f) A point of order raised as to a violation of Subsection

1 (c) of this section may be overruled if the analysis is not  
2 materially or substantially misleading.

3 (g) It shall be the duty of the committee chair, on all  
4 matters reported by the committee, to see that all provisions of  
5 Rule 12 are satisfied. The chair shall strictly construe this  
6 provision to achieve the desired purposes.

7 Sec. 33. FISCAL NOTES. (a) If the chair of a standing  
8 committee determines that a bill or joint resolution, other than  
9 the general appropriations bill, authorizes or requires the  
10 expenditure or diversion of state funds for any purpose, the chair  
11 shall send a copy of the measure to the Legislative Budget Board for  
12 the preparation of a fiscal note outlining the fiscal implications  
13 and probable cost of the measure.

14 (b) If the chair of a standing committee determines that a  
15 bill or joint resolution has statewide impact on units of local  
16 government of the same type or class and authorizes or requires the  
17 expenditure or diversion of local funds, or creates or impacts a  
18 local tax, fee, license charge, or penalty, the chair shall send a  
19 copy of the measure to the Legislative Budget Board for the  
20 preparation of a fiscal note outlining the fiscal implications and  
21 probable cost of the measure.

22 (c) In preparing a fiscal note, the director of the  
23 Legislative Budget Board may utilize information or data supplied  
24 by any person, agency, organization, or governmental unit that the  
25 director deems reliable. If the director determines that the fiscal  
26 implications of the measure cannot be ascertained, the director  
27 shall so state in the fiscal note, in which case the fiscal note

1 shall be in full compliance with the rules. If the director of the  
2 Legislative Budget Board is unable to acquire or develop sufficient  
3 information to prepare the fiscal note within 15 days of receiving  
4 the measure from the chair of a committee, the director shall so  
5 state in the fiscal note, in which case the note shall be in full  
6 compliance with the rules.

7 (d) If the chair determines that a fiscal note is required,  
8 copies of the fiscal note must be distributed to the members of the  
9 committee not later than the first time the measure is laid out in a  
10 committee meeting. The fiscal note shall be attached to the measure  
11 on first printing. If the measure is amended by the committee so as  
12 to alter its fiscal implications, the chair shall obtain an updated  
13 fiscal note, which shall also be attached to the measure on first  
14 printing.

15 (e) All fiscal notes shall remain with the measure  
16 throughout the entire legislative process, including submission to  
17 the governor.

18 Sec. 34. OTHER IMPACT STATEMENTS. (a) It is the intent of  
19 this section that all members of the house are timely informed as to  
20 the impact of proposed legislation on the state or other unit of  
21 government.

22 (b) If the chair of a standing committee determines that a  
23 bill or joint resolution:

24 (1) authorizes or requires a change in the sanctions  
25 applicable to adults convicted of felony crimes, the chair shall  
26 send a copy of the measure to the Legislative Budget Board for the  
27 preparation of a criminal justice policy impact statement;

1           (2) authorizes or requires a change in the public  
2 school finance system, the chair shall send a copy of the measure to  
3 the Legislative Budget Board for the preparation of an equalized  
4 education funding impact statement;

5           (3) proposes to change benefits or participation in  
6 benefits of a public retirement system or change the financial  
7 obligations of a public retirement system, the chair shall send a  
8 copy of the measure to the Legislative Budget Board for the  
9 preparation of an actuarial impact statement in cooperation with  
10 the State Pension Review Board;

11           (4) proposes to create a water district under the  
12 authority of Article XVI, Section 59, of the Texas Constitution,  
13 the chair shall send a copy of the measure to the Legislative Budget  
14 Board for the preparation of a water development policy impact  
15 statement; or

16           (5) creates or impacts a state tax or fee, the chair  
17 shall send a copy of the measure to the Legislative Budget Board for  
18 the preparation of a tax equity note that estimates the general  
19 effects of the proposal on the distribution of tax and fee burdens  
20 among individuals and businesses.

21           (c) In preparing an impact statement, the director of the  
22 Legislative Budget Board may utilize information or data supplied  
23 by any person, agency, organization, or governmental unit that the  
24 director deems reliable. If the director determines that the  
25 particular implications of the measure cannot be ascertained, the  
26 director shall so state in the impact statement, in which case the  
27 impact statement shall be in full compliance with the rules.

1           (d) An impact statement is not required to be present before  
2 a measure is laid out in a committee meeting. If timely received,  
3 the impact statement shall be attached to the measure on first  
4 printing. If the measure is amended by the committee so as to alter  
5 its particular implications, the chair shall obtain an updated  
6 impact statement. If timely received, the updated impact statement  
7 shall also be attached to the measure on first printing.

8           (e) An impact statement that is received after the first  
9 printing of a measure has been distributed to the members shall be  
10 forwarded by the chair of the committee to the committee  
11 coordinator. The committee coordinator shall have the impact  
12 statement printed and distributed to the members.

13           (f) All impact statements received shall remain with the  
14 measure throughout the entire legislative process, including  
15 submission to the governor.

16           Sec. 35. REPORTS ON HOUSE AND CONCURRENT  
17 RESOLUTIONS. Committee reports on house and concurrent  
18 resolutions shall be made in the same manner and shall follow the  
19 same procedure as provided for bills, subject to any differences  
20 otherwise authorized or directed by the rules.

21           Sec. 36. ACTION BY HOUSE ON REPORTS NOT REQUIRED. No  
22 action by the house is necessary on the report of a standing  
23 committee. The bill, resolution, or proposition recommended or  
24 reported by the committee shall automatically be before the house  
25 for its consideration after the bill or resolution has been  
26 referred to the appropriate calendars committee for placement on a  
27 calendar and for proposal of an appropriate rule for house

1 consideration.

2           Sec. 37. REFERRAL OF REPORTS TO COMMITTEE COORDINATOR. All  
3 committee reports on bills or resolutions shall be immediately  
4 referred to the committee coordinator. The chair of the committee  
5 shall be responsible for delivery of the report to the committee  
6 coordinator.

7           Sec. 38. DELIVERY OF REPORTS TO CALENDARS  
8 COMMITTEES. After printing, the chief clerk shall be responsible  
9 for delivery of a certified copy of the committee report to the  
10 appropriate calendars committee, which committee shall immediately  
11 accept the bill or resolution for placement on a calendar and for  
12 the proposal of an appropriate rule for house consideration.

13           Sec. 39. COMMITTEE AMENDMENTS. No committee shall have the  
14 power to amend, delete, or change in any way the nature, purpose, or  
15 content of any bill or resolution referred to it, but may draft and  
16 recommend amendments to it, which shall become effective only if  
17 adopted by a majority vote of the house.

18           Sec. 40. SUBSTITUTES. The committee may adopt and report a  
19 complete germane committee substitute containing the title,  
20 enacting clause, and text of the bill in lieu of an original bill,  
21 in which event the complete substitute bill on committee report  
22 shall be laid before the house and shall be the matter then before  
23 the house for its consideration, instead of the original bill. If  
24 the substitute bill is defeated at any legislative stage, the bill  
25 is considered not passed.

26           Sec. 41. GERMANENESS OF SUBSTITUTE. If a point of order is  
27 raised that a complete committee substitute is not germane, in

1 whole or in part, and the point of order is sustained, the committee  
2 substitute shall be returned to the Committee on Calendars, which  
3 may have the original bill printed and distributed and placed on a  
4 calendar in lieu of the substitute or may return the original bill  
5 to the committee from which it was reported for further action.

6           Sec. 42. AUTHOR'S RIGHT TO OFFER AMENDMENTS TO REPORT.

7 Should the author or sponsor of the bill, resolution, or other  
8 proposal not be satisfied with the final recommendation or form of  
9 the committee report, the member shall have the privilege of  
10 offering on the floor of the house such amendments or changes as he  
11 or she considers necessary and desirable, and those amendments or  
12 changes shall be given priority during the periods of time when  
13 original amendments are in order under the provisions of Rule 11,  
14 Section 7.

15                                   CHAPTER D. SUBCOMMITTEES

16           Sec. 43. JURISDICTION. Each committee is authorized to

17 conduct its activities and perform its work through the use of  
18 subcommittees as shall be determined by the chair of the committee.  
19 Subcommittees shall be created, organized, and operated in such a  
20 way that the subject matter and work area of each subcommittee shall  
21 be homogeneous and shall pertain to related governmental  
22 activities. The size and jurisdiction of each subcommittee shall  
23 be determined by the chair of the committee.

24           Sec. 44. MEMBERSHIP. The chair of each standing committee

25 shall appoint from the membership of the committee the members who  
26 are to serve on each subcommittee. Any vacancy on a subcommittee  
27 shall be filled by appointment of the chair of the standing

1 committee. The chair and vice-chair of each subcommittee shall be  
2 named by the chair of the committee.

3       Sec. 45. RULES GOVERNING OPERATIONS. The Rules of  
4 Procedure of the House of Representatives, to the extent  
5 applicable, shall govern the hearings and operations of each  
6 subcommittee. Subject to the foregoing, and to the extent  
7 necessary for orderly transaction of business, each subcommittee  
8 may promulgate and adopt additional rules and procedures by which  
9 it will function.

10       Sec. 46. QUORUM. A majority of a subcommittee shall  
11 constitute a quorum, and no action or recommendation of a  
12 subcommittee shall be valid unless taken at a meeting with a quorum  
13 actually present. All reports of a subcommittee must be approved by  
14 record vote by a majority of the membership of the subcommittee.  
15 Minutes of the subcommittee shall be maintained in a manner similar  
16 to that required by the rules for standing committees. Proxies  
17 cannot be used in subcommittees.

18       Sec. 47. POWER AND AUTHORITY. Each subcommittee, within  
19 the area of its jurisdiction, shall have all of the power,  
20 authority, and rights granted by the Rules of Procedure of the House  
21 of Representatives to the standing committee, except subpoena  
22 power, to the extent necessary to discharge the duties and  
23 responsibilities of the subcommittee.

24       Sec. 48. REFERRAL OF PROPOSED LEGISLATION TO  
25 SUBCOMMITTEE. All bills and resolutions referred to a standing  
26 committee shall be reviewed by the chair to determine appropriate  
27 disposition of the bills and resolutions. All bills and

1 resolutions shall be considered by the entire standing committee  
2 unless the chair of that standing committee determines to refer the  
3 bills and resolutions to subcommittee. If a bill or resolution is  
4 referred by the chair of the standing committee to a subcommittee,  
5 it shall be considered by the subcommittee in the same form in which  
6 the measure was referred to the standing committee, and any action  
7 taken by the standing committee on a proposed amendment or  
8 committee substitute before a measure is referred to subcommittee  
9 is therefore voided at the time the measure is referred to  
10 subcommittee. The subcommittee shall be charged with the duty and  
11 responsibility of conducting the hearing, doing research, and  
12 performing such other functions as the subcommittee or its parent  
13 standing committee may determine. All meetings of the subcommittee  
14 shall be scheduled by the subcommittee chair, with appropriate  
15 public notice and notification of each member of the subcommittee  
16 under the same rules of procedure as govern the conduct of the  
17 standing committee.

18       Sec. 49. REPORT BY SUBCOMMITTEE. At the conclusion of its  
19 deliberations on a bill, resolution, or other matter referred to  
20 it, the subcommittee may prepare a written report, comprehensive  
21 in nature, for submission to the full committee. The report shall  
22 include background material as well as recommended action and shall  
23 be accompanied by a complete draft of the bill, resolution, or other  
24 proposal in such form as the subcommittee shall determine.

25       Sec. 50. ACTION ON SUBCOMMITTEE REPORTS. Subcommittee  
26 reports shall be directed to the chair of the committee, who shall  
27 schedule meetings of the standing committee from time to time as

1 necessary and appropriate for the reception of subcommittee reports  
2 and for action on reports by the standing committee. No  
3 subcommittee report shall be scheduled for action by the standing  
4 committee until at least 24 hours after a copy of the subcommittee  
5 report is provided to each member of the standing committee.

6 CHAPTER E. COMMITTEES OF THE WHOLE HOUSE

7 Sec. 51. RESOLUTION INTO A COMMITTEE OF THE WHOLE  
8 HOUSE. The house may resolve itself into a committee of the whole  
9 house to consider any matter referred to it by the house. In  
10 forming a committee of the whole house, the speaker shall vacate the  
11 chair and shall appoint a chair to preside in committee.

12 Sec. 52. RULES GOVERNING OPERATIONS. The rules governing  
13 the proceedings of the house and those governing committees shall  
14 be observed in committees of the whole, to the extent that they are  
15 applicable.

16 Sec. 53. MOTION FOR A CALL OF THE COMMITTEE OF THE

18 the whole at any time to secure and maintain a quorum for the  
19 following purposes:

21 matter; or

22 (2) for a definite period of time; or

23 (3) for the consideration of any designated class of  
24 bills.

25 (b) When a call of the committee of the whole is moved and  
26 seconded by 10 members, of whom the chair may be one, and is ordered  
27 by majority vote, the main entrance of the hall and all other doors

1 leading out of the hall shall be locked, and no member shall be  
2 permitted to leave the hall without written permission. Other  
3 proceedings under a call of the committee shall be the same as under  
4 a call of the house.

5       Sec. 54. HANDLING OF A BILL. A bill committed to a  
6 committee of the whole house shall be handled in the same manner as  
7 in any other committee. The body of the bill shall not be defaced or  
8 interlined, but all amendments shall be duly endorsed by the chief  
9 clerk as they are adopted by the committee, and so reported to the  
10 house. When a bill is reported by the committee of the whole house  
11 it shall be referred immediately to the appropriate calendars  
12 committee for placement on the appropriate calendar and shall  
13 follow the same procedure as any other bill on committee report.

14       Sec. 55. FAILURE TO COMPLETE WORK AT ANY SITTING. In the  
15 event that the committee of the whole, at any sitting, fails to  
16 complete its work on any bill or resolution under consideration for  
17 lack of time, or desires to take any action on that measure that is  
18 permitted under the rules for other committees, it may, on a motion  
19 made and adopted by majority vote, rise, report progress, and ask  
20 leave of the house to sit again generally, or at a time certain.

21       Sec. 56. REPORTS OF SELECT COMMITTEES. Reports of select  
22 committees made during a session shall be filed with the chief clerk  
23 and printed in the journal, unless otherwise determined by the  
24 house.

25                   CHAPTER F. INTERIM STUDY COMMITTEES

26       Sec. 57. INTERIM STUDIES. Pursuant to Rule 1, Section 17,  
27 the speaker may create interim study committees to conduct studies

1 by issuing a proclamation for each committee, which shall specify  
2 the issue to be studied, committee membership, and any additional  
3 authority and duties. A copy of each proclamation creating an  
4 interim study committee shall be filed with the chief clerk. An  
5 interim study committee expires on release of its final report or  
6 when the next legislature convenes, whichever is earlier. An  
7 interim study committee may not be created by resolution.

8       Sec. 58. APPOINTMENT AND MEMBERSHIP. The speaker shall  
9 appoint all members of an interim study committee, which may  
10 include public citizens and officials of state and local  
11 governments. The speaker shall also designate the chair and  
12 vice-chair and may authorize the chair to create subcommittees and  
13 appoint citizen advisory committees.

14       Sec. 59. RULES GOVERNING OPERATIONS. The rules governing

21       Sec. 60. FUNDING AND STAFF. An interim study committee  
22 shall use existing staff resources of its members, standing  
23 committees, house offices, and legislative service agencies. The  
24 chair of an interim study committee shall prepare a detailed budget  
25 for approval by the speaker and the Committee on House  
26 Administration. An interim study committee may accept gifts,  
27 grants, and donations for the purpose of funding its activities as

1 provided by Sections 301.032(b) and (c), Government Code.

2           Sec. 61. STUDY REPORTS. (a)           The final report or  
3 recommendations of an interim study committee shall be approved by  
4 a majority of the committee membership. Dissenting members may  
5 attach statements to the final report.

6           (b) An interim study committee shall submit the committee's  
7 final report to the committee coordinator in the manner prescribed  
8 by the committee coordinator. The committee coordinator shall:

10 speaker, the Legislative Reference Library, and other appropriate

23 adopted by both houses, by which the speaker may authorize and

25 studies. A copy of the authorization for and the appointments to a  
26 joint interim study committee shall be filed with the chief clerk.  
27 Individual joint interim study committees may not be authorized or

H.R. No. 2

2                   CHAPTER A. QUORUM AND ATTENDANCE

3           Sec. 1. QUORUM. Two-thirds of the house shall constitute a  
4 quorum to do business.

5           Sec. 2. ROLL CALLS. On every roll call or registration,  
6 the names of the members shall be called or listed, as the case may  
7 be, alphabetically by surname, except when two or more have the same  
8 surname, in which case the initials of the members shall be added.

9           Sec. 3. LEAVE OF ABSENCE. (a) No member shall be absent  
10 from the sessions of the house without leave, and no member shall be  
11 excused on his or her own motion.

12           (b) A leave of absence may be granted by a majority vote of  
13 the house and may be revoked at any time by a similar vote.

16 while the house is in session shall be so designated on each roll  
17 call or registration for which that member is excused.

18           Sec. 4. FAILURE TO ANSWER ROLL CALL. Any member who is  
19 present and fails or refuses to record on a roll call after being  
20 requested to do so by the speaker shall be recorded as present by  
21 the speaker and shall be counted for the purpose of making a quorum.

22           Sec. 5. POINT OF ORDER OF "NO QUORUM." (a) The point of  
23 order of "No Quorum" shall not be accepted by the chair if the last  
24 roll call showed the presence of a quorum, provided the last roll  
25 call was taken within two hours of the time the point of order is  
26 raised.

27           (b) If the last roll call was taken more than two hours

1 before the point of order is raised, it shall be in order for the  
2 member who raised the point of order to request a roll call. Such a  
3 request must be seconded by 25 members. If the request for a roll  
4 call is properly seconded, the chair shall order a roll call.

5 (c) Once a point of order has been made that a quorum is not  
6 present, it may not be withdrawn after the absence of a quorum has  
7 been ascertained and announced.

8 Sec. 6. MOTIONS IN ORDER WHEN QUORUM NOT PRESENT. If a  
9 registration or record vote reveals that a quorum is not present,  
10 only a motion to adjourn or a motion for a call of the house and the  
11 motions incidental thereto shall be in order.

12 Sec. 7. MOTION FOR CALL OF THE HOUSE. It shall be in order

17 (2) for the consideration of any designated class of  
18 bills; or

19 (3) for a definite period of time.

20 Motions for, and incidental to, a call of the house are not  
21 debatable.

22 Sec. 8. SECURING A QUORUM. When a call of the house is

24 whom the speaker may be one) and ordered by a majority vote, the  
25 main entrance to the hall and all other doors leading out of the  
26 hall shall be locked and no member permitted to leave the house  
27 without the written permission of the speaker. The names of members

1 present shall be recorded. All absentees for whom no sufficient  
2 excuse is made may, by order of a majority of those present, be sent  
3 for and arrested, wherever they may be found, by the  
4 sergeant-at-arms or an officer appointed by the sergeant-at-arms  
5 for that purpose, and their attendance shall be secured and  
6 retained. The house shall determine on what conditions they shall  
7 be discharged. Members who voluntarily appear shall, unless the  
8 house otherwise directs, be immediately admitted to the hall of the  
9 house and shall report their names to the clerk to be entered in the  
10 journal as present.

