7 SUBCHAPTER B. COVERAGE FOR ROUTINE PATIENT CARE COSTS

8 Sec. 1379.051. ROUTINE PATIENT CARE COSTS. For purposes of
9 this chapter, routine patient care costs means the costs of any
10 medically necessary health care service for which benefits are
11 provided under a health benefit plan, without regard to whether the
12 enrollee is participating in a clinical trial. Routine patient
13 care costs do not include:

14 (1) the cost of an investigational new drug or device
15 that is not approved for any indication by the United States Food
16 and Drug Administration, including a drug or device that is the
17 subject of the clinical trial;

18 (2) the cost of a service that is not a health care
19 service, regardless of whether the service is required in
20 connection with participation in a clinical trial;

21 (3) the cost of a service that is clearly inconsistent
22 with widely accepted and established standards of care for a
23 particular diagnosis;

24 (4) a cost associated with managing a clinical trial;
25 or

26 (5) the cost of a health care service that is
27 specifically excluded from coverage under a health benefit plan.

1 Sec. 1379.052. COVERAGE REQUIRED. A health benefit plan
2 issuer shall provide benefits for routine patient care costs to an
3 enrollee in connection with a phase I, phase II, phase III, or phase
4 IV clinical trial if the clinical trial is conducted in relation to
5 the prevention, detection, or treatment of a life-threatening
6 disease or condition and is approved by:

7 (1) the Centers for Disease Control and Prevention of
8 the United States Department of Health and Human Services;

9 (2) the National Institutes of Health;

10 (3) the United States Food and Drug Administration;

11 (4) the United States Department of Defense;

12 (5) the United States Department of Veterans Affairs;

13 or

14 (6) an institutional review board of an institution in
15 this state that has an agreement with the Office for Human Research
16 Protections of the United States Department of Health and Human
17 Services.

18 Sec. 1379.053. RESEARCH INSTITUTION. (a) A health benefit
19 plan issuer is not required to reimburse the research institution
20 conducting the clinical trial for the cost of routine patient care
21 provided through the research institution unless the research
22 institution, and each health care professional providing routine
23 patient care through the research institution, agrees to accept
24 reimbursement under the health benefit plan, at the rates that are
25 established under the plan, as payment in full for the routine
26 patient care provided in connection with the clinical trial.

27 (b) A health benefit plan issuer is not required to provide

1 benefits under this section for services that are a part of the
2 subject matter of the clinical trial and that are customarily paid
3 for by the research institution conducting the clinical trial.

4 Sec. 1379.054. LIMITATIONS ON COVERAGE.

5 (a) Notwithstanding Section 1379.053, this chapter does not
6 require a health benefit plan issuer to provide benefits for
7 routine patient care services provided outside of the plan's health
8 care provider network unless out-of-network benefits are otherwise
9 provided under the plan.

10 (b) This chapter does not require a health benefit plan
11 issuer to provide benefits for health care services provided
12 outside this state unless the health benefit plan otherwise
13 provides benefits for health care services provided outside this
14 state.

15 Sec. 1379.055. DEDUCTIBLE, COINSURANCE, AND COPAYMENT
16 REQUIREMENTS. The benefits required under this chapter may be made
17 subject to a deductible, coinsurance, or copayment requirement
18 comparable to other deductible, coinsurance, or copayment
19 requirements applicable under the health benefit plan.

20 Sec. 1379.056. CANCELLATION OR NONRENEWAL PROHIBITED. The
21 issuer of a health benefit plan may not cancel or refuse to renew
22 coverage under a plan solely because an enrollee in the plan
23 participates in a clinical trial described by Section 1379.052.

24 SECTION 2. Section 1506.151, Insurance Code, is amended by
25 adding Subsection (d) to read as follows:

26 (d) Coverage provided by the pool is subject to Chapter
27 1379.

1 SECTION 3. This Act applies only to a health benefit plan
2 that is delivered, issued for delivery, or renewed on or after
3 January 1, 2010. A health benefit plan that is delivered, issued
4 for delivery, or renewed before January 1, 2010, is governed by the
5 law as it existed immediately before the effective date of this Act,
6 and that law is continued in effect for that purpose.

7 SECTION 4. This Act takes effect September 1, 2009.