11       Until a quorum appears, should the roll call fail to show one  
12 present, no business shall be transacted, except to compel the  
13 attendance of absent members or to adjourn. It shall not be in  
14 order to recess under a call of the house.

15       Sec. 9. FOLLOWING ACHIEVEMENT OF A QUORUM. When a quorum  
16 is shown to be present, the house may proceed with the matters on  
17 which the call was ordered, or may enforce the call and await the  
18 attendance of as many of the absentees as it desires. When the  
19 house proceeds to the business on which the call was ordered, it  
20 may, by a majority vote, direct the sergeant-at-arms to cease  
21 bringing in absent members.

22       Sec. 10. REPEATING A RECORD VOTE. When a record vote  
23 reveals the lack of a quorum, and a call is ordered to secure one, a  
24 record vote shall again be taken when the house resumes business  
25 with a quorum present.

26                   CHAPTER B. ADMITTANCE TO HOUSE CHAMBER

27       Sec. 11. PRIVILEGES OF THE HOUSE FLOOR. Only the following

1 persons shall be entitled to the privileges of the floor of the  
2 house when the house is in session: members of the house; employees  
3 of the house when performing their official duties as determined by  
4 the Committee on House Administration; members of the senate;  
5 employees of the senate when performing their official duties; the  
6 Governor of Texas and the governor's executive and administrative  
7 assistant; the lieutenant governor; the secretary of state; duly  
8 accredited reporters, photographers, correspondents, and  
9 commentators of press, radio, and television who have complied with  
10 Sections 20(a), (b), (c), and (d) of this rule; contestants in  
11 election cases pending before the house; and immediate families of  
12 the members of the legislature on such special occasions as may be  
13 determined by the Committee on House Administration.

14       Sec. 12. ADMITTANCE WITHIN THE RAILING. Only the following  
15 persons shall be admitted to the area on the floor of the house  
16 enclosed by the railing when the house is in session: members of  
17 the house; members of the senate; the governor; the lieutenant  
18 governor; officers and employees of the senate and house when those  
19 officers and employees are actually engaged in performing their  
20 official duties as determined by the Committee on House  
21 Administration; spouses of members of the house on such occasions  
22 as may be determined by the Committee on House Administration; and,  
23 within the area specifically designated for media  
24 representatives, duly accredited reporters, photographers,  
25 correspondents, and commentators of press, radio, and television  
26 who have complied with Sections 20(a), (b), (c), and (d) of this  
27 rule.

1           Sec. 13. SOLICITORS AND COLLECTORS PROHIBITED. Solicitors  
2 and collectors shall not be admitted to the floor of the house while  
3 the house is in session.

4           Sec. 14. INVITATION TO ADDRESS THE HOUSE. A motion to  
5 invite a person to address the house while it is in session shall be  
6 in order only if the person invited is entitled to the privileges of  
7 the floor as defined by Section 11 of this rule and if no business is  
8 pending before the house.

9           Sec. 15. LOBBYING ON FLOOR. No one, except the governor or  
10 a member of the legislature, who is lobbying or working for or  
11 against any pending or prospective legislative measure shall be  
12 permitted on the floor of the house or in the adjacent rooms while  
13 the house is in session.

14          Sec. 16. SUSPENSION OF FLOOR PRIVILEGES. If any person  
15 admitted to the floor of the house under the rules, except the  
16 governor or a member of the legislature, lobbies or works for or  
17 against any pending or prospective legislation or violates any of  
18 the other rules of the house, the privileges extended to that person  
19 under the rules shall be suspended by a majority vote of the  
20 Committee on House Administration. The action of the committee  
21 shall be reviewable by the house only if two members of the  
22 committee request an appeal from the decision of the committee. The  
23 request shall be in the form of a minority report and shall be  
24 subject to the same rules that are applicable to minority reports on  
25 bills. Suspension shall remain in force until the accused person  
26 purges himself or herself and comes within the rules, or until the  
27 house, by majority vote, reverses the action of the committee.

1           Sec. 17. MEMBERS LOUNGE PRIVILEGES. Only the following  
2 persons shall be admitted to the members lounge at any  
3 time: members of the house; members of the senate; and former  
4 members of the house and senate who are not engaged in any form of  
5 employment requiring them to lobby or work for or against any  
6 pending or prospective legislative measures.

7           Sec. 18. FLOOR DUTIES OF HOUSE OFFICERS AND EMPLOYEES. It  
8 shall be the duty of the Committee on House Administration to  
9 determine what duties are to be discharged by officers and  
10 employees of the house on the floor of the house, specifically in  
11 the area enclosed by the railing, when the house is in session. It  
12 shall be the duty of the speaker to see that the officers and  
13 employees do not violate the regulations promulgated by the  
14 Committee on House Administration.

15           Sec. 19. PROPER DECORUM. No person shall be admitted to,  
16 or allowed to remain in, the house chamber while the house is in  
17 session unless properly attired, and all gentlemen shall wear a  
18 coat and tie. Food or beverage shall not be permitted in the house  
19 chamber at any time, and no person carrying food or beverage shall  
20 be admitted to the chamber, whether the house is in session or in  
21 recess. Reading newspapers shall not be permitted in the house  
22 chamber while the house is in session. Smoking is not permitted in  
23 the member's lounge or bathrooms. The Committee on House  
24 Administration shall designate an area for smoking that is easily  
25 accessible to the house chamber.

26           Sec. 20. MEDIA ACCESS TO HOUSE CHAMBER. (a) When the  
27 house is in session, no media representative shall be admitted to

1 the floor of the house or allowed its privileges unless the person  
2 is a salaried staff correspondent, reporter, or photographer  
3 regularly employed by a newspaper, a press association or news  
4 service serving newspapers, a publication requiring telegraphic  
5 coverage, or a duly licensed radio or television station or  
6 network.

7 (b) Any media representative seeking admission to the floor  
8 of the house under the provisions of Subsection (a) of this section  
9 must present to the Committee on House Administration fully  
10 accredited credentials from his or her employer certifying that the  
11 media representative is engaged primarily in reporting the sessions  
12 of the legislature. Regularly accredited media representatives who  
13 have duly qualified under the provisions of this section may, when  
14 requested to do so, make recommendations through their professional  
15 committees to the Committee on House Administration as to the  
16 sufficiency or insufficiency of the credentials of any person  
17 seeking admission to the floor of the house under this section.

18 Every media representative, before being admitted to the  
19 floor of the house during its sessions, shall file with the  
20 Committee on House Administration a written statement showing the  
21 paper or papers, press association, news service, publication  
22 requiring telegraphic coverage, or radio or television station or  
23 network which he or she represents and certifying that no part of  
24 his or her salary for legislative coverage is paid by any person,  
25 firm, corporation, or association except the listed news media  
26 which he or she represents.

27 (c) If the Committee on House Administration determines

1 that a person's media credentials meet the requirements of this  
2 section, the committee shall issue a pass card to the person. This  
3 pass card must be presented to the doorkeeper each time the person  
4 seeks admission to the floor of the house while the house is in  
5 session. Pass cards issued under this section shall not be  
6 transferable. Persons admitted to the floor of the house pursuant  
7 to the provisions of this section shall work in appropriate  
8 convenient seats or work stations in the house, which shall be  
9 designated for that purpose by the Committee on House  
10 Administration.

11 (d) Members of the house shall not engage in interviews and  
12 press conferences on the house floor while the house is in session.  
13 The Committee on House Administration is authorized to enforce this  
14 provision and to prescribe such other regulations as may be  
15 necessary and desirable to achieve these purposes. Persons  
16 governed by this subsection shall be subject to the provisions of  
17 Section 15 of this rule.

18 (e) Permission to make live or recorded television or radio  
19 broadcasts in or from the house chamber while the house is in  
20 session may be granted only by the Committee on House  
21 Administration. The committee shall promulgate regulations  
22 governing television or radio broadcasts, and such regulations  
23 shall be printed as an addendum to the rules of the house. When  
24 television or radio broadcasts from the floor of the house are  
25 recommended by the Committee on House Administration, the  
26 recommendation shall identify those persons in the technical crews  
27 to whom pass cards to the floor of the house and galleries are to be

1 issued. Passes granted under this authority shall be subject to  
2 revocation on the recommendation of the Committee on House  
3 Administration. Each committee of the house shall have authority  
4 to determine whether or not to permit television or radio  
5 broadcasts of any of its proceedings.

6       Sec. 21. PUBLIC ADMISSION TO AND NONLEGISLATIVE USE OF THE  
7 HOUSE CHAMBER. When the house is not in session, the floor of the  
8 house shall remain open on days and hours determined by the  
9 Committee on House Administration. By resolution, the house may  
10 open the floor of the house during its sessions for the inauguration  
11 of the governor and lieutenant governor and for such other public  
12 ceremonies as may be deemed warranted.

13                   CHAPTER C. SPEAKING AND DEBATE

14       Sec. 22. ADDRESSING THE HOUSE. When a member desires to  
15 speak or deliver any matter to the house, the member shall rise and  
16 respectfully address the speaker as "Mr. (or Madam) Speaker" and,  
17 on being recognized, may address the house from the microphone at  
18 the reading clerk's desk, and shall confine all remarks to the  
19 question under debate, avoiding personalities.

20       Sec. 23. WHEN TWO MEMBERS RISE AT ONCE. When two or more  
21 members rise at once, the speaker shall name the one who is to speak  
22 first. This decision shall be final and not open to debate or  
23 appeal.

24       Sec. 24. RECOGNITION. (a) Except as otherwise provided  
25 by this section, there [~~There~~] shall be no appeal from the speaker's  
26 recognition, but the speaker shall be governed by rules and usage in  
27 priority of entertaining motions from the floor. When a member

1 seeks recognition, the speaker may ask, "For what purpose does the  
2 member rise?" or "For what purpose does the member seek  
3 recognition?" and may then decide if recognition is to be granted,  
4 except that the speaker shall recognize a member who seeks  
5 recognition on a question of privilege.

6 (b) If the speaker denies recognition of a member who seeks  
7 recognition on a question of privilege, other than a question of  
8 privilege relating to the right of the house to remove the speaker  
9 and elect a new speaker, the decision of recognition may be appealed  
10 using the procedures provided in Rule 1, Section 9.

11 (c) If the speaker denies recognition of a member who seeks  
12 recognition on a question of privilege relating to the right of the  
13 house to remove the speaker and elect a new speaker, the member may  
14 appeal the speaker's denial of recognition if the member submits to  
15 the speaker a written request, signed by at least 76 members of the  
16 house, to appeal the decision of recognition. Upon receiving a  
17 request for appeal in accordance with this subsection, the speaker  
18 shall announce the request to the house. The names of the members  
19 who signed the request and the time that the announcement was made  
20 shall be entered in the journal. The appeal of a decision of  
21 recognition under this subsection is eligible for consideration 24  
22 hours after the request for appeal has been announced in accordance  
23 with this subsection. The appeal and consideration of the question  
24 of privilege, if the appeal is successful, takes precedence over  
25 all other questions except motions to adjourn.

26 Sec. 25. INTERRUPTION OF A MEMBER WHO HAS THE FLOOR. A  
27 member who has the floor shall not be interrupted by another member

1 for any purpose, unless he or she consents to yield to the other  
2 member. A member desiring to interrupt another in debate should  
3 first address the speaker for the permission of the member  
4 speaking. The speaker shall then ask the member who has the floor  
5 if he or she wishes to yield, and then announce the decision of that  
6 member. The member who has the floor may exercise personal  
7 discretion as to whether or not to yield, and it is entirely within  
8 the member's discretion to determine who shall interrupt and when.

9       Sec. 26. YIELDING THE FLOOR. A member who obtains the  
10 floor on recognition of the speaker may not be taken off the floor  
11 by a motion, even the highly privileged motion to adjourn, but if  
12 the member yields to another to make a motion or to offer an  
13 amendment, he or she thereby loses the floor.

14       Sec. 27. RIGHT TO OPEN AND CLOSE DEBATE. The mover of any  
15 proposition, or the member reporting any measure from a committee,  
16 or, in the absence of either of them, any other member designated by  
17 such absentee, shall have the right to open and close the debate,  
18 and for this purpose may speak each time not more than 20 minutes.

19       Sec. 28. TIME LIMITS ON SPEECHES. All speeches shall be  
20 limited to 10 minutes in duration, except as provided in Section 27  
21 of this rule, and the speaker shall call the members to order at the  
22 expiration of their time. If the house by a majority vote extends  
23 the time of any member, the extension shall be for 10 minutes only.  
24 A second extension of time shall be granted only by unanimous  
25 consent. During the last 10 calendar days of the regular session,  
26 and the last 5 calendar days of a special session, Sundays excepted,  
27 all speeches shall be limited to 10 minutes and shall not be

1 extended. The time limits established by this rule shall include  
2 time consumed in yielding to questions from the floor.

3       Sec. 29. LIMIT ON NUMBER OF TIMES TO SPEAK. No member shall  
4 speak more than twice on the same question without leave of the  
5 house, nor more than once until every member choosing to speak has  
6 spoken, nor shall any member be permitted to consume the time of  
7 another member without leave of the house being given by a majority  
8 vote.

9       Sec. 30. EFFECT OF ADJOURNMENT ON SPEAKING LIMIT. If a  
10 pending question is not disposed of because of an adjournment of the  
11 house, a member who has spoken twice on the subject shall not be  
12 allowed to speak again without leave of the house.

13       Sec. 31. OBJECTION TO READING A PAPER. When the reading of  
14 a paper is called for, and objection is made, the matter shall be  
15 determined by a majority vote of the house, without debate.

16       Sec. 32. PASSING BETWEEN MICROPHONES DURING DEBATE. No  
17 person shall pass between the front and back microphones during  
18 debate or when a member has the floor and is addressing the house.

19       Sec. 33. TRANSGRESSION OF RULES WHILE SPEAKING. If any  
20 member, in speaking or otherwise, transgresses the rules of the  
21 house, the speaker shall, or any member may, call the member to  
22 order, in which case the member so called to order shall immediately  
23 be seated; however, that member may move for an appeal to the house,  
24 and if appeal is duly seconded by 10 members, the matter shall be  
25 submitted to the house for decision by majority vote. In such  
26 cases, the speaker shall not be required to relinquish the chair, as  
27 is required in cases of appeals from the speaker's decisions. The

1 house shall, if appealed to, decide the matter without debate. If  
2 the decision is in favor of the member called to order, the member  
3 shall be at liberty to proceed; but if the decision is against the  
4 member, he or she shall not be allowed to proceed, and, if the case  
5 requires it, shall be liable to the censure of the house, or such  
6 other punishment as the house may consider proper.

7           Sec. 34. ELECTRONIC           RECORDING           OF           ALL           HOUSE  
8 PROCEEDINGS. All proceedings of the house of representatives  
9 shall be electronically recorded under the direction of the  
10 Committee on House Administration. Copies of the proceedings may  
11 be released under guidelines promulgated by the Committee on House  
12 Administration.

13                           CHAPTER D. QUESTIONS OF PRIVILEGE

14           Sec. 35. QUESTIONS OF PRIVILEGE DEFINED. Questions of  
15 privilege shall be:

16                   (1) those affecting the rights of the house  
17 collectively, its safety and dignity, and the integrity of its  
18 proceedings, including the right of the house to remove the speaker  
19 and elect a new speaker; and

20                   (2) those affecting the rights, reputation, and  
21 conduct of members individually in their representative capacity  
22 only.

23           Sec. 36. PRECEDENCE OF QUESTIONS OF PRIVILEGE. Questions  
24 of privilege shall have precedence over all other questions except  
25 motions to adjourn. When in order, a member may address the house  
26 on a question of privilege, or may at any time print it in the  
27 journal, provided it contains no reflection on any member of the

1 house.

2           Sec. 37. WHEN QUESTIONS OF PRIVILEGE NOT IN ORDER. (a)  
3 It shall not be in order for a member to address the house on a  
4 question of privilege:

5           (1) between the time an undebatable motion is offered  
6 and the vote is taken on the motion;

7           (2) between the time the previous question is ordered  
8 and the vote is taken on the last proposition included under the  
9 previous question; or

10           (3) between the time a motion to table is offered and  
11 the vote is taken on the motion.

12           (b) If a question of privilege relating to removal of the  
13 speaker and election of a new speaker fails, a subsequent attempt to  
14 remove the same speaker can be made only by reconsidering the vote  
15 by which the original question of privilege failed. Such  
16 reconsideration shall be subject to the rules of the house  
17 governing reconsideration.

18           Sec. 38. CONFINING REMARKS TO QUESTION OF PRIVILEGE;  
19 INTERRUPTIONS PROHIBITED. (a) When speaking on privilege,  
20 members must confine their remarks within the limits of Section 35  
21 of this rule, which will be strictly construed to achieve the  
22 purposes hereof.

23           (b) When a member is speaking on privilege, the member shall  
24 not be interrupted by another member for any purpose. While the  
25 member is speaking, another member may submit a question of order to  
26 the speaker in writing or by approaching the podium in person. The  
27 member submitting the question of order shall not interrupt the

1 member who is speaking. The speaker may interrupt the member who is  
2 speaking if the speaker determines it is appropriate to address the  
3 question of order at that time.

4       Sec. 39. DISCUSSION OF MERITS OF MOTION FORBIDDEN. Merits  
5 of a main or subsidiary motion shall not be discussed or debated  
6 under the guise of speaking to a question of privilege.

7                                   CHAPTER E. VOTING

8       Sec. 40. RECORDING ALL VOTES ON VOTING MACHINE. On all  
9 votes, except viva voce votes, members shall record their votes on  
10 the voting machine and shall not be recognized by the chair to cast  
11 their votes from the floor. If a member attempts to vote from the  
12 floor, the speaker shall sustain a point of order directed against  
13 the member's so doing. This rule shall not be applicable to the  
14 mover or the principal opponent of the proposition being voted on  
15 nor to a member whose voting machine is out of order. If a member  
16 demands strict enforcement of this section, Section 47 shall not  
17 apply to the taking of a vote, and the house may discipline a member  
18 in violation of this rule pursuant to its inherent authority.

19       Sec. 41. REGISTRATION EQUIVALENT TO ROLL CALL VOTE. A  
20 registration or vote taken on the voting machine of the house shall  
21 in all instances be considered the equivalent of a roll call or yea  
22 and nay vote, which might be had for the same purpose.

23       Sec. 42. DISCLOSURE OF PERSONAL OR PRIVATE INTEREST. Any  
24 member who has a personal or private interest in any measure or bill  
25 proposed or pending before the house shall disclose the fact and not  
26 vote thereon.

27       Sec. 43. DIVIDING THE QUESTION. By a majority vote of the

1 house, a quorum being present, the question shall be divided, if it  
2 includes propositions so distinct in substance that, one being  
3 taken away, a substantive proposition remains. A motion for a  
4 division vote cannot be made after the previous question has been  
5 ordered, after a motion to table has been offered, after the  
6 question has been put, nor after the yeas and nays have been  
7 ordered. Under this subsection, the speaker may divide the  
8 question into groups of propositions that are closely related.

9       Sec. 44. FAILURE OR REFUSAL TO VOTE. Any member who is  
10 present and fails or refuses to vote after being requested to do so  
11 by the speaker shall be recorded as present but not voting, and  
12 shall be counted for the purpose of making a quorum.

13       Sec. 45. PRESENCE IN HOUSE REQUIRED IN ORDER TO VOTE. A  
14 member must be on the floor of the house or in an adjacent room or  
15 hallway on the same level as the house floor, in order to vote.

16       Sec. 46. LOCKING VOTING MACHINES OF ABSENT MEMBERS. During  
17 each calendar day in which the house is in session, it shall be the  
18 duty of the journal [~~voting~~] clerk to lock the voting machine of  
19 each member who is excused or who is otherwise known to be absent.  
20 Each such machine shall remain locked until the member in person  
21 contacts the journal clerk and personally requests the unlocking of  
22 the machine. Unless otherwise directed by the speaker, the journal  
23 [~~voting~~] clerk shall not unlock any machine except at the personal  
24 request of the member to whom the machine is assigned. Any  
25 violation, or any attempt by a member or employee to circumvent the  
26 letter or spirit of this section, shall be reported immediately to  
27 the speaker for such disciplinary action by the speaker, or by the

1 house, as may be warranted under the circumstances.

2           Sec. 47. VOTING FOR ANOTHER MEMBER. Any member found  
3 guilty by the house of knowingly voting for another member on the  
4 voting machine without that other member's permission shall be  
5 subject to discipline deemed appropriate by the house.

6           Sec. 48. INTERRUPTION OF A ROLL CALL. Once a roll call has  
7 begun, it may not be interrupted for any reason. While a yea and nay  
8 vote is being taken, or the vote is being counted, no member shall  
9 visit the reading clerk's desk or the voting clerk's desk.

10           Sec. 49. EXPLANATION OF VOTE. (a) No member shall be  
11 allowed to interrupt the vote or to make any explanation of a vote  
12 that the member is about to give after the voting machine has been  
13 opened, but may record in the journal the reasons for giving such a  
14 vote.

15           (b) A "Reason for Vote" must be in writing and filed with the  
16 journal clerk. If timely received, the "Reason for Vote" shall be  
17 printed immediately following the results of the vote in the  
18 journal. Otherwise, "Reasons for Vote" shall be printed in a  
19 separate section at the end of the journal for the day on which the  
20 reasons were recorded with the journal clerk. Such "Reason for  
21 Vote" shall not deal in personalities or contain any personal  
22 reflection on any member of the legislature, the speaker, the  
23 lieutenant governor, or the governor, and shall not in any other  
24 manner transgress the rules of the house relating to decorum and  
25 debate.

26           (c) A member absent when a vote was taken may file with the  
27 journal clerk while the house is in session a statement of how the

1 member would have voted if present. If timely received, the  
2 statement shall be printed immediately following the results of the  
3 vote in the journal. Otherwise, statements shall be printed in a  
4 separate section at the end of the journal for the day on which the  
5 statements were recorded with the journal clerk.

6       Sec. 50. PAIRS. (a) All pairs must be announced before  
7 the vote is declared by the speaker, and a written statement sent to  
8 the journal clerk. The statement must be signed by the absent  
9 member to the pair, or the member's signature must have been  
10 authorized in writing[~~, by telegraph,~~] or by telephone, and  
11 satisfactory evidence presented to the speaker if deemed necessary.  
12 If authorized in writing, the writing shall be delivered to the  
13 chief clerk by personal delivery or by commercially acceptable  
14 means of delivery, including electronic transmission by PDF or  
15 similar secure format that is capable of transmitting an accurate  
16 image of the member's signature. If authorized by telephone, the  
17 call must be to and confirmed by the chief clerk in advance of the  
18 vote to which it applies. Pairs shall be entered in the journal,  
19 and the member present shall be counted to make a quorum.

20       (b) The speaker may not refuse to recognize a pair that  
21 complies with the requirements of Subsection (a), if both members  
22 consent to the pair.

23       Sec. 51. ENTRY OF YEA AND NAY VOTE IN JOURNAL; EFFECT OF  
24 APPROVAL OF BILL OR JOINT RESOLUTION WITHOUT OBJECTION. (a) At the  
25 desire of any member present, the yeas and nays of the members of  
26 the house on any question shall be taken and entered in the journal.  
27 No member or members shall be allowed to call for a yea and nay vote

1 after a vote has been declared by the speaker.

2 (b) A motion to expunge a yea and nay vote from the journal  
3 shall not be in order.

4 (c) The yeas and nays of the members of the house on final  
5 passage of any bill, and on any joint resolution proposing or  
6 ratifying a constitutional amendment, shall be taken and entered in  
7 the journal. For purposes of this subsection, a vote on final  
8 passage means a vote on:

9 (1) third reading;

10 (2) second reading if the house suspends or otherwise  
11 dispenses with the requirement for three readings;

12 (3) whether to concur in the senate's amendments; or

13 (4) whether to adopt a conference committee report.

14 ~~[(d) Passage of a bill or joint resolution "without~~  
15 ~~objection" is the functional equivalent of a recorded vote in that~~  
16 ~~the journal will show that every member present must have favored~~  
17 ~~passage of the measure unless the member exercised the opportunity~~  
18 ~~to register the member's vote otherwise. However, passage of a bill~~  
19 ~~or joint resolution "without objection" does not satisfy a~~  
20 ~~requirement that the vote be taken by yeas and nays and entered in~~  
21 ~~the journal under the Texas Constitution or another rule, including~~  
22 ~~Rule 8, Section 19, relating to the vote required for a bill to have~~  
23 ~~immediate effect.]~~

24 Sec. 51A. REAL-TIME ACCESS BY PUBLIC TO YEAS AND NAYS. The  
25 Committee on House Administration shall ensure that:

26 (1) the recorded yeas and nays are available to the  
27 public on the Internet and on any televised broadcast of the house

1 proceedings produced by or under the direction of the house; and

2 (2) members of the public may view the yeas and nays in  
3 real time to the extent possible on the Internet and on any  
4 televised broadcast of the house proceedings produced by or under  
5 the direction of the house [~~not later than one hour after the time~~  
6 ~~the yeas and nays have been taken and the speaker has declared the~~  
7 ~~result of the vote~~].

8 Sec. 52. JOURNAL RECORDING OF VOTES ON ANY QUESTION. On  
9 any question where a record of the yeas and nays has not been  
10 ordered, members may have their votes recorded in the journal as  
11 "yea" or "nay" by filing such information with the journal clerk  
12 before adjournment or recess to another calendar day.

13 Sec. 53. CHANGING A VOTE. Before the result of a vote has  
14 been finally and conclusively pronounced by the chair, but not  
15 thereafter, a member may change his or her vote; however, if a  
16 member's vote is erroneous, the member shall be allowed to change  
17 that vote at a later time provided:

18 (1) the result of the record vote is not changed  
19 thereby;

20 (2) the request is made known to the house by the chair  
21 and permission for the change is granted by unanimous consent; and

22 (3) a notation is made in the journal that the member's  
23 vote was changed.

24 Sec. 54. TIE VOTE. All matters on which a vote may be taken  
25 by the house shall require for adoption a favorable affirmative  
26 vote as required by these rules, and in the case of a tie vote, the  
27 matter shall be considered lost.

1           Sec. 55. VERIFICATION OF A YEA AND NAY VOTE. When the  
2 result of a yea and nay vote is close, the speaker may on the request  
3 of any member order a verification vote, or the speaker may order a  
4 verification on his or her own initiative. During verification, no  
5 member shall change a vote unless it was erroneously recorded, nor  
6 may any member not having voted cast a vote; however, when the clerk  
7 errs in reporting the yeas and nays, and correction thereof leaves  
8 decisive effect to the speaker's vote, the speaker may exercise the  
9 right to vote, even though the result has been announced. A  
10 verification shall be called for immediately after the vote is  
11 announced. The speaker shall not entertain a request for  
12 verification after the house has proceeded to the next question, or  
13 after a recess or an adjournment. A vote to recess or adjourn, like  
14 any other proposition, may be verified. Only one vote verification  
15 can be pending at a time. A verification may be dispensed with by a  
16 two-thirds vote.

17           Sec. 56. VERIFICATION OF A REGISTRATION. The speaker may  
18 allow the verification of a registration (as differentiated from a  
19 record vote) if in the speaker's opinion there is serious doubt as  
20 to the presence of a quorum.

21           Sec. 57. MOTION FOR A CALL OF THE HOUSE PENDING  
22 VERIFICATION. A motion for a call of the house, and all incidental  
23 motions relating to it, shall be in order pending the verification  
24 of a vote. These motions must be made before the roll call on  
25 verification begins, and it shall not be in order to break into the  
26 roll call to make them.

27           Sec. 58. ERRONEOUS ANNOUNCEMENT OF THE RESULT OF A

1 VOTE. If, by an error of the voting clerk or reading clerk in  
2 reporting the yeas and nays from a registration or verification,  
3 the speaker announces a result different from that shown by the  
4 registration or verification, the status of the question shall be  
5 determined by the vote as actually recorded. If the vote is  
6 erroneously announced in such a way as to change the true result,  
7 all subsequent proceedings in connection therewith shall fail, and  
8 the journal shall be amended accordingly.

1                   RULE 6. ORDER OF BUSINESS AND CALENDARS

2           Sec. 1. DAILY ORDER OF BUSINESS. (a) When the house  
3 convenes on a new legislative day, the daily order of business shall  
4 be as follows:

5                   (1) Call to order by speaker.

6                   (2) Registration of members.

7                   (3) Prayer by chaplain, unless the invocation has been  
8 given previously on the particular calendar day.

9                   (4) Pledge of allegiance to the United States flag.

10                   (5) Pledge of allegiance to the Texas flag.

11                   (6) Excuses for absence of members and officers.

12                   (7) First reading and reference to committee of bills  
13 filed with the chief clerk; and motions to introduce bills, when  
14 such motions are required.

15                   (8) Requests to print bills and other papers; requests  
16 of committees for further time to consider papers referred to them;  
17 and all other routine motions and business not otherwise provided  
18 for, all of which shall be undebatable except that the mover and one  
19 opponent of the motion shall be allowed three minutes each.

20           The mover of a routine motion shall be allowed his or her  
21 choice of making the opening or the closing speech under this rule.  
22 If the house, under a suspension of the rules, extends the time of a  
23 member under this rule, such extensions shall be for three minutes.  
24 Subsidiary motions that are applicable to routine motions shall be  
25 in order, but the makers of such subsidiary motions shall not be  
26 entitled to speak thereon in the routine motion period, nor shall  
27 the authors of the original routine motions be allowed any

1 additional time because of subsidiary motions.

2 (9) Unfinished business.

3 (10) Third reading calendars of the house in their  
4 order of priority in accordance with Section 7 of this rule, unless  
5 a different order is determined under other provisions of these  
6 rules.

7 (11) Postponed matters to be laid before the house in  
8 accordance with Rule 7, Section 15.

9 (12) Second reading calendars [~~(11) Calendars~~] of  
10 the house in their order of priority in accordance with Section 7 of  
11 this rule, unless a different order is determined under other  
12 provisions of these rules.

13 (b) When the house reconvenes for the first time on a new  
14 calendar day following a recess, the daily order of business shall  
15 be:

16 (1) Call to order by the speaker.

17 (2) Registration of members.

18 (3) Prayer by the chaplain.

19 (4) Pledge of allegiance to the United States flag.

20 (5) Pledge of allegiance to the Texas flag.

21 (6) Excuses for absence of members and officers.

22 (7) Pending business.

23 (8) Calendars of the house in their order of priority  
24 in accordance with Section 7 of this rule, unless a different order  
25 is determined under other provisions of these rules.

26 Sec. 2. SPECIAL ORDERS. (a) Any bill, resolution, or  
27 other measure may on any day be made a special order for the same day

1 or for a future day of the session by an affirmative vote of  
2 two-thirds of the members present. A motion to set a special order  
3 shall be subject to the three-minute pro and con debate rule. When  
4 once established as a special order, a bill, resolution, or other  
5 measure shall be considered from day to day until disposed of; and  
6 until it has been disposed of, no further special orders shall be  
7 made.

8 A three-fourths vote of the members present shall be required  
9 to suspend the portion of this rule which specifies that only one  
10 special order may be made and pending at a time.

11 (b) After the first eight items under the daily order of  
12 business for a legislative day have been passed, a special order  
13 shall have precedence when the hour for its consideration has  
14 arrived, except as provided in Section 9 of this rule.

15 (c) After the 115th day of a regular session, if a joint  
16 resolution has appeared on a daily house calendar and is adopted,  
17 and a bill that is enabling legislation for the joint resolution is  
18 either on or eligible to be placed on a calendar, the author or  
19 sponsor of the bill or another member may immediately be recognized  
20 for a motion to set the bill that is the enabling legislation as a  
21 special order pursuant to this section. For purposes of this  
22 subsection, the bill must have been designated as the enabling  
23 legislation for the joint resolution in writing filed with the  
24 chief clerk not later than the date the committee report for the  
25 enabling legislation is printed and distributed.

26 Sec. 3. POSTPONEMENT OF A SPECIAL ORDER. A special order  
27 may be postponed to a day certain by a two-thirds vote of those

1 present, and when so postponed, shall be considered as disposed of  
2 so far as its place as a special order is concerned.

3       Sec. 4. TABLED MEASURES AS SPECIAL ORDERS. A bill or  
4 resolution laid on the table subject to call may be made a special  
5 order.

6       Sec. 5. SUBSTITUTION IN MOTION FOR A SPECIAL ORDER. When a  
7 motion is pending to set a particular bill or resolution as a  
8 special order, it shall not be in order to move as a substitute to  
9 set another bill or resolution as a special order. It shall be in  
10 order, however, to substitute, by majority vote, a different time  
11 for the special order consideration than that given in the original  
12 motion.

13       Sec. 6. MEMBER'S SUSPENSION AND SPECIAL ORDER PRIVILEGES.  
14 If a member moves to set a bill or joint resolution as a special  
15 order, or moves to suspend the rules to take up a bill or joint  
16 resolution out of its regular order, and the motion prevails, the  
17 member shall not have the right to make either of these motions  
18 again until every other member has had an opportunity, via either of  
19 these motions, to have some bill or joint resolution considered out  
20 of its regular order during that session of the legislature. A  
21 member shall not lose the suspension privilege if the motion to  
22 suspend or set for special order does not prevail.

23       Sec. 7. SYSTEM OF CALENDARS. (a) Legislative business of  
24 the house shall be controlled by a system of calendars, consisting  
25 of the following:

26               (1) EMERGENCY CALENDAR, on which shall appear bills  
27 considered to be of such pressing and imperative import as to demand

1 immediate action, bills to raise revenue and levy taxes, and the  
2 general appropriations bill. A bill submitted as an emergency  
3 matter by the governor may also be placed on this calendar.

4 (2) MAJOR STATE CALENDAR, on which shall appear bills  
5 of statewide effect, not emergency in nature, which establish or  
6 change state policy in a major field of governmental activity and  
7 which will have a major impact in application throughout the state  
8 without regard to class, area, or other limiting factors.

9 (3) CONSTITUTIONAL AMENDMENTS CALENDAR, on which  
10 shall appear joint resolutions proposing amendments to the Texas  
11 Constitution, joint resolutions proposing the ratification of  
12 amendments to the Constitution of the United States, and joint  
13 resolutions applying to Congress for a convention to amend the  
14 Constitution of the United States.

15 (4) GENERAL STATE CALENDAR, on which shall appear  
16 bills of statewide effect, not emergency in nature, which establish  
17 or change state law and which have application to all areas but are  
18 limited in legal effect by classification or other factors which  
19 minimize the impact to something less than major state policy, and  
20 bills, not emergency in nature, which are not on the local, consent,  
21 and resolutions calendar.

22 (5) LOCAL, CONSENT, AND RESOLUTIONS CALENDAR, on which  
23 shall appear bills, house resolutions, and concurrent resolutions,  
24 not emergency in nature, regardless of extent and scope, on which  
25 there is such general agreement as to render improbable any  
26 opposition to the consideration and passage thereof, and which have  
27 been recommended by the appropriate standing committee for

1 placement on the local, consent, and resolutions calendar by the  
2 Committee on Local and Consent Calendars.

3 (6) RESOLUTIONS CALENDAR, on which shall appear house  
4 resolutions and concurrent resolutions, not emergency in nature and  
5 not privileged.

6 (7) CONGRATULATORY AND MEMORIAL RESOLUTIONS CALENDAR,  
7 on which shall appear congratulatory and memorial resolutions whose  
8 sole intent is to congratulate, memorialize, or otherwise express  
9 concern or commendation. The Committee on Rules and Resolutions  
10 may provide separate categories for congratulatory and memorial  
11 resolutions.

12 (b) A calendars committee shall strictly construe and the  
13 speaker shall strictly enforce this system of calendars.

14 Sec. 8. SENATE BILL CALENDARS. (a) Senate bills and  
15 resolutions pending in the house shall follow the same procedure  
16 with regard to calendars as house bills and resolutions, but  
17 separate calendars shall be maintained for senate bills and  
18 resolutions, and consideration of them on senate bill days shall  
19 have priority in the manner and order specified in this rule.

20 (b) No other business shall be considered on days devoted to  
21 the consideration of senate bills when there remain any bills on any  
22 of the senate calendars, except with the consent of the senate. When  
23 all senate calendars are clear, the house may proceed to  
24 consideration of house calendars on senate bill days.

25 Sec. 9. SENATE BILL DAYS. (a) On calendar Wednesday and  
26 on calendar Thursday of each week, only senate bills and senate  
27 resolutions shall be taken up and considered, until disposed of.

1 Senate bills and senate resolutions shall be considered in the  
2 order prescribed in Section 7 of this rule on separate senate  
3 calendars prepared by the Committee on Calendars. In case a senate  
4 bill or senate resolution is pending at adjournment on calendar  
5 Thursday, it shall go over to the succeeding calendar Wednesday as  
6 unfinished business.

7 (b) Precedence given in Rule 8 to certain classes of bills  
8 during the first 60 calendar days of a regular session shall also  
9 apply to senate bills on senate bill days.

10 Sec. 10. CONSIDERATION OF SENATE BILL ON SAME  
11 SUBJECT. When any house bill is reached on the calendar or is  
12 before the house for consideration, it shall be the duty of the  
13 speaker to give the place on the calendar of the house bill to any  
14 senate bill containing the same subject that has been referred to  
15 and reported from a committee of the house and to lay the senate  
16 bill before the house, to be considered in lieu of the house bill.

17 Sec. 11. PERIODS FOR CONSIDERATION OF CONGRATULATORY AND  
18 MEMORIAL CALENDARS. As the volume of legislation shall warrant,  
19 the chair of the Committee on Rules and Resolutions shall move to  
20 designate periods for the consideration of congratulatory and  
21 memorial calendars. Each such motion shall require a two-thirds  
22 vote for its adoption. In each instance, the Committee on Rules and  
23 Resolutions shall prepare and distribute to each member a printed  
24 calendar at least 24 hours in advance of the hour set for  
25 consideration. No memorial or congratulatory resolution will be  
26 heard by the full house without having first been approved, at least  
27 24 hours in advance, by a majority of the membership of the

1 Committee on Rules and Resolutions, in accordance with Rule 4,  
2 Section 16. It shall not be necessary for the Committee on Rules  
3 and Resolutions to report a memorial or congratulatory resolution  
4 from committee in order to place the resolution on a congratulatory  
5 and memorial calendar. If the Committee on Rules and Resolutions  
6 determines that a resolution is not eligible for placement on the  
7 congratulatory and memorial calendar the measure shall be sent to  
8 the Committee on Calendars for further action. A congratulatory  
9 and memorial calendar will contain the resolution number, the  
10 author's name, and a brief description of the intent of the  
11 resolution. On the congratulatory and memorial calendar,  
12 congratulatory resolutions may be listed separately from memorial  
13 resolutions. Once a printed calendar is distributed, no additional  
14 resolutions will be added to it, and the requirements of this  
15 section shall not be subject to suspension.

16       Sec. 12. PROCEDURE FOR CONSIDERATION OF CONGRATULATORY AND  
17 MEMORIAL CALENDARS. During the consideration of a congratulatory  
18 and memorial calendar, resolutions shall not be read in full unless  
19 they pertain to members or former members of the legislature, or  
20 unless the intended recipient of the resolution is present on the  
21 house floor or in the gallery. All other such resolutions shall be  
22 read only by number, type of resolution, and name of the person or  
23 persons designated in the resolutions. Members shall notify the  
24 chair, in advance of consideration of the calendar, of any  
25 resolutions that will be required to be read in full. In addition,  
26 the following procedures shall be observed:

27           (1) The chair shall recognize the reading clerk to

1 read the resolutions within each category on the calendar only by  
2 number, type of resolution, author or sponsor, and name of the  
3 person or persons designated in the resolutions, except for those  
4 resolutions that have been withdrawn or that are required to be read  
5 in full. The resolutions read by the clerk shall then be adopted in  
6 one motion for each category.

7           (2) Subsequent to the adoption of the resolutions read  
8 by the clerk, the chair shall proceed to lay before the house the  
9 resolutions on the calendar that are required to be read in full.  
10 Each such resolution shall be read and adopted individually.

11           (3) If it develops that any resolution on the  
12 congratulatory and memorial calendar does not belong on that  
13 calendar, the chair shall withdraw the resolution from further  
14 consideration, remove it from the calendar, and refer it to the  
15 appropriate calendars committee for placement on the proper  
16 calendar.

17           Sec. 13. PERIODS FOR CONSIDERATION OF LOCAL, CONSENT, AND  
18 RESOLUTIONS CALENDARS. As the volume of legislation shall warrant,  
19 the chair of the Committee on Local and Consent Calendars shall move  
20 to designate periods for the consideration of local, consent, and  
21 resolutions calendars. Each such motion shall require a  
22 two-thirds vote for its adoption. In each instance, the Committee  
23 on Local and Consent Calendars shall prepare and distribute to each  
24 member a printed calendar at least 48 hours in advance of the hour  
25 set for consideration. Once a printed calendar is distributed, no  
26 additional bills or resolutions will be added to it. This  
27 requirement can be suspended only by unanimous consent. No local,

1 consent, and resolutions calendar may be considered by the house if  
2 it is determined that the rules of the house were not complied with  
3 by the Committee on Local and Consent Calendars in preparing that  
4 calendar.

5       Sec. 14. PROCEDURE FOR CONSIDERATION OF LOCAL, CONSENT, AND  
6 RESOLUTIONS CALENDARS. During the consideration of a local,  
7 consent, and resolutions calendar set by the Committee on Local and  
8 Consent Calendars the following procedures shall be observed:

9           (1) The chair shall allow the sponsor of each bill or  
10 resolution three minutes to explain the measure, and the time shall  
11 not be extended except by unanimous consent of the house. This rule  
12 shall have precedence over all other rules limiting time for  
13 debate.

14           (2) If it develops that any bill or resolution on a  
15 local, consent, and resolutions calendar is to be contested on the  
16 floor of the house, the chair shall withdraw the bill or resolution  
17 from further consideration and remove it from the calendar.

18           (3) Any bill or resolution on a local, consent, and  
19 resolutions calendar shall be considered contested if notice is  
20 given by five or more members that they intend to oppose the bill or  
21 resolution, either by a raising of hands or the delivery of written  
22 notice to the chair.

23           (4) Any bill or resolution on a local, consent, and  
24 resolutions calendar shall be considered contested if debate  
25 exceeds 10 minutes. The chair shall strictly enforce this time  
26 limit and automatically withdraw the bill from further  
27 consideration if the time limit herein imposed is exceeded.

1           Sec. 15. ORDER OF CONSIDERATION OF CALENDARS. Except for  
2 local, consent, and resolutions calendars and congratulatory and  
3 memorial calendars, consideration of calendars shall be in the  
4 order named in Section 7 of this rule, subject to any exceptions  
5 ordered by the Committee on Calendars. Bills [~~With respect to a~~  
6 ~~particular calendar, bills~~] and resolutions on third reading shall  
7 have precedence over bills and resolutions on second reading.

8           Sec. 16. DAILY CALENDARS, SUPPLEMENTAL CALENDARS, AND LISTS  
9 OF ITEMS ELIGIBLE FOR CONSIDERATION. (a) Calendars shall be  
10 printed daily when the house is in session. A printed copy of each  
11 calendar shall be placed in the newspaper mailbox of each member at  
12 least 36 hours if convened in regular session and 24 hours if  
13 convened in special session before the calendar may be considered  
14 by the house, except as otherwise provided by these rules for the  
15 calendar on which the general appropriations bill is first eligible  
16 for consideration on second reading when convened in regular  
17 session. Deviations from the calendars as printed and distributed  
18 shall not be permitted except that the Committee on Calendars shall  
19 be authorized to print and distribute, not later than two hours  
20 before the house convenes, a supplemental daily house calendar, on  
21 which shall appear:

22                   (1) bills or resolutions which were passed to third  
23 reading on the previous legislative day;

24                   (2) bills or resolutions which appeared on the Daily  
25 House Calendar for a previous calendar day which were not reached  
26 for floor consideration;

27                   (3) postponed business from a previous calendar day;

1 and

2 (4) notice to take from the table a bill or resolution  
3 which was laid on the table subject to call on a previous  
4 legislative day.

5 In addition to the items listed above, the bills and  
6 resolutions from a daily house calendar that will be eligible for  
7 consideration may be incorporated, in their proper order as  
8 determined by these rules, into the supplemental daily house  
9 calendar.

10 (a-1) If the house is convened in regular session, a printed  
11 copy of the calendar on which the general appropriations bill is  
12 first eligible for consideration on second reading shall be placed  
13 in the newspaper mailbox of each member at least 144 hours before  
14 the calendar may be considered by the house. The printed copy of  
15 that calendar must indicate the date and time at which the calendar  
16 is scheduled for consideration by the house, which date and time  
17 must be in accordance with Rule 8, Section 14.

18 (b) In addition, when the volume of legislation shall  
19 warrant, and upon request of the speaker, the chief clerk shall have  
20 printed and distributed to the members, a list of Items Eligible for  
21 Consideration, on which shall appear only:

22 (1) house bills with senate amendments that are  
23 eligible for consideration under Rule 13, Section 5;

24 (2) senate bills for which the senate has requested  
25 appointment of a conference committee; and

26 (3) conference committee reports that are eligible for  
27 consideration under Rule 13, Section 10.

1 (c) A copy of the list of Items Eligible for Consideration  
2 must be placed in the newspaper mailbox of each member at least six  
3 hours before the list may be considered by the house.

4 (d) The time at which the copies of a calendar or list are  
5 placed in the newspaper mailboxes of the members shall be  
6 time-stamped on the originals of the calendar or list.

7 (e) No house calendar shall be eligible for consideration if  
8 it is determined that the rules of the house were not complied with  
9 by the Committee on Calendars in preparing that calendar.

10 (f) If the Committee on Calendars has proposed a rule for  
11 floor consideration of a bill or resolution that is eligible to be  
12 placed on a calendar of the daily house calendar, the rule must be  
13 printed and a copy distributed to each member. If the bill or  
14 resolution to which the rule will apply has already been placed on a  
15 calendar of the daily house calendar, a copy of the rule must be  
16 attached to the printed calendar on which the bill or resolution  
17 appears. The speaker shall lay a proposed rule before the house  
18 prior to the consideration of the bill or resolution to which the  
19 rule will apply. The rule shall ~~may~~ be laid before the house not  
20 earlier than six hours ~~anytime~~ after a copy of the rule has been  
21 distributed to each member in accordance with this subsection. The  
22 rule shall not be subject to amendment, but to be effective, the  
23 rule must be approved by the house by an affirmative vote of  
24 two-thirds of those members present and voting, except that the  
25 rule must be approved by an affirmative vote of a majority of those  
26 members present and voting if the rule applies to a tax bill, an  
27 appropriations bill, or a redistricting bill. If approved by the

1 house in accordance with this subsection, the rule will be  
2 effective for the consideration of the bill or resolution on both  
3 second and third readings.

4       Sec. 17. POSITION ON A CALENDAR. (a) Unless removed from  
5 the calendar under Subsection (b) of this section, once [~~Once~~] a  
6 bill or resolution is placed on its appropriate calendar under  
7 these rules, and has appeared on a house calendar, as printed and  
8 distributed to all members, the bill shall retain its relative  
9 position on the calendar until reached for floor consideration, and  
10 the calendars committee with jurisdiction over the bill or  
11 resolution shall have no authority to place other bills on the  
12 calendar ahead of that bill, but all additions to the calendar shall  
13 appear subsequent to the bill.

14       (b) If a bill or resolution that has been placed on a house  
15 calendar, as printed and distributed to all members, is recommitted  
16 or withdrawn from further consideration, the bill or resolution  
17 relinquishes its position on the calendar, and the bill or  
18 resolution shall be removed from the calendar.

19       Sec. 18. REQUIREMENTS FOR PLACEMENT ON A CALENDAR. Except  
20 as provided in Section 11 of this rule as it relates to  
21 congratulatory and memorial resolutions, no bill or resolution  
22 shall be placed on a calendar until:

23           (1) it has been referred to and reported from its  
24 appropriate standing committee by favorable committee action; or

25           (2) it is ordered printed on minority report or after a  
26 committee has reported its inability to recommend a course of  
27 action.

1           Sec. 19. REFERRAL TO CALENDARS COMMITTEES. All bills and  
2 resolutions, on being reported from committee, shall be referred  
3 immediately to the committee coordinator for printing and then to  
4 the appropriate calendars committee for placement on the  
5 appropriate calendar.

6           Sec. 20. TIME LIMIT FOR VOTE TO PLACE ON A CALENDAR. Within  
7 30 calendar days after a bill or resolution has been referred to the  
8 appropriate calendars committee, the committee must vote on whether  
9 to place the bill or resolution on one of the calendars of the daily  
10 house calendar or the local, consent, and resolutions calendar, as  
11 applicable. A vote against placement of the bill or resolution on a  
12 calendar does not preclude a calendars committee from later voting  
13 in favor of placement of the bill or resolution on a calendar.

14           Sec. 21. MOTION TO PLACE ON A CALENDAR. (a) When a bill or  
15 resolution has been in the appropriate calendars committee for 30  
16 calendar days, exclusive of the calendar day on which it was  
17 referred, awaiting placement on one of the calendars of the daily  
18 house calendar or on the local, consent, and resolutions calendar,  
19 it shall be in order for a member to move that the bill or resolution  
20 be placed on a specific calendar of the daily house calendar or on  
21 the local, consent, and resolutions calendar without action by the  
22 committee. This motion must be seconded by five members and shall  
23 require a majority vote for adoption.

24           (b) A motion to place a bill or resolution on a specific  
25 calendar of the daily house calendar or on the local, consent, and  
26 resolutions calendar is not a privileged motion and must be made  
27 during the routine motion period unless made under a suspension of

1 the rules.

2           Sec. 22. REQUEST FOR PLACEMENT ON LOCAL, CONSENT, AND  
3 RESOLUTIONS CALENDAR. No bill or resolution shall be considered  
4 for placement on the local, consent, and resolutions calendar by  
5 the Committee on Local and Consent Calendars unless a request for  
6 that placement has been made to the chair of the standing committee  
7 from which the bill or resolution was reported and unless the  
8 committee report of the standing committee recommends that the bill  
9 or resolution be sent to the Committee on Local and Consent  
10 Calendars for placement on the local, consent, and resolutions  
11 calendar. The recommendation of the standing committee shall be  
12 advisory only, and the Committee on Local and Consent Calendars  
13 shall have final authority to determine whether or not a bill or  
14 resolution shall be placed on the local, consent, and resolutions  
15 calendar. If the Committee on Local and Consent Calendars  
16 determines that the bill or resolution is not eligible for  
17 placement on the local, consent, and resolutions calendar, the  
18 measure shall be sent to the Committee on Calendars for further  
19 action.

20           Sec. 23. QUALIFICATIONS FOR PLACEMENT ON THE LOCAL,  
21 CONSENT, AND RESOLUTIONS CALENDAR. (a) No bill defined as a local  
22 bill by Rule 8, Section 10(c), shall be placed on the local,  
23 consent, and resolutions calendar unless:

24                   (1) evidence of publication of notice in compliance  
25 with the Texas Constitution and these rules is filed with the  
26 Committee on Local and Consent Calendars; and

27                   (2) it has been recommended unanimously by the present

1 and voting members of the committee from which it was reported that  
2 the bill be sent to the Committee on Local and Consent Calendars for  
3 placement on the local, consent, and resolutions calendar.

4 (b) No other bill or resolution shall be placed on the  
5 local, consent, and resolutions calendar unless it has been  
6 recommended unanimously by the present and voting members of the  
7 committee from which it was reported that the bill be sent to the  
8 Committee on Local and Consent Calendars for placement on the  
9 local, consent, and resolutions calendar.

10 (c) No bill or resolution shall be placed on the local,  
11 consent, and resolutions calendar that:

12 (1) directly or indirectly prevents from being  
13 available for purposes of funding state government generally any  
14 money that under existing law would otherwise be available for that  
15 purpose, including a bill that transfers or diverts money in the  
16 state treasury from the general revenue fund to another fund; or

17 (2) authorizes or requires the expenditure or  
18 diversion of state funds for any purpose, as determined by a fiscal  
19 note attached to the bill.

20 Sec. 24. REPLACEMENT OF CONTESTED BILLS AND RESOLUTIONS. A  
21 bill or resolution once removed from the local, consent, and  
22 resolutions calendar shall be returned to the Committee on Local  
23 and Consent Calendars for further action. The Committee on Local  
24 and Consent Calendars, if it feels such action is warranted, may  
25 again place the bill or resolution on the local, consent, and  
26 resolutions calendar, provided, however, that if the bill or  
27 resolution is not placed on the next local, consent, and

1 resolutions calendar set by the Committee on Local and Consent  
2 Calendars, the bill or resolution shall immediately be referred to  
3 the Committee on Calendars for further action. If the bill or  
4 resolution is then removed from the calendar a second time by being  
5 contested on the floor of the house, the bill or resolution shall  
6 not again be placed on the local, consent, and resolutions calendar  
7 by the Committee on Local and Consent Calendars during that session  
8 of the legislature but shall be returned to the Committee on  
9 Calendars for further action.

10       Sec. 25. DISCRETION IN PLACEMENT ON CALENDARS. Subject to  
11 the limitations contained in this rule, the Committee on Calendars  
12 shall have full authority to make placements on calendars in  
13 whatever order is necessary and desirable under the circumstances  
14 then existing, except that bills on third reading [~~on a particular~~  
15 ~~calendar~~] shall have precedence over bills on second reading [~~on~~  
16 ~~the same calendar~~]. It is the intent of the calendar system to give  
17 the Committee on Calendars wide discretion to insure adequate  
18 consideration by the house of important legislation.

- 1           (1) to suspend the regular order of business and take  
2 up some measure out of its regular order;
- 3           (2) to instruct a committee to report a certain bill or  
4 resolution;
- 5           (3) to rerefer a bill or resolution from one committee  
6 to another;
- 7           (4) to place a bill or resolution on a specific  
8 calendar without action by the appropriate calendars committee;
- 9           (5) to take up a bill or resolution laid on the table  
10 subject to call;
- 11           (6) to set a special order;
- 12           (7) to suspend the rules;
- 13           (8) to suspend the constitutional rule requiring bills  
14 to be read on three several days;
- 15           (9) to pass a resolution suspending the joint rules;
- 16           (10) to order the previous question;
- 17           (11) to order the limiting of amendments to a bill or  
18 resolution;
- 19           (12) to print documents, reports, or other material in  
20 the journal;
- 21           (13) to take any other action required or permitted  
22 during the routine motion period by Rule 6, Section 1;
- 23           (14) to divide the question.

24       Sec. 3. MOTIONS ALLOWED DURING DEBATE. When a question is  
25 under debate, the following motions, and none other, shall be in  
26 order, and such motions shall have precedence in the following  
27 order:

- 1 (1) to adjourn;
- 2 (2) to take recess;
- 3 (3) to lay on the table;
- 4 (4) to lay on the table subject to call;
- 5 (5) for the previous question;
- 6 (6) to postpone to a day certain;
- 7 (7) to commit, recommit, refer, or rerefer;
- 8 (8) to amend by striking out the enacting or resolving  
9 clause, which, if carried, shall have the effect of defeating the  
10 bill or resolution;
- 11 (9) to amend;
- 12 (10) to postpone indefinitely.

13 Sec. 4. STATEMENT OR READING OF A MOTION. When a motion has  
14 been made, the speaker shall state it, or if it is in writing, order  
15 it read by the clerk; and it shall then be in possession of the  
16 house.

17 Sec. 5. ENTRY OF MOTIONS IN JOURNAL. Every motion made to  
18 the house and entertained by the speaker shall be reduced to writing  
19 on the demand of any member, and shall be entered on the journal  
20 with the name of the member making it.

21 Sec. 6. WITHDRAWAL OF A MOTION. A motion may be withdrawn  
22 by the mover at any time before a decision on the motion, even  
23 though an amendment may have been offered and is pending. It cannot  
24 be withdrawn, however, if the motion has been amended. After the  
25 previous question has been ordered, a motion can be withdrawn only  
26 by unanimous consent.

27 Sec. 7. MOTIONS TO ADJOURN OR RECESS. A motion to adjourn

1 or recess shall always be in order, except:

2 (1) when the house is voting on another motion;

3 (2) when the previous question has been ordered and  
4 before the final vote on the main question, unless a roll call shows  
5 the absence of a quorum;

6 (3) when a member entitled to the floor has not yielded  
7 for that purpose; or

8 (4) when no business has been transacted since a  
9 motion to adjourn or recess has been defeated.

10 Sec. 8. CONSIDERATION OF SEVERAL MOTIONS TO ADJOURN OR  
11 RECESS. When several motions to recess or adjourn are made at the  
12 same period, the motion to adjourn carrying the shortest time shall  
13 be put first, then the next shortest time, and in that order until a  
14 motion to adjourn has been adopted or until all have been voted on  
15 and lost; and then the same procedure shall be followed for motions  
16 to recess.

17 Sec. 9. WITHDRAWAL OR ADDITION OF A MOTION TO ADJOURN OR  
18 RECESS. A motion to adjourn or recess may not be withdrawn when it  
19 is one of a series upon which voting has commenced, nor may an  
20 additional motion to adjourn or recess be made when voting has  
21 commenced on a series of such motions.

22 Sec. 10. RECONSIDERATION OF VOTE TO ADJOURN OR RECESS. The  
23 vote by which a motion to adjourn or recess is carried or lost shall  
24 not be subject to a motion to reconsider.

25 Sec. 11. ADJOURNING WITH LESS THAN A QUORUM. A smaller  
26 number of members than a quorum may adjourn from day to day, and may  
27 compel the attendance of absent members.

1           Sec. 12. MOTION TO TABLE. A motion to lay on the table, if  
2 carried, shall have the effect of killing the bill, resolution,  
3 amendment, or other immediate proposition to which it was applied.  
4 Such a motion shall not be debatable, but the mover of the  
5 proposition to be tabled, or the member reporting it from  
6 committee, shall be allowed to close the debate after the motion to  
7 table is made and before it is put to a vote. When a motion to table  
8 is made to a debatable main motion, the main motion mover shall be  
9 allowed 20 minutes to close the debate, whereas the movers of other  
10 debatable motions sought to be tabled shall be allowed only 10  
11 minutes to close. The vote by which a motion to table is carried or  
12 lost cannot be reconsidered. After the previous question has been  
13 ordered, a motion to table is not in order. The provisions of this  
14 section do not apply to motions to "lay on the table subject to  
15 call"; however, a motion to lay on the table subject to call cannot  
16 be made after the previous question has been ordered.

17           Sec. 13. MATTERS TABLED SUBJECT TO CALL. When a bill,  
18 resolution, or other matter is pending before the house, it may be  
19 laid on the table subject to call, and one legislative day's notice,  
20 as printed on the Supplemental House Calendar, must be given before  
21 the proposition can be taken from the table, unless it is on the  
22 same legislative day, in which case it can be taken from the table  
23 at any time except when there is another matter pending before the  
24 house. A bill, resolution, or other matter can be taken from the  
25 table only by a majority vote of the house. When a special order is  
26 pending, a motion to take a proposition from the table cannot be  
27 made unless the proposition is a privileged matter.

1           Sec. 14. MOTION TO POSTPONE. A motion to postpone to a day  
2 certain may be amended and is debatable within narrow limits, but  
3 the merits of the proposition sought to be postponed cannot be  
4 debated. A motion to postpone indefinitely opens to debate the  
5 entire proposition to which it applies.

6           Sec. 15. POSTPONED MATTERS. (a) A bill or proposition  
7 postponed to a day certain shall be laid before the house at the  
8 time on the calendar day to which it was postponed, provided it is  
9 otherwise eligible under the rules and no other business is then  
10 pending. If business is pending, the postponed matter shall be  
11 deferred until the pending business is disposed of without  
12 prejudice otherwise to its right of priority. When a privileged  
13 matter is postponed to a particular time, and that time arrives, the  
14 matter, still retaining its privileged nature, shall be taken up  
15 even though another matter is pending.

16           (b) Consideration of a bill postponed to a day certain from  
17 the local, consent, and resolutions calendar is governed on second  
18 reading by the rules applicable to the calendar from which it was  
19 postponed to the extent practicable.

20           Sec. 16. ORDER OF CONSIDERATION OF POSTPONED MATTERS. If  
21 two or more bills, resolutions, or other propositions are postponed  
22 to the same time, and are otherwise eligible for consideration at  
23 that time, they shall be considered in the chronological order of  
24 their setting.

25           Sec. 17. MOTION TO REFER. When motions are made to refer a  
26 subject to a select or standing committee, the question on the  
27 subject's referral to a standing committee shall be put first.

1           Sec. 18. MOTION TO RECOMMIT. A motion to recommit a bill,  
2 after being defeated at the routine motion period, may again be made  
3 when the bill itself is under consideration; however, a motion to  
4 recommit a bill shall not be in order at the routine motion period  
5 if the bill is then before the house as either pending business or  
6 unfinished business.

7           A motion to recommit a bill or resolution can be made and  
8 voted on even though the author, sponsor, or principal proponent is  
9 not present.

10          Sec. 19. TERMS OF DEBATE ON MOTIONS TO REFER, REREFER,  
11 COMMIT, OR RECOMMIT. A motion to refer, rerefer, commit, or  
12 recommit is debatable within narrow limits, but the merits of the  
13 proposition may not be brought into the debate. A motion to refer,  
14 rerefer, commit, or recommit with instructions is fully debatable.

15          Sec. 20. RECOMMITTING TO COMMITTEE FOR A SECOND TIME.  
16 Except as provided in Rule 4, Section 30, when a bill has been  
17 recommitted once at any reading and has been reported adversely by  
18 the committee to which it was referred, it shall be in order to  
19 again recommit the bill only if a minority report has been filed in  
20 the time required by the rules of the house. A two-thirds vote of  
21 those present shall be required to recommit a second time.

22                   CHAPTER B. MOTION FOR THE PREVIOUS QUESTION

23          Sec. 21. MOTION FOR THE PREVIOUS QUESTION. There shall be a  
24 motion for the previous question, which shall be admitted only when  
25 seconded by 25 members. It shall be put by the chair in this manner:  
26 "The motion has been seconded. Three minutes pro and con debate  
27 will be allowed on the motion for ordering the previous question."

1 As soon as the debate has ended, the chair shall continue: "As many  
2 as are in favor of ordering the previous question on (here state on  
3 which question or questions) will say 'Aye,'" and then, "As many as  
4 are opposed say 'Nay.'" As in all other propositions, a motion for  
5 the previous question may be taken by a record vote if demanded by  
6 any member. If ordered by a majority of the members voting, a  
7 quorum being present, it shall have the effect of cutting off all  
8 debate, except as provided in Section 23 of this rule, and bringing  
9 the house to a direct vote on the immediate question or questions on  
10 which it has been asked and ordered.

11 Sec. 22. DEBATE ON MOTION FOR PREVIOUS QUESTION. On the  
12 motion for the previous question, there shall be no debate except as  
13 provided in Sections 2 and 21 of this rule. All incidental  
14 questions of order made pending decision on such motion shall be  
15 decided, whether on appeal or otherwise, without debate.

16 Sec. 23. LIMITATION OF DEBATE AFTER PREVIOUS QUESTION  
17 ORDERED. After the previous question has been ordered, there shall  
18 be no debate upon the questions on which it has been ordered, or  
19 upon the incidental questions, except that the mover of the  
20 proposition or any of the pending amendments or any other motions,  
21 or the member making the report from the committee, or, in the case  
22 of the absence of either of them, any other member designated by  
23 such absentee, shall have the right to close the debate on the  
24 particular proposition or amendment. Then a vote shall be taken  
25 immediately on the amendments or other motions, if any, and then on  
26 the main question.

27 Sec. 24. SPEAKING AND VOTING AFTER THE PREVIOUS QUESTION

1 ORDERED. All members having the right to speak after the previous  
2 question has been ordered shall speak before the question is put on  
3 the first proposition covered by the previous question. All votes  
4 shall then be taken in the correct order, and no vote or votes shall  
5 be deferred to allow any member to close on any one of the  
6 propositions separately after the voting has commenced.

7       Sec. 25. SPEAKING ON AN AMENDMENT AS SUBSTITUTED. When an  
8 amendment has been substituted and the previous question is then  
9 moved on the adoption of the amendment as substituted, the author of  
10 the amendment as substituted shall have the right to close the  
11 debate on that amendment in lieu of the author of the original  
12 amendment.

13       Sec. 26. SPEAKING ON A MOTION TO POSTPONE OR AMEND. When  
14 the previous question is ordered on a motion to postpone  
15 indefinitely or to amend by striking out the enacting clause of a  
16 bill, the member moving to postpone or amend shall have the right to  
17 close the debate on that motion or amendment, after which the mover  
18 of the proposition or bill proposed to be so postponed or amended,  
19 or the member reporting it from the committee, or, in the absence of  
20 either of them, any other member designated by the absentee, shall  
21 be allowed to close the debate on the original proposition.

22       Sec. 27. APPLICATION OF THE PREVIOUS QUESTION. The  
23 previous question may be asked and ordered on any debatable single  
24 motion or series of motions, or any amendment or amendments  
25 pending, or it may be made to embrace all authorized debatable  
26 motions or amendments pending and include the bill, resolution, or  
27 proposition that is on second or third reading. The previous

1 question cannot be ordered, however, on the main proposition  
2 without including other pending motions of lower rank as given in  
3 Section 3 of this rule.

4       Sec. 28. LIMIT OF APPLICATION. The previous question shall  
5 not extend beyond the final vote on a motion or sequence of motions  
6 to which the previous question has been ordered.

7       Sec. 29. AMENDMENTS NOT YET LAID BEFORE THE HOUSE.  
8 Amendments on the speaker's desk for consideration which have not  
9 actually been laid before the house and read cannot be included  
10 under a motion for the previous question.

11       Sec. 30. MOVING THE PREVIOUS QUESTION AFTER A MOTION TO  
12 TABLE. If a motion to table is made directly to a main motion, the  
13 motion for the previous question is not in order. In a case where an  
14 amendment to a main motion is pending, and a motion to table the  
15 amendment is made, it is in order to move the previous question on  
16 the main motion, the pending amendment, and the motion to table the  
17 amendment.

18       Sec. 31. NO SUBSTITUTE FOR MOTION FOR THE PREVIOUS  
19 QUESTION. There is no acceptable substitute for a motion for the  
20 previous question, nor can other motions be applied to it.

21       Sec. 32. MOTION FOR THE PREVIOUS QUESTION NOT SUBJECT TO  
22 TABLING. The motion for the previous question is not subject to a  
23 motion to table.

24       Sec. 33. MOTION TO ADJOURN AFTER MOTION FOR PREVIOUS  
25 QUESTION ACCEPTED. The motion to adjourn is not in order after a  
26 motion for the previous question is accepted by the chair, or after  
27 the seconding of such motion and before a vote is taken.

1           Sec. 34. MOTIONS IN ORDER AFTER PREVIOUS QUESTION ORDERED.  
2 After the previous question has been ordered, no motion shall be in  
3 order until the question or questions on which it was ordered have  
4 been voted on, without debate, except:

5           (1) a motion for a call of the house, and motions  
6 incidental thereto;

7           (2) a motion to extend the time of a member closing on  
8 a proposition;

9           (3) a motion to permit a member who has the right to  
10 speak to yield the time or a part thereof to another member;

11           (4) a request for and a verification of a vote;

12           (5) a motion to reconsider the vote by which the  
13 previous question was ordered. A motion to reconsider may be made  
14 only once and that must be before any vote under the previous  
15 question has been taken;

16           (6) a motion to table a motion to reconsider the vote  
17 by which the previous question has been ordered;

18           (7) a double motion to reconsider and table the vote by  
19 which the previous question was ordered.

20           Sec. 35. MOTION TO ADJOURN OR RECESS AFTER PREVIOUS  
21 QUESTION ORDERED. No motion for an adjournment or a recess shall be  
22 in order after the previous question is ordered until the final vote  
23 under the previous question has been taken, unless the roll call  
24 shows the absence of a quorum.

25           Sec. 36. ADJOURNING WITHOUT A QUORUM. When the house  
26 adjourns without a quorum under the previous question, the previous  
27 question shall remain in force and effect when the bill,

1 resolution, or other proposition is again laid before the house.

2 CHAPTER C. RECONSIDERATION

3 Sec. 37. MOTION TO RECONSIDER A VOTE. (a) When a question  
4 has been decided by the house and the yeas and nays have been called  
5 for and recorded, any member voting with the prevailing side may, on  
6 the same legislative day, or on the next legislative day, move a  
7 reconsideration; however, if a reconsideration is moved on the next  
8 legislative day, it must be done before the order of the day, as  
9 designated in the 10th [~~11th~~] item of Rule 6, Section 1(a), is taken  
10 up. If the house refuses to reconsider, or on reconsideration,  
11 affirms its decision, no further action to reconsider shall be in  
12 order.

13 (b) Where the yeas and nays have not been called for and  
14 recorded, any member, regardless of whether he or she voted on the  
15 prevailing side or not, may make the motion to reconsider; however,  
16 even when the yeas and nays have not been recorded, the following  
17 shall not be eligible to make a motion to reconsider:

- 18 (1) a member who was absent;
- 19 (2) a member who was paired and, therefore, did not  
20 vote; and
- 21 (3) a member who was recorded in the journal as having  
22 voted on the losing side.

23 (c) A motion to reconsider the vote by which a bill, joint  
24 resolution, or concurrent resolution was defeated is not in order  
25 unless a member has previously provided at least one hour's notice  
26 of intent to make the motion by addressing the house when the house  
27 is in session and stating that a member intends to make a motion to

1 reconsider the vote by which the bill or resolution was defeated.  
2 It is not necessary for the member providing the notice to be  
3 eligible to make or to be the member who subsequently makes the  
4 motion to reconsider. If notice of intent to make a motion to  
5 reconsider is given within the period that the motion to reconsider  
6 may be made under Subsection (a) of this section and that period  
7 expires during the one-hour period required by this subsection,  
8 then the period within which the motion may be made under Subsection  
9 (a) is extended by the amount of time, not to exceed one hour during  
10 which the house is in session, necessary to satisfy the one-hour  
11 notice required by this subsection. For purposes of this  
12 subsection, a motion to reconsider includes a motion to reconsider  
13 and table and a motion to reconsider and spread on the journal.

14       Sec. 38. DEBATE ON MOTION TO RECONSIDER. A motion to  
15 reconsider shall be debatable only when the question to be  
16 reconsidered is debatable. Even though the previous question was  
17 in force before the vote on a debatable question was taken, debate  
18 is permissible on the reconsideration of such debatable question.

19       Sec. 39. MAJORITY VOTE REQUIRED. Every motion to  
20 reconsider shall be decided by a majority vote, even though the vote  
21 on the original question requires a two-thirds vote for affirmative  
22 action. If the motion to reconsider prevails, the question then  
23 immediately recurs on the question reconsidered.

24       Sec. 40. WITHDRAWAL OF MOTION TO RECONSIDER. A motion to  
25 reconsider cannot be withdrawn unless permission is given by a  
26 majority vote of the house, and the motion may be called up by any  
27 member.

1           Sec. 41.   TABLING MOTION TO RECONSIDER.    A motion to  
2 reconsider shall be subject to a motion to table, which, if carried,  
3 shall be a final disposition of the motion to reconsider.

4           Sec. 42.   DOUBLE MOTION TO RECONSIDER AND TABLE.   The double  
5 motion to reconsider and table shall be in order.   It shall be  
6 undebatable.   When carried, the motion to reconsider shall be  
7 tabled.   When it fails, the question shall then be on the motion to  
8 reconsider, and the motion to reconsider shall, without further  
9 action, be spread on the journal, but it may be called up by any  
10 member, in accordance with the provisions of Section 43 of this  
11 rule.

12          Sec. 43.   DELAYED DISPOSITION OF MOTION TO RECONSIDER.   (a)  
13 If a motion to reconsider is not disposed of when made, it shall be  
14 entered in the journal, and cannot, after that legislative day, be  
15 called up and disposed of unless one legislative day's notice has  
16 been given.

17          (b) Unless called up and disposed of prior to 72 hours  
18 before final adjournment of the session, all motions to reconsider  
19 shall be regarded as determined and lost.

20          (c) All motions to reconsider made during the last 72 hours  
21 of the session shall be disposed of when made; otherwise, the motion  
22 shall be considered as lost.

23          Sec. 44.   MOTION TO RECONSIDER AND SPREAD ON JOURNAL.   (a) A  
24 member voting on the prevailing side may make a motion to reconsider  
25 and spread on the journal, which does not require a vote, and on the  
26 motion being made, it shall be entered on the journal.   Any member,  
27 regardless of whether he or she voted on the prevailing side or not,

1 who desires immediate action on a motion to reconsider which has  
2 been spread on the journal, can call it up as soon as it is made, and  
3 demand a vote on it, or can call it up and move to table it.

4 (b) If the motion to table the motion to reconsider is  
5 defeated, the motion to reconsider remains spread on the journal  
6 for future action; however, any member, regardless of whether he or  
7 she voted on the prevailing side or not, can call the motion from  
8 the journal for action by the house, and, once disposed of, no other  
9 motion to reconsider can be made.

10 Sec. 45. MOTION TO REQUIRE COMMITTEE TO REPORT. (a) During  
11 the first 76 calendar days of a regular session, when any bill,  
12 resolution, or other paper has been in committee for 6 calendar  
13 days, exclusive of the calendar day on which it was referred, it  
14 shall be in order for a member to move that the committee be  
15 required to report the same within 7 calendar days. This motion  
16 shall require a two-thirds vote for passage.

17 (b) After the first 76 calendar days of a regular session,  
18 when any bill, resolution, or other paper has been in committee for  
19 6 calendar days, exclusive of the calendar day on which it was  
20 referred, it shall be in order for a member to move that the  
21 committee be required to report the same within 7 calendar days.  
22 This motion shall require a majority vote for passage.

23 (c) A motion to instruct a committee to report is not a  
24 privileged motion and must be made during the routine motion period  
25 unless made under a suspension of the rules.

26 (d) The house shall have no authority to instruct a  
27 subcommittee directly; however, instructions recognized under the

1 rules may be given to a committee and shall be binding on all  
2 subcommittees.

3       Sec. 46. MOTION TO REREFER TO ANOTHER COMMITTEE. (a)  
4 During the first 76 calendar days of a regular session, when any  
5 bill, resolution, or other paper has been in committee for 7  
6 calendar days after the committee was instructed by the house to  
7 report that measure by a motion made under Section 45 of this rule,  
8 it shall be in order for a member to move to rerefer the bill,  
9 resolution, or other paper to a different committee. This motion  
10 shall require a two-thirds vote for passage.

11       (b) After the first 76 calendar days of a regular session,  
12 when any bill, resolution, or other paper has been in committee for  
13 7 calendar days after the committee has been instructed to report  
14 that measure by a motion made under Section 45 of this rule, it  
15 shall be in order for a member to move to rerefer the bill,  
16 resolution, or other paper to a different committee. This motion  
17 shall require a majority vote for passage.

18       (c) A motion to rerefer a bill, resolution, or other paper  
19 from one committee to another committee is not a privileged motion  
20 and must be made during the routine motion period unless made under  
21 a suspension of the rules.

RULE 8.  BILLS

1                   Sec. 1.  CONTENTS OF BILLS.  Proposed laws or changes in laws  
2 must be incorporated in bills, which shall consist of:

3                   (1)  a title or caption, beginning with the words "A  
4 Bill to be Entitled An Act" and a brief statement that gives the  
5 legislature and the public reasonable notice of the subject of the  
6 proposed measure;

7                   (2)  an enacting clause, "Be It Enacted by the  
8 Legislature of the State of Texas"; and

9                   (3)  the bill proper.

10                  Sec. 2.  PUBLISHING ACTS IN THEIR ENTIRETY.  No law shall be  
11 revived or amended by reference to its title.  The act revived, or  
12 the section or sections amended, shall be reenacted and published  
13 at length.  This rule does not apply to revisions adopted under  
14 Article III, Section 43, of the Texas Constitution.

15                  Sec. 3.  LIMITING A BILL TO A SINGLE SUBJECT.  Each bill  
16 (except a general appropriations bill, which may embrace the  
17 various subjects and accounts for which money is appropriated or a  
18 revision adopted under Article III, Section 43, of the Texas  
19 Constitution) shall contain only one subject.

20                  Sec. 4.  CHANGING GENERAL LAW THROUGH AN APPROPRIATIONS  
21 BILL.  A general law may not be changed by the provisions in an  
22 appropriations bill.

23                  Sec. 5.  COAUTHORSHIP,  JOINT  AUTHORSHIP,  SPONSORSHIP,  
24 COSPONSORSHIP,  AND  JOINT  SPONSORSHIP.  (a)  A house bill or  
25 resolution may have only one primary author.  The signature of the  
26 primary author shall be the only signature that appears on the  
27

1 original measure and all copies filed with the chief clerk. The  
2 signatures of all coauthors or joint authors shall appear on the  
3 appropriate forms in the chief clerk's office.

4 (b) Any member may become the coauthor of a bill or  
5 resolution by securing permission from the author. If permission  
6 is secured from the author prior to the time the measure is filed  
7 with the chief clerk, the primary author and the coauthor shall sign  
8 the appropriate form, which shall be included with the measure when  
9 it is filed with the chief clerk. If a member wishes to become the  
10 coauthor of a measure after it has been filed, no action shall be  
11 required by the house, but it shall be the duty of the member  
12 seeking to be a coauthor to obtain written authorization on the  
13 appropriate form from the author. This authorization shall be  
14 filed with the chief clerk before the coauthor signs the form for  
15 the bill or resolution. The chief clerk shall report daily to the  
16 journal clerk the names of members filed as coauthors of bills or  
17 resolutions. If a coauthor of a bill or resolution desires to  
18 withdraw from such status, the member shall notify the chief clerk,  
19 who in turn shall notify the journal clerk.

20 (c) The primary author of a measure may designate up to four  
21 joint authors by providing written authorization on the appropriate  
22 form to the chief clerk. If a member designated as a joint author  
23 has not already signed on the measure as a coauthor, that member  
24 must also sign the form before the records will reflect the joint  
25 author status of that member. The names of all joint authors shall  
26 be shown immediately following the primary author's name on all  
27 official printings of the measure, on all house calendars, in the

1 house journal, and in the electronic legislative information  
2 system.

3 (d) The determination of the house sponsor of a senate  
4 measure is made at the time the measure is reported from committee.  
5 In the case of multiple requests for house sponsorship, the house  
6 sponsor of a senate measure shall be determined by the chair of the  
7 committee, in consultation with the senate author of the measure.  
8 The chair of the committee must designate a primary sponsor and may  
9 designate up to four joint sponsors or an unlimited number of  
10 cosponsors. The names of all joint sponsors shall be shown  
11 immediately following the primary sponsor's name on all official  
12 printings of the measure, on all house calendars, in the house  
13 journal, and in the electronic legislative information system.

14 Sec. 6. FILING, FIRST READING, AND REFERRAL TO COMMITTEE.  
15 Each bill shall be filed with the chief clerk when introduced and  
16 shall be numbered in its regular order. Each bill shall be read  
17 first time by caption and referred by the speaker to the appropriate  
18 committee with jurisdiction.

19 Sec. 7. PREFILING. Beginning the first Monday after the  
20 general election preceding the next regular legislative session, or  
21 within 30 days prior to any special session, it shall be in order to  
22 file with the chief clerk bills and resolutions for introduction in  
23 that session. On receipt of the bills or resolutions, the chief  
24 clerk shall number them and make them a matter of public record,  
25 available for distribution. Once a bill or resolution has been so  
26 filed, it may not be recalled. This shall apply only to  
27 members-elect of the succeeding legislative session.

1           Sec. 8. DEADLINE FOR INTRODUCTION. (a) Bills and joint  
2 resolutions introduced during the first 60 calendar days of the  
3 regular session may be considered by the committees and in the house  
4 and disposed of at any time during the session, in accordance with  
5 the rules of the house. After the first 60 calendar days of a  
6 regular session, any bill or joint resolution, except local bills,  
7 emergency appropriations, and all emergency matters submitted by  
8 the governor in special messages to the legislature, shall require  
9 an affirmative vote of four-fifths of those members present and  
10 voting to be introduced.

11           (b) In addition to a bill defined as a "local bill" under  
12 Section 10(c) of this rule, a bill is considered local for purposes  
13 of this section if it relates to a specified district created under  
14 Article XVI, Section 59, of the Texas Constitution (water  
15 districts, etc.), a specified hospital district, or another  
16 specified special purpose district, even if neither these rules nor  
17 the Texas Constitution require publication of notice for that bill.

18           Sec. 9. NUMBER OF COPIES FILED. (a) Nine [~~Thirteen~~] copies  
19 of every bill, except bills relating to conservation and  
20 reclamation districts and governed by the provisions of Article  
21 XVI, Section 59, of the Texas Constitution, must be filed with the  
22 chief clerk at the time that the bill is introduced.

23           (b) Eleven [~~Fifteen~~] copies of every bill relating to  
24 conservation and reclamation districts and governed by the  
25 provisions of Article XVI, Section 59, of the Texas Constitution,  
26 with copies of the notice to introduce the bill attached, must be  
27 filed with the chief clerk at the time that the bill is introduced

1 if the bill is intended to:

2 (1) create a particular conservation and reclamation  
3 district; or

4 (2) amend the act of a particular conservation and  
5 reclamation district to:

6 (A) add additional land to the district;

7 (B) alter the taxing authority of the district;

8 (C) alter the authority of the district with  
9 respect to issuing bonds; or

10 (D) alter the qualifications or terms of office  
11 of the members of the governing body of the district.

12 (c) No bill may be laid before the house on first reading  
13 until it is in compliance with the provisions of this section.

14 Sec. 10. LOCAL BILLS. (a) The house may not consider a  
15 local bill unless notice of intention to apply for the passage of  
16 the bill was published as provided by law and evidence of the  
17 publication is attached to the bill. If not attached to the bill on  
18 filing with the chief clerk or receipt of the bill from the senate,  
19 copies of the evidence of timely publication shall be filed with the  
20 chief clerk and must be distributed to the members of the committee  
21 not later than the first time the bill is laid out in a committee  
22 meeting. The evidence shall be attached to the bill on first  
23 printing and shall remain with the measure throughout the entire  
24 legislative process, including submission to the governor.

25 (b) Neither the house nor a committee of the house may  
26 consider a bill whose application is limited to one or more  
27 political subdivisions by means of population brackets or other

1 artificial devices in lieu of identifying the political subdivision  
2 or subdivisions by name. However, this subsection does not prevent  
3 consideration of a bill that classifies political subdivisions  
4 according to a minimum or maximum population or other criterion  
5 that bears a reasonable relation to the purpose of the proposed  
6 legislation or a bill that updates laws based on population  
7 classifications to conform to a federal decennial census.

8 (c) Except as provided by Subsection (d) of this section,  
9 "local bill" for purposes of this section means:

10 (1) a bill for which publication of notice is required  
11 under Article XVI, Section 59, of the Texas Constitution (water  
12 districts, etc.);

13 (2) a bill for which publication of notice is required  
14 under Article IX, Section 9, of the Texas Constitution (hospital  
15 districts);

16 (3) a bill relating to hunting, fishing, or  
17 conservation of wildlife resources of a specified locality;

18 (4) a bill creating or affecting a county court or  
19 statutory court or courts of one or more specified counties or  
20 municipalities;

21 (5) a bill creating or affecting the juvenile board or  
22 boards of a specified county or counties; or

23 (6) a bill creating or affecting a road utility  
24 district under the authority of Article III, Section 52, of the  
25 Texas Constitution.

26 (d) A bill is not considered to be a local bill under  
27 Subsection (c)(3), (4), or (5) if it affects a sufficient number of

1 localities, counties, or municipalities so as to be of general  
2 application or of statewide importance.

3       Sec. 11. CONSIDERATION IN COMMITTEE. (a) No bill shall be  
4 considered unless it first has been referred to a committee and  
5 reported from it.

6       (b) After a bill has been recommitted, it shall be  
7 considered by the committee as a new subject.

8       Sec. 12. ORDER OF CONSIDERATION. All bills and resolutions  
9 before the house shall be taken up and acted on in the order in which  
10 they appear on their respective calendars, and each calendar shall  
11 have the priority accorded to it by the provisions of Rule 6,  
12 Sections 7 and 8.

13       Sec. 13. DEADLINES FOR CONSIDERATION. (a) No house bill  
14 that is local as defined by Section 10(c) of this rule and that  
15 appears on a local, consent, and resolutions calendar shall be  
16 considered for any purpose after the 130th day of a regular session,  
17 except to:

- 18               (1) act on senate amendments;  
19               (2) adopt a conference committee report;  
20               (3) reconsider the bill to make corrections; or  
21               (4) pass the bill notwithstanding the objections of  
22 the governor.

23       (b) No other house bill or joint resolution shall be  
24 considered on its second reading after the 122nd day of a regular  
25 session if it appears on a daily or supplemental daily house  
26 calendar, or for any purpose after the 123rd day of a regular  
27 session, except to:

- 1           (1) act on senate amendments;
- 2           (2) adopt a conference committee report;
- 3           (3) reconsider the bill or resolution to make
- 4 corrections; or
- 5           (4) pass the bill notwithstanding the objections of
- 6 the governor.

7           (c) No senate bill or joint resolution shall be considered  
8 on its second reading after the 134th day of a regular session if it  
9 appears on a daily or supplemental daily house calendar, or for any  
10 purpose after the 135th day of a regular session, except to:

- 11           (1) adopt a conference committee report;
- 12           (2) reconsider the bill or resolution to remove house
- 13 amendments;
- 14           (3) reconsider the bill or resolution to make
- 15 corrections; or
- 16           (4) pass the bill notwithstanding the objections of
- 17 the governor.

18           (d) The speaker shall not lay any bill or joint resolution  
19 before the house or permit a vote to be taken on its passage on the  
20 136th and 137th days of a regular session, except to:

- 21           (1) act on senate amendments;
- 22           (2) adopt a conference committee report;
- 23           (3) reconsider the bill or resolution to remove house
- 24 amendments;
- 25           (4) reconsider the bill or resolution to make
- 26 corrections; or
- 27           (5) pass the bill notwithstanding the objections of

1 the governor.

2 (e) The speaker shall not lay any bill or joint resolution  
3 before the house or permit a vote to be taken on its passage on the  
4 138th and 139th days of a regular session, except to:

5 (1) adopt a conference committee report;

6 (2) reconsider the bill or resolution to remove house  
7 amendments;

8 (3) discharge house conferees and concur in senate  
9 amendments;

10 (4) reconsider the bill or resolution to make  
11 corrections; or

12 (5) pass the bill notwithstanding the objections of  
13 the governor.

14 (f) No vote shall be taken upon the passage of any bill or  
15 resolution within 24 hours of the final adjournment of a regular  
16 session unless it be to reconsider the bill or resolution to make  
17 corrections, or to adopt a corrective resolution.

18 Sec. 14. [~~PRINTED~~] COPIES REQUIRED PRIOR TO CONSIDERATION.

19 (a) A printed copy of each bill or resolution, except the general  
20 appropriations bill, shall be placed in the newspaper mailbox of  
21 each member at least 36 hours if convened in regular session and 24  
22 hours if convened in special session before the bill can be  
23 considered by the house on second reading. If a member informs the  
24 chief clerk in writing that the member prefers to receive copies of  
25 bills and resolutions under this section in an electronic format,  
26 compliance with this subsection may be accomplished with respect to  
27 that member by making a copy of a bill or resolution in an

1 electronic format available for viewing to each member not later  
2 than the time a printed copy of the bill or resolution is placed in  
3 other members' newspaper mailboxes and, when the electronic format  
4 copy of the bill or resolution becomes available, sending notice of  
5 that fact to a Capitol e-mail address designated by the member.

6 (a-1) A printed copy of the general appropriations bill  
7 shall be placed in the newspaper mailbox of each member at least 168  
8 hours during a regular session and at least 72 hours during a  
9 special session before the bill can be considered by the house on  
10 second reading.

11 (b) By majority vote, the house may order both the original  
12 bill or resolution and the complete committee substitute to be  
13 printed. It shall not be necessary for the house to order complete  
14 committee substitutes printed in lieu of original bills.

15 (c) A two-thirds vote of the house is necessary to order  
16 that bills, other than local bills, be not printed. It shall not be  
17 necessary for the house to order that local bills be not printed.

18 Sec. 15. REQUIREMENT FOR THREE READINGS. A bill shall not  
19 have the force of law until it has been read on three several  
20 legislative days in each house and free discussion allowed, unless  
21 this provision is suspended by a vote of four-fifths of the members  
22 present and voting, a quorum being present. The yeas and nays shall  
23 be taken on the question of suspension and entered in the journal.

24 Sec. 16. CONSIDERATION SECTION BY SECTION. (a) During the  
25 consideration of any bill or resolution, the house may, by a  
26 majority vote, order the bill or resolution to be considered  
27 section by section, or department by department, until each section

1 or department has been given separate consideration. If such a  
2 procedure is ordered, only amendments to the section or department  
3 under consideration at that time shall be in order. However, after  
4 each section or department has been considered separately, the  
5 entire bill or resolution shall be open for amendment, subject to  
6 the provisions of Rule 11, Section 8(b). Once the consideration of  
7 a bill section by section or department by department has been  
8 ordered, it shall not be in order to move the previous question on  
9 the entire bill, to recommit it, to lay it on the table, or to  
10 postpone it, until each section or department has been given  
11 separate consideration or until the vote by which section by  
12 section consideration was ordered is reconsidered.

13 (b) A motion to consider a bill section by section is  
14 debatable within narrow limits; that is, the pros and cons of the  
15 proposed consideration can be debated but not the merits of the  
16 bill.

17 Sec. 17. PASSAGE TO ENGROSSMENT OR THIRD READING. After a  
18 bill or complete committee substitute for a bill has been taken up  
19 and read, amendments shall be in order. If no amendment is made, or  
20 if those proposed are disposed of, then the final question on its  
21 second reading shall be, in the case of a house bill, whether it  
22 shall be passed to engrossment, or, in the case of a senate bill,  
23 whether it shall pass to its third reading. All bills ordered  
24 passed to engrossment or passed to a third reading shall remain on  
25 the calendar on which placed, but with future priority over bills  
26 [~~on the same calendar~~] that have not passed second reading.

27 Sec. 18. CERTIFICATION OF FINAL PASSAGE. The chief clerk

1 shall certify the final passage of each bill, noting on the bill the  
2 date of its passage, and the vote by which it passed, if by a yea and  
3 nay vote.

4       Sec. 19. EFFECTIVE DATE.       Every law passed by the  
5 legislature, except the General Appropriations Act, shall take  
6 effect or go into force on the 91st day after the adjournment of the  
7 session at which it was enacted, unless the legislature provides  
8 for an earlier effective date by a vote of two-thirds of all the  
9 members elected to each house. The vote shall be taken by yeas and  
10 nays and entered in the journals.

11       Sec. 20. BILLS CONTAINING SAME SUBSTANCE AS DEFEATED BILL.  
12 After a bill or resolution has been considered and defeated by  
13 either house of the legislature, no bill or resolution containing  
14 the same substance shall be passed into law during the same session.

15       Sec. 21. CONSIDERATION OF BILLS INVOLVING STATE FUNDS. (a)  
16 In order to assure the continuation of financial support of  
17 existing state services through the passage of the general  
18 appropriations bill, it shall not be in order during the first 118  
19 days of the regular session for the speaker to lay before the house,  
20 prior to the consideration, passage, and certification by the  
21 comptroller of the general appropriations bill, any bill that  
22 directly or indirectly prevents from being available for purposes  
23 of funding state government generally any money that under existing  
24 law would otherwise be available for that purpose, including a bill  
25 that transfers or diverts money in the state treasury from the  
26 general revenue fund to another fund.

27       (b) In order to assure compliance with the limitation on

1 appropriations of state tax revenue not dedicated by the  
2 constitution as provided by Article VIII, Section 22, of the Texas  
3 Constitution, it is not in order for the speaker to lay before the  
4 house, prior to the time that the general appropriations bill has  
5 been finally passed and sent to the comptroller, any bill that  
6 appropriates funds from the state treasury that are not dedicated  
7 by the constitution.

8 (c) When bills subject to the provisions of Subsection (a)  
9 of this section become eligible for consideration, they shall be  
10 considered for passage under the rules of the house and the joint  
11 rules as any other bill but shall not be signed by the speaker as  
12 required by the Constitution of Texas and the rules of the house  
13 until the general appropriations bill has been signed by the  
14 presiding officers of both houses of the legislature and  
15 transmitted to the comptroller of public accounts for certification  
16 as required by Article III, Section 49a, of the Constitution of  
17 Texas.

18 (d) All bills subject to the provisions of Subsection (a) of  
19 this section that have finally passed both houses shall be enrolled  
20 as required by the rules and transmitted to the speaker. The  
21 speaker shall note on each bill the date and hour of final  
22 legislative action and shall withhold his or her signature and any  
23 further action on all such bills until the general appropriations  
24 bill has been signed by the presiding officers of both houses and  
25 transmitted to the comptroller of public accounts for  
26 certification. Immediately thereafter, the speaker shall sign in  
27 the presence of the house all bills on which further action was

1 being withheld because the bills were subject to the provisions of  
2 this section. After being signed by the speaker, the bills shall  
3 then be transmitted to the comptroller of public accounts for  
4 certification or to the governor, as the case may be, in the order  
5 in which final legislative action was taken. "Final legislative  
6 action," as that term is used in this subsection, shall mean the  
7 last act of either house meeting in general session necessary to  
8 place the bill in its final form preparatory to enrollment.

9 (e) Subsections (a)-(d) of this section shall not apply to  
10 any bills providing for:

- 11 (1) the payment of expenses of the legislature;
- 12 (2) the payment of judgments against the state;
- 13 (3) any emergency matter when requested by the  
14 governor in a formal message to the legislature; or
- 15 (4) the reduction of taxes.

16 (f) Unless within the authority of a resolution or  
17 resolutions adopted pursuant to Article VIII, Section 22(b), of the  
18 Texas Constitution, it is not in order for the house to consider for  
19 final passage on third reading, on motion to concur in senate  
20 amendments, or on motion to adopt a conference committee report, a  
21 bill appropriating funds from the state treasury in an amount that,  
22 when added to amounts previously appropriated by bills finally  
23 passed and sent or due to be sent to the comptroller, would exceed  
24 the limit on appropriations established under Chapter 316,  
25 Government Code.

26 (g) The general appropriations bill shall be reported to the  
27 house by the Committee on Appropriations not later than the 90th

H.R. No. 2

1 calendar day of the regular session. Should the Committee on  
2 Appropriations fail to report by the deadline, Subsections (a)-(d)  
3 of this section shall be suspended for the balance of that regular  
4 session.

1                   RULE 9. JOINT RESOLUTIONS

2           Sec. 1. AMENDMENTS TO THE TEXAS CONSTITUTION. (a) A  
3 proposed amendment to the Texas Constitution shall take the form of  
4 a joint resolution, which shall be subject to the rules that govern  
5 the proceedings on bills, except as provided by this section.

6           (b) A joint resolution is not subject to the provisions of  
7 Rule 8, Section 3, or Rule 11, Section 3.

8           (c) A joint resolution shall be adopted on any reading  
9 after the first if it receives a two-thirds vote of the elected  
10 membership of the house. If such a joint resolution receives only a  
11 majority vote on second reading, it shall be passed to engrossment,  
12 and subsequent proceedings shall be the same as those governing the  
13 final passage of bills which have been passed to engrossment. If  
14 such a joint resolution does not receive a two-thirds vote of the  
15 elected membership of the house on third reading and final passage,  
16 it shall fail of adoption.

17          Sec. 2. RATIFYING OR PROPOSING AMENDMENTS TO THE  
18 CONSTITUTION OF THE UNITED STATES. Ratification by Texas of a  
19 proposed amendment to or application to Congress for a convention  
20 to amend the Constitution of the United States shall take the form  
21 of a joint resolution, which shall be subject to the rules that  
22 govern the proceedings on bills, except that it shall be adopted on  
23 second reading if it receives a majority vote of the members present  
24 and voting, a quorum being present. If such a joint resolution  
25 fails to receive a majority vote, it shall fail of adoption and  
26 shall not be considered again unless revived by a motion to  
27 reconsider as otherwise provided in the rules.

1           Sec. 3. PLACEMENT OF JOINT RESOLUTIONS ON A CALENDAR. Joint  
2 resolutions on committee report shall be referred to the Committee  
3 on Calendars for placement on an appropriate calendar. The  
4 Committee on Calendars shall maintain a separate calendar for house  
5 joint resolutions and a separate calendar for senate joint  
6 resolutions. Senate joint resolutions shall be considered on  
7 calendar Wednesdays and calendar Thursdays along with senate bills.

1           RULE 10.   HOUSE RESOLUTIONS AND CONCURRENT RESOLUTIONS

2           Sec. 1.   FILING.   Resolutions shall be introduced by the  
3 filing of nine [~~13~~] identical copies with the chief clerk, who shall  
4 number and record house resolutions in one series and concurrent  
5 resolutions in a separate series.

6           Sec. 2.   REFERRAL TO COMMITTEE.   (a)   After numbering and  
7 recording, all resolutions shall be sent to the speaker for  
8 referral to the proper committee.

9           (b)   Resolutions proposing the expenditure of money out of  
10 the contingent expense fund of the legislature shall be referred to  
11 the Committee on House Administration.

12          (c)   All other resolutions shall be referred to the  
13 appropriate committee with jurisdiction.

14          Sec. 3.   REFERRAL TO CALENDARS COMMITTEES.   All resolutions  
15 on committee report, other than privileged resolutions, shall be  
16 referred immediately to the appropriate calendars committee for  
17 placement on the appropriate calendar.

18          Sec. 4.   ORDER OF CONSIDERATION.       Unless privileged,  
19 resolutions shall be considered by the house only at the time  
20 assigned for their consideration on the calendar, in accordance  
21 with the provisions of Rule 6, Section 7.

22          Sec. 4A.   RECORD VOTE REQUIRED BY TEXAS CONSTITUTION. A vote  
23 on final passage of a resolution other than a resolution of a purely  
24 ceremonial or honorary nature must be by record vote with the vote  
25 of each member entered in the journal as required by Section 12(b),  
26 Article III, Texas Constitution.

27          Sec. 5.   SIGNING BY GOVERNOR.   Concurrent resolutions shall

1 take the same course as house resolutions, except that they shall be  
2 sent to the governor for signing when finally passed by both houses.

3       Sec. 6. MASCOT RESOLUTIONS. (a) All candidates for the  
4 office of mascot shall be named in and elected by a single house  
5 resolution.

6       (b) Only children of house members who are under the age of  
7 12 years shall be eligible for election to the honorary office of  
8 mascot. A child once named a mascot shall not be eligible for the  
9 honor a second time.

10       (c) No separate classification or special title shall be  
11 given to any mascot, but all shall receive the same title of  
12 honorary mascot of the house of representatives.

13       (d) The speaker shall issue a certificate showing the  
14 election of each mascot and deliver it to the parent member of the  
15 child.

16       Pictures of mascots shall appear on the panel picture of the  
17 house.

18       Sec. 7. CONSIDERATION OF RESOLUTIONS DURING CALLED  
19 SESSIONS. The subject matter of house resolutions and concurrent  
20 resolutions does not have to be submitted by the governor in a  
21 called session before they can be considered.

22       Sec. 8. RESOLUTIONS AUTHORIZING TECHNICAL CORRECTIONS.  
23 Resolutions authorizing the enrolling clerk of the house or senate  
24 to make technical corrections to a measure that has been finally  
25 acted upon by both houses of the legislature shall be privileged in  
26 nature and need not be referred to committee. Such resolutions  
27 shall be eligible for consideration by the house upon introduction

1 in the house or receipt from the senate.

2           Sec. 9. AUTHOR'S SIGNATURE ON CONGRATULATORY OR MEMORIAL  
3 RESOLUTION. The enrolled printing of a house congratulatory or  
4 memorial resolution shall include a place for the signature of the  
5 primary author of the resolution. The chief clerk shall provide the  
6 primary author with the opportunity to sign the resolution after  
7 the resolution is enrolled. The absence of the primary author's  
8 signature does not affect the validity of the resolution as adopted  
9 by the house.

RULE 11. AMENDMENTS

1  
2           Sec. 1. ACCEPTABLE MOTIONS TO AMEND.       When a bill,  
3 resolution, motion, or proposition is under consideration, a motion  
4 to amend and a motion to amend that amendment shall be in order. It  
5 shall also be in order to offer a further amendment by way of a  
6 substitute.   Such a substitute may not be amended.   If the  
7 substitute is adopted, the question shall then be on the amendment  
8 as substituted, and under this condition an amendment is not in  
9 order.

10           Sec. 2. MOTIONS ON A DIFFERENT SUBJECT OFFERED AS  
11 AMENDMENTS.   No motion or proposition on a subject different from  
12 the subject under consideration shall be admitted as an amendment  
13 or as a substitute for the motion or proposition under debate.  
14 "Proposition" as used in this section shall include a bill,  
15 resolution, joint resolution, or any other motion which is  
16 amendable.

17           Amendments pertaining to the organization, powers,  
18 regulation, and management of the agency, commission, or advisory  
19 committee under consideration are germane to bills extending state  
20 agencies, commissions, or advisory committees under the provisions  
21 of the Texas Sunset Act (Chapter 325, Government Code).

22           An amendment to a committee substitute laid before the house  
23 in lieu of an original bill is germane if each subject of the  
24 amendment is a subject that is included in the committee substitute  
25 or was included in the original bill.

26           Sec. 3. AMENDING A BILL TO CHANGE ITS ORIGINAL PURPOSE.   No  
27 bill shall be amended in its passage through either house so as to

1 change its original purpose.

2           Sec. 4. AMENDMENTS TO BILLS AND RESOLUTIONS ON LOCAL,  
3 CONSENT, AND RESOLUTIONS CALENDARS. Amendments to a bill or  
4 resolution shall not be in order during its consideration on a  
5 local, consent, and resolutions calendar set by the Committee on  
6 Local and Consent Calendars, unless the amendments have first been  
7 submitted to and approved by the Committee on Local and Consent  
8 Calendars, which shall be noted thereon by the chair of the  
9 Committee on Local and Consent Calendars prior to the offering of  
10 the amendments.

11           Sec. 5. AMENDMENTS ON THIRD READING. When a bill has been  
12 taken up on its third reading, amendments shall be in order, but  
13 shall require a two-thirds vote of the members present for their  
14 adoption. A bill on third reading may be recommitted to a committee  
15 and later reported to the house with amendments, in which case the  
16 bill shall again take the course of a bill at its second reading.

17           Sec. 6. COPIES OF AN AMENDMENT. (a) Five copies of each  
18 amendment shall be filed with the speaker. When the amendment is  
19 read, two copies shall go to the chief clerk, one copy to the  
20 journal clerk, one copy to the reading clerk, and one copy to the  
21 speaker. No amendment offered from the floor shall be in order  
22 unless the sponsoring member has complied with the provisions of  
23 this section with respect to copies of the amendment. The chief  
24 clerk shall retain one copy of each amendment filed with the speaker  
25 under this section whether or not the amendment was offered by the  
26 filing member.

27           (b) Prior to the time that an amendment is offered, if the

1 amendment exceeds one page in length, the sponsoring member must  
2 provide to the chief clerk a minimum of 15 copies to be available  
3 for distribution to those members requesting copies of the  
4 amendment.

5 (c) If the amendment is only one page in length or less, the  
6 sponsoring member must provide one additional copy of the amendment  
7 to the chief clerk, who shall immediately proceed to have  
8 additional copies made and available for those members requesting  
9 copies of the amendment.

10 (d) The provisions of this section with respect to extra  
11 copies shall not apply to committee amendments or to amendments  
12 which do nothing more than delete material from the bill or  
13 resolution.

14 (e) The speaker shall not recognize a member to offer an  
15 original amendment that exceeds one page in length and that is in  
16 the form of a complete substitute for the bill or resolution laid  
17 before the house, or in the opinion of the speaker is a substantial  
18 substitute, unless 25 copies of the amendment have been provided to  
19 the chief clerk and were available in the chief clerk's office at  
20 least 12 hours prior to the time the calendar on which the bill or  
21 resolution to be amended is eligible for consideration.

22 (f) An amendment may be typed, hand-printed, or  
23 handwritten, but must be legible in order to be offered.

24 (g) The speaker shall not recognize a member to offer an  
25 original amendment to a bill extending an agency, commission, or  
26 advisory committee under the Texas Sunset Act unless 25 copies of  
27 the amendment have been provided to the chief clerk and were

1 available in the chief clerk's office at least 12 hours prior to the  
2 time the calendar on which the bill or resolution to be amended is  
3 eligible for consideration.

4 (h) If the house is convened in regular session, the speaker  
5 shall not recognize a member to offer an original amendment to the  
6 general appropriations bill on second reading unless 25 copies of  
7 the amendment have been provided to the chief clerk and were  
8 available in the chief clerk's office at least 72 hours prior to the  
9 time the calendar on which the general appropriations bill appears  
10 for second reading is first eligible for consideration.

11 (i) The Committee on House Administration shall ensure  
12 that:

13 (1) the floor amendment system through which members  
14 of the house may view an electronic image of current or past  
15 amendments, or the system's successor in function, is available to  
16 the public on the Internet; and

17 (2) members of the public using the system available  
18 on the Internet may view the same information that members may view  
19 at the same time that members may view the information.

20 Sec. 7. ORDER OF OFFERING MOTIONS TO AMEND. Classes of  
21 motions to amend shall be offered in the following order:

22 (1) motions to amend by striking out the enacting  
23 clause of a bill (or the resolving clause of a resolution), which  
24 amendment cannot be amended or substituted;

25 (2) motions to amend an original bill, resolution,  
26 motion, or proposition (other than substitute bills as provided for  
27 in Subdivision (3) below), which shall have precedence as follows:

- 1 (A) original amendment;  
2 (B) amendment to the amendment;  
3 (C) substitute for the amendment to the  
4 amendment.

5 Recognition for the offering of original amendments shall be  
6 as follows: first, the main author; second, the member or members  
7 offering the committee amendment; and third, members offering other  
8 amendments from the floor;

9 (3) motions to amend an original bill by striking out  
10 all after the enacting clause (substitute bills), which substitute  
11 bills shall be subject to amendment as follows:

- 12 (A) amendment to the substitute bill;  
13 (B) substitute for the amendment to the  
14 substitute bill.

15 Recognition for offering such substitute bills shall be as  
16 follows: first, the main author of the original bill, if the  
17 member has not sought to perfect the bill by amendments as provided  
18 for in Subdivision (2) above; second, the member or members  
19 offering the committee amendment; and, third, members offering  
20 amendments from the floor.

21 It shall be in order under the procedure described in this  
22 subdivision to have as many as four complete measures pending  
23 before the house at one time; that is, an original bill, an  
24 amendment striking out all after the enacting clause of the bill and  
25 inserting a new bill body, an amendment to the amendment striking  
26 out all after the enacting clause of the bill and inserting a new  
27 bill body, and a substitute for this amendment to the amendment to

1 the original bill which is also a new bill body. These "substitute  
2 bills" shall be voted on in the reverse order of their offering;

3 (4) motions to amend the caption of a bill or joint  
4 resolution, which may also be offered in accordance with Section  
5 9(a) of this rule.

6 Sec. 8. STRIKE OUTS AND INSERTIONS. (a) A motion to strike  
7 out and to insert new matter in lieu of that to be stricken out shall  
8 be regarded as a substitute and shall be indivisible.

9 (b) Matter inserted or stricken out of an original bill by  
10 way of amendment may not be taken out or reinserted at a later time  
11 on the same reading except under the following conditions:

12 (1) reconsideration of the inserting or deleting  
13 amendment;

14 (2) adoption of a "substitute bill" amendment;

15 (3) adoption of an amendment for a whole paragraph,  
16 section or subdivision of a bill which so materially changes the  
17 original text that the portion inserted or deleted is in fact of  
18 minor importance.

19 Sec. 9. AMENDING CAPTIONS. (a) An amendment to the caption  
20 of a bill or resolution shall not be in order until all other  
21 proposed amendments have been acted on and the house is ready to  
22 vote on the passage of the measure, and it shall then be decided  
23 without debate.

24 (b) If the previous question has been ordered on a bill or  
25 joint resolution at any reading, an amendment to the caption of that  
26 bill or joint resolution may be offered and voted on immediately  
27 preceding the final vote on the bill or joint resolution.

1           Sec. 10. MOTION TO LIMIT AMENDMENTS. (a) A motion to limit  
2 amendments shall be admitted only when seconded by 25 members. The  
3 motion may take either of two forms:

4           (1) to limit amendments to those pending before the  
5 house; or

6           (2) to limit amendments to those pending on the  
7 speaker's desk.

8           (b) The motion shall be put by the chair in this manner: "The  
9 motion has been seconded. Three minutes pro and con debate will be  
10 allowed on the motion to limit amendments." As soon as the debate  
11 has ended, the chair shall continue: "As many as are in favor of  
12 limiting amendments on (here state on which question or questions)  
13 will say 'Aye,'" and then "As many as are opposed say 'Nay.'" As in  
14 all other propositions, a motion to limit amendments shall be  
15 decided by a record vote if demanded by any member. If ordered by a  
16 majority of the members voting, a quorum being present, the motion  
17 shall have the effect of confining further debate and consideration  
18 to those amendments included within the motion, and thereafter the  
19 chair will accept no more amendments to the proposition to which the  
20 motion is applied.

21           (c) The motion to limit amendments, if adopted, shall not in  
22 any way cut off or limit debate or other parliamentary maneuvers on  
23 the pending proposition or propositions or amendment or amendments  
24 included within the motion. The sole function of the motion is to  
25 prevent the chair from accepting further amendments to the  
26 proposition to which the motion is applied.

27           (d) Except as otherwise provided, the motion to limit

1 amendments shall have no effect on the parliamentary situation to  
2 which the motion is applied, and the matter to which the motion is  
3 applied shall continue to be considered by the house in all other  
4 respects as though the motion had not been made.

5 (e) The amendments that are included within the motion to  
6 limit amendments shall each be subject to amendment, if otherwise  
7 permitted under the rules.

8 Sec. 11. MOTION TO TABLE A MOTION TO LIMIT AMENDMENTS. The  
9 motion to limit amendments is not subject to a motion to table.

10 Sec. 12. ORDER OF VOTING ON AMENDMENTS. When an amendment  
11 is offered, followed by an amendment to that amendment, and then a  
12 substitute for the amendment to the amendment, these questions  
13 shall be voted on in the reverse order of their offering.

14 Sec. 13. CERTIFICATION OF ADOPTION OF AMENDMENTS. When an  
15 amendment is adopted, such action shall be certified by the chief  
16 clerk on the amendment, and the official copy of the amendment shall  
17 then be securely attached to the bill or resolution which it amends.

RULE 12. PRINTING

Sec. 1. PRINTINGS OF BILLS AND JOINT RESOLUTIONS. (a)

Except as otherwise provided in this rule, all bills and joint resolutions shall be printed and a copy provided to each member at each of the following stages in the parliamentary progress of the bill or joint resolution:

(1) at the time of the committee report on the bill or joint resolution, which shall be known as "First Printing" and which shall consist of:

(A) a complete text of the bill or joint resolution as reported from committee;

(B) a complete copy of the bill analysis, a complete copy of the summary of committee action, and a complete copy of the witness list;

(C) the text of the committee report;

(D) the record vote by which the measure was reported from committee, including the vote of individual members;

(E) a copy of the latest fiscal note; and

(F) a copy of each impact statement received by the committee;

(2) at the time the bill or joint resolution, if amended, finally passes the senate, senate amendments and house engrossment text will be printed, which shall be known as "Second Printing"; and

(3) at the time the conference committee, if any, makes its report on the bill or joint resolution, which shall be known as "Third Printing."

1           (b) In any section of the first printing of a bill or joint  
2 resolution that proposes to amend an existing statute or  
3 constitutional provision, language sought to be deleted must be  
4 bracketed and stricken through, and language sought to be added  
5 must be underlined. This requirement does not apply to:

- 6           (1) an appropriations bill;
- 7           (2) a local bill;
- 8           (3) a game bill;
- 9           (4) a recodification bill;
- 10          (5) a redistricting bill;
- 11          (6) a section of a bill or joint resolution not  
12 purporting to amend an existing statute or constitutional  
13 provision;
- 14          (7) a section of a bill or joint resolution that  
15 revises the entire text of an existing statute or constitutional  
16 provision, to the extent that it would confuse rather than clarify  
17 to show deletions and additions; and
- 18          (8) a section of a bill or joint resolution providing  
19 for severability, nonseverability, emergency, or repeal of an  
20 existing statute or constitutional provision.

21           (c) The speaker may overrule a point of order raised as to a  
22 violation of Subsection (b) of this section if the violation is  
23 typographical or minor and does not tend to deceive or mislead.

24           (d) If a member informs the chief clerk that the member  
25 prefers to receive copies of first printings in an electronic  
26 format, the requirement to provide a copy of a first printing to  
27 that member may be accomplished by making a copy of a first printing

1 in an electronic format available for viewing to each member and,  
2 when the electronic format copy of the first printing becomes  
3 available, sending notice of that fact to a Capitol e-mail address  
4 designated by the member.

5       Sec. 2. LOCAL BILLS. Local bills shall not be reprinted  
6 after the first printing except when ordered printed by a majority  
7 vote of the house.

8       Sec. 3. CONCURRENT RESOLUTIONS. A concurrent resolution  
9 shall be printed only if the resolution:

- 10           (1) grants permission to sue the state;
- 11           (2) memorializes Congress to take or to refrain from  
12 taking certain action;
- 13           (3) sets legislative policy or declares legislative  
14 intent;
- 15           (4) makes corrective changes in any bill, joint  
16 resolution, or conference committee report;
- 17           (5) establishes or interprets policy for a state  
18 agency, department, or political subdivision;
- 19           (6) establishes, modifies, or changes internal  
20 procedures or administration of the legislature or any component  
21 part thereof;
- 22           (7) proposes an amendment to the Joint Rules of the  
23 Senate and the House of Representatives; or
- 24           (8) is ordered printed by a majority vote of the house.

25       Sec. 4. HOUSE RESOLUTIONS. A house resolution shall be  
26 printed only if the resolution:

- 27           (1) proposes an amendment to the rules of the house;

1           (2) establishes, modifies, or changes the internal  
2 procedures and administration of the house;

3           (3) establishes legislative policy or interprets  
4 legislative intent; or

5           (4) is ordered printed by a majority of the house.

6           Sec. 5. ACCEPTABLE STANDARDS OF COMPLIANCE WITH PRINTING  
7 REQUIREMENTS. Except for matter to be printed in the journal, all  
8 requirements contained in the rules with respect to the printing of  
9 bills, resolutions, reports, and other matters shall be considered  
10 complied with if the material is adequately and properly reproduced  
11 by any acceptable means of reproduction.

1           RULE 13.   INTERACTIONS WITH THE GOVERNOR AND SENATE

2                           CHAPTER A.   MESSAGES

3           Sec. 1.   MESSAGES   FROM   THE   GOVERNOR.       Messages   and  
4   communications from the governor shall be received when announced,  
5   and shall be read on the calendar day received.

6           Sec. 2.   MESSAGES FROM THE SENATE.   (a)   All messages from  
7   the senate shall be received when announced.   Senate bills  
8   announced as passed shall be read for the first time and referred to  
9   the appropriate committee as soon as practicable.

10          (b)   Messages from the senate announcing amendments to house  
11   bills and resolutions, nonconcurrence in house amendments to senate  
12   bills and resolutions, requests for conference committees, reports  
13   of conference committees, and all other matters of disagreement,  
14   amendments, and requests between the two houses, shall go to the  
15   speaker's desk in their regular order, but may be called up for  
16   action by the house at any time as a privileged matter, yielding  
17   only to a motion to adjourn.

18                           CHAPTER B.   SENATE AMENDMENTS

19          Sec. 3.   HOUSE ACTION ON SENATE AMENDMENTS.   When a bill,  
20   resolution, or other matter is returned to the house with senate  
21   amendments, the house may:

22                   (1)   agree to the amendments; or

23                   (2)   disagree to all of the amendments and ask for a  
24   conference committee; or

25                   (3)   agree to one or more of the amendments and disagree  
26   as to the remainder and request a conference committee to consider  
27   those in disagreement; or

1           (4) agree to one or more and disagree as to the  
2 remainder; or

3           (5) disagree to all amendments.

4           Sec. 4. ADOPTION OF SENATE AMENDMENTS FOR BILLS WITH  
5 IMMEDIATE EFFECT. If a bill is to go into immediate effect, senate  
6 amendments thereto must be adopted by a vote of two-thirds of the  
7 elected membership of the house.

8           Sec. 5. PRINTING SENATE AMENDMENTS. (a) Senate amendments  
9 to house bills and resolutions must be printed and copies provided  
10 to the members at least 24 hours before any action can be taken  
11 thereon by the house during a regular or special session.

12           (b) When a house bill or joint resolution, other than the  
13 general appropriations bill, with senate amendments is returned to  
14 the house, the chief clerk shall request the Legislative Budget  
15 Board to prepare a fiscal note outlining the fiscal implications  
16 and probable cost of the measure as impacted by the senate  
17 amendments. A copy of the fiscal note shall be distributed with the  
18 senate amendments on their printing before any action can be taken  
19 on the senate amendments by the house.

20           (c) When a house bill or joint resolution, other than the  
21 general appropriations bill, with senate amendments is returned to  
22 the house, the chief clerk shall request the Texas Legislative  
23 Council to prepare an analysis that describes the substantive  
24 changes made to the house version of the bill by the senate  
25 amendments. A copy of the council's analysis of senate amendments  
26 shall be provided to the members electronically or as a printed copy  
27 at least 12 hours before action is taken on the senate amendments by

1 the house. The Texas Legislative Council shall make all reasonable  
2 efforts to timely provide the analysis in as accurate a form as time  
3 allows. However, an unavoidable inability to provide the analysis  
4 or an inadvertent error in the analysis is not a sustainable  
5 question of order.

6 (d) When a house bill or joint resolution for which a tax  
7 equity note was required under Rule 4, Section 34(b)(5), is  
8 returned to the house with senate amendments, the chief clerk shall  
9 request the Legislative Budget Board to prepare a tax equity note  
10 estimating the general effects of the senate amendments on the  
11 distribution of tax and fee burdens among individuals and  
12 businesses. A copy of the updated tax equity note shall be made  
13 available to each member, in some format, before any vote on the  
14 floor can be taken on the senate amendments by the house.

15 Sec. 5A. RETURN OF NONGERMANE SENATE AMENDMENTS BY SPEAKER.  
16 When a house bill or joint resolution, other than the general  
17 appropriations bill, with senate amendments is returned to the  
18 house, the speaker, with the permission of the primary author of the  
19 bill or resolution, may return the bill or resolution to the senate  
20 if the speaker determines that the senate amendments are not  
21 germane to the house version of the bill or resolution. The speaker  
22 may act under this section without regard to whether the bill or  
23 resolution is eligible for consideration by the house. If the  
24 speaker returns a bill or resolution to the senate under this  
25 section, the speaker shall attach to the bill or resolution a  
26 statement of the speaker's action that includes an explanation of  
27 the speaker's determination, and shall enter the statement in the

1 journal as soon as practicable.

2 CHAPTER C. CONFERENCE COMMITTEES

3 Sec. 6. MEMBERSHIP AND OPERATION. (a) In all conferences  
4 between the senate and the house by committee, the number of  
5 committee members from each house shall be five. All votes on  
6 matters of difference shall be taken by each committee separately.  
7 A majority of each committee shall be required to determine the  
8 matter in dispute. Reports by conference committees must be signed  
9 by a majority of each committee of the conference.

10 (b) A copy of the report signed by a majority of each  
11 committee of the conference must be furnished to each member of the  
12 committee in person or if unable to deliver in person by placing a  
13 copy in the member's newspaper mailbox at least one hour before the  
14 report is furnished to each member of the house under Section 10(a)  
15 of this rule. The paper copies of the report submitted to the chief  
16 clerk under Section 10(b) of this rule must contain a certificate  
17 that the requirement of this subsection has been satisfied, and  
18 that certificate must be attached to the printed copy of the report  
19 furnished to each member under Section 10(d) of this rule. Failure  
20 to comply with this subsection is not a sustainable point of order  
21 under this rule.

22 Sec. 7. MEETINGS. House conferees when meeting with senate  
23 conferees to adjust differences shall meet in public and shall give  
24 a reasonable amount of notice of the meeting in the place designated  
25 for giving notice of meetings of house standing committees. Any  
26 such meeting shall be open to the news media. Any conference  
27 committee report adopted in private shall not be considered by the

1 house.

2           Sec. 8. INSTRUCTIONS.       Instructions to a conference  
3 committee shall be made after the conference is ordered and before  
4 the conferees are appointed by the speaker, and not thereafter.

5           Sec. 9. LIMITATIONS ON JURISDICTION.   (a) Conference  
6 committees shall limit their discussions and their actions solely  
7 to the matters in disagreement between the two houses. A conference  
8 committee shall have no authority with respect to any bill or  
9 resolution:

10                   (1) to change, alter, or amend text which is not in  
11 disagreement;

12                   (2) to omit text which is not in disagreement;

13                   (3) to add text on any matter which is not in  
14 disagreement;

15                   (4) to add text on any matter which is not included in  
16 either the house or senate version of the bill or resolution.

17           This rule shall be strictly construed by the presiding  
18 officer in each house to achieve these purposes.

19           (b) Conference committees on appropriations bills, like  
20 other conference committees, shall limit their discussions and  
21 their actions solely to the matters in disagreement between the two  
22 houses. In addition to the limitations contained elsewhere in the  
23 rules, a conference committee on appropriations bills shall be  
24 strictly limited in its authority as follows:

25                   (1) If an item of appropriation appears in both house  
26 and senate versions of the bill, the item must be included in the  
27 conference committee report.

1           (2) If an item of appropriation appears in both house  
2 and senate versions of the bill, and in identical amounts, no change  
3 can be made in the item or the amount.

4           (3) If an item of appropriation appears in both house  
5 and senate versions of the bill but in different amounts, no change  
6 can be made in the item, but the amount shall be at the discretion of  
7 the conference committee, provided that the amount shall not exceed  
8 the larger version and shall not be less than the smaller version.

9           (4) If an item of appropriation appears in one version  
10 of the bill and not in the other, the item can be included or omitted  
11 at the discretion of the conference committee. If the item is  
12 included, the amount shall not exceed the sum specified in the  
13 version containing the item.

14           (5) If an item of appropriation appears in neither the  
15 house nor the senate version of the bill, the item must not be  
16 included in the conference committee report. However, the  
17 conference committee report may include appropriations for  
18 purposes or programs authorized by bills that have been passed and  
19 sent to the governor and may include contingent appropriations for  
20 purposes or programs authorized by bills that have been passed by at  
21 least one house.

22           This rule shall be strictly construed by the presiding  
23 officer in each house to achieve these purposes.

24           (c) Conference committees on tax bills, like other  
25 conference committees, shall limit their discussions and their  
26 actions solely to the matters in disagreement between the two  
27 houses. In addition to the limitations contained elsewhere in the

1 rules, a conference committee on a tax bill shall be strictly  
2 limited in its authority as follows:

3 (1) If a tax item appears in both house and senate  
4 versions of the bill, the item must be included in the conference  
5 committee report.

6 (2) If a tax item appears in both house and senate  
7 versions of the bill, and in identical form and with identical  
8 rates, no change can be made in the item or the rate provided.

9 (3) If a tax item appears in both house and senate  
10 versions of the bill but at differing rates, no change can be made  
11 in the item, but the rate shall be at the discretion of the  
12 conference committee, provided that the rate shall not exceed the  
13 higher version and shall not be less than the lower version.

14 (4) If a tax item appears in one version of the bill  
15 and not in the other, the item can be included or omitted at the  
16 discretion of the conference committee. If the item is included,  
17 the rate shall not exceed the rate specified in the version  
18 containing the item.

19 (5) If a tax item appears in neither the house nor the  
20 senate version of the bill, the item must not be included in the  
21 conference committee report.

22 This rule shall be strictly construed by the presiding  
23 officer in each house to achieve these purposes.

24 (d) Conference committees on reapportionment bills, to the  
25 extent possible, shall limit their discussions and their actions to  
26 the matters in disagreement between the two houses. Since the  
27 adjustment of one district in a reapportionment bill will

1 inevitably affect other districts, the strict rule of construction  
2 imposed on other conference committees must be relaxed somewhat  
3 when reapportionment bills are involved. Accordingly, the  
4 following authority and limitations shall apply only to conference  
5 committees on reapportionment bills:

6           (1) If the matters in disagreement affect only certain  
7 districts, and other districts are identical in both house and  
8 senate versions of the bill, the conference committee shall make  
9 adjustments only in those districts whose rearrangement is  
10 essential to the effective resolving of the matters in  
11 disagreement. All other districts shall remain unchanged.

12           (2) If the matters in disagreement permeate the entire  
13 bill and affect most, if not all, of the districts, the conference  
14 committee shall have wide discretion in rearranging the districts  
15 to the extent necessary to resolve all differences between the two  
16 houses.

17           (3) Insofar as the actual structure of the districts  
18 is concerned, and only to that extent, the provisions of Subsection  
19 (a) of this section shall not apply to conference committees on  
20 reapportionment bills.

21           (e) Conference committees on recodification bills, like  
22 other conference committees, shall limit their discussions and  
23 their actions solely to the matters in disagreement between the two  
24 houses. The comprehensive and complicated nature of recodification  
25 bills makes necessary the relaxing of the strict rule of  
26 construction imposed on other conference committees only to the  
27 following extent:

1           (1) If it develops in conference committee that  
2 material has been inadvertently included in both house and senate  
3 versions which properly has no place in the recodification, that  
4 material may be omitted from the conference committee report, if by  
5 that omission the existing statute is not repealed, altered, or  
6 amended.

7           (2) If it develops in conference committee that  
8 material has been inadvertently omitted from both the house and  
9 senate versions which properly should be included if the  
10 recodification is to achieve its purpose of being all-inclusive of  
11 the statutes being recodified, that material may be added to the  
12 conference committee report, if by the addition the existing  
13 statute is merely restated without substantive change in existing  
14 law.

15           (f) Limitations imposed on certain conference committees by  
16 the provisions of this section may be suspended in part by  
17 permission of the house to allow consideration of and action on a  
18 specific matter or matters which otherwise would be prohibited.  
19 Permission shall be granted only by resolution passed by majority  
20 vote of the house. All such resolutions shall be privileged in  
21 nature and need not be referred to a committee. The introduction of  
22 such a resolution shall be announced from the house floor and the  
23 resolution shall be eligible for consideration by the house three  
24 hours after a copy of the resolution has been distributed to each  
25 member. The time at which the copies of such a resolution are  
26 distributed to the members shall be time-stamped on the originals  
27 of the resolution. The resolution shall specify in detail:

1           (1) the exact language of the matter or matters  
2 proposed to be considered;

3           (2) the specific limitation or limitations to be  
4 suspended;

5           (3) the specific action contemplated by the conference  
6 committee;

7           (4) except for a resolution suspending the limitations  
8 on the conferees for the general appropriations bill, the reasons  
9 that suspension of the limitations is being requested; and

10           (5) a fiscal note distributed with the resolution  
11 outlining the fiscal implications and probable cost of the items to  
12 be included in the conference committee report that would otherwise  
13 be prohibited but for the passage of the resolution.

14           In the application of this subsection to appropriations  
15 bills, the resolution need not include changes in amounts resulting  
16 from a proposed salary plan or changes in format that do not affect  
17 the amount of an appropriation or the method of finance of an  
18 appropriation, but shall include a general statement describing the  
19 salary plan or format change. The resolution need not include  
20 differences in language which do not affect the substance of the  
21 bill.

22           Permission thus granted shall suspend the limitations only  
23 for the matter or matters clearly specified in the resolution, and  
24 the action of the conference committee shall be in conformity with  
25 the resolution.

26           Sec. 10. PRINTING AND DISTRIBUTION OF REPORTS. (a) All  
27 conference committee reports must be printed and a copy furnished

1 to each member at least 24 hours before action can be taken on the  
2 report by the house during a regular or special session.

3 (b) Three original copies of a conference committee report  
4 shall be submitted to the chief clerk for printing. Each original  
5 conference committee report shall contain the following:

6 (1) the signatures of the house conferees and senate  
7 conferees who voted to adopt the conference committee report;

8 (2) the text of the bill or resolution as adopted by  
9 the conference committee; and

10 (3) an analysis of the conference committee report as  
11 required by Section 11 of this rule.

12 (c) Before action can be taken by the house on a conference  
13 committee report on a bill or joint resolution, other than the  
14 general appropriations bill, a fiscal note outlining the fiscal  
15 implications and probable cost of the conference committee report  
16 shall be submitted to the chief clerk, and a copy of the fiscal note  
17 shall be distributed with the conference committee report on its  
18 printing.

19 (d) Before a vote on the floor can be taken by the house on a  
20 conference committee report on a bill or joint resolution for which  
21 a tax equity note was required under Rule 4, Section 34(b)(5), a tax  
22 equity note estimating the general effects of the conference  
23 committee report on the distribution of tax and fee burdens among  
24 individuals and businesses shall be submitted to the chief clerk,  
25 and a copy of the tax equity note shall be made available to each  
26 member.

27 Sec. 11. ANALYSIS OF REPORTS. (a) All reports of

1 conference committees shall include an analysis showing wherein the  
2 report differs from the house and senate versions of the bill,  
3 resolution, or other matter in disagreement. The analysis of  
4 appropriations bills shall show in dollar amounts the differences  
5 between the conference committee report and the house and senate  
6 versions. No conference committee report shall be considered by  
7 the house unless such an analysis has been prepared and  
8 distributed to each member.

9 (b) The analysis shall to the extent practical indicate any  
10 instance wherein the conference committee in its report appears to  
11 have exceeded the limitations imposed on its jurisdiction by  
12 Section 9 of this rule. An analysis and the conference committee  
13 report in which the analysis is included are not subject to a point  
14 of order due to a failure to comply with this subsection or due to a  
15 mistake made in complying with this subsection.

16 Sec. 12. CONSIDERATION OF REPORTS. A conference committee  
17 report is not subject to amendment, but must be accepted or rejected  
18 in its entirety. While a conference committee report is pending, a  
19 motion to deal with individual amendments in disagreement is not in  
20 order.

21 Sec. 13. WHEN REPORTS NOT ACCEPTABLE. When a conference  
22 committee report is not acceptable to the house for any reason, it  
23 may be recommitted to the same committee with the request for  
24 further consideration, and the house may or may not give any  
25 specific instructions on the report to the conference committee; or  
26 the house may request the appointment by the senate of a new  
27 conference committee and then proceed to empower the speaker to

## 1                   RULE 14. GENERAL PROVISIONS

2           Sec. 1. WHEN RULES ARE SILENT. If the rules are silent or  
3 inexplicit on any question of order or parliamentary practice, the  
4 Rules of the House of Representatives of the United States  
5 Congress, and its practice as reflected in published precedents,  
6 and Mason's Manual of Legislative Procedure shall be considered as  
7 authority.

8           Sec. 2. AMENDMENTS TO THE RULES. (a) Amendments to the  
9 rules of the house shall be proposed by house resolutions which  
10 shall be referred at once, without debate, to the Committee on Rules  
11 and Resolutions for study and recommendation.

12           (b) A resolution proposing an amendment to the rules shall  
13 not be considered by the house until a printed copy of the  
14 resolution has been provided to each member of the house at least 48  
15 hours before consideration.

16           (c) Amendments to the rules shall require a majority vote of  
17 the house for adoption.

18           Sec. 3. MOTION TO SUSPEND THE RULES. A motion to suspend  
19 the rules shall be in order at any time, except when motions to  
20 adjourn or recess are pending, even when the house is operating  
21 under the previous question. A motion to "suspend all rules" shall  
22 be sufficient to suspend every rule under which the house is  
23 operating for a particular purpose except the provisions of the  
24 constitution[~~, the statutes,~~] and the joint rules of the two  
25 houses. If the rules have been suspended on a main motion for a  
26 given purpose, no other motion to suspend the rules on a main motion  
27 shall be in order until the original purpose has been accomplished.

1           Sec. 4. NOTICE OF PENDING MOTION TO SUSPEND THE RULES. It  
2 shall not be in order to move to suspend the rules or the regular  
3 order of business to take up a measure out of its regular order, and  
4 the speaker shall not recognize anyone for either purpose, unless  
5 the speaker has announced to the house in session that the speaker  
6 would recognize a member for that purpose at least one hour before  
7 the member is so recognized to make the motion. In making the  
8 announcement to the house, the speaker shall advise the house of the  
9 member's name and the bill number, and this information, together  
10 with the time that the announcement was made, shall be entered in  
11 the journal. This rule may be suspended only by unanimous consent.

12           Sec. 5. VOTE REQUIREMENTS FOR SUSPENSION. A standing rule  
13 of the house may be suspended by an affirmative vote of two-thirds  
14 of the members present. However, if a rule contains a specific  
15 provision showing the vote by which that rule may be suspended, that  
16 vote shall be required for the suspension of the rule. The specific  
17 provision may not be suspended under the provisions of this  
18 section.

19           Sec. 6. DISPOSAL OF MEASURES TAKEN UP UNDER SUSPENSION. Any  
20 measure taken up under suspension and not disposed of on the same  
21 day shall go over as pending or unfinished business to the next day  
22 that the house is in session, and shall be considered thereafter  
23 from day to day (except the days used for the consideration of  
24 senate bills) until disposed of.

H.R. No. 2

1           Sec. 7. COMMITTEE GIFTS. A member of the house may not  
2 offer, confer, or agree to confer to a committee member one or more  
3 gifts with a total value of more than \$75 per year.
