BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

SECTION 1. Section 192.008, Health and Safety Code, is amended by adding Subsections (g), (h), (i), and (j) to read as follows:

(g) Subject to Subsections (i) and (j), the state registrar shall on request provide to a person who was adopted on or after January 1, 2010, or, if the adopted person is deceased, an adult descendant, adult sibling, or surviving spouse of the adopted person a noncertified copy of the person's original birth certificate if:

(1) the request is made on or after the 18th anniversary of the adopted person's birth;

(2) a supplementary birth certificate was issued for the adopted person; and

(3) the person requesting the certificate furnishes appropriate proof of the person's identity.

(h) Subject to Subsections (i) and (j), the state registrar may, if resources allow, on request provide to a person who was adopted before January 1, 2010, or, if the adopted person is deceased, an adult descendant, adult sibling, or surviving spouse of the adopted person a noncertified copy of the person's original birth certificate only if an adopted person's birth parent has

1 filed a contact preference form with the state registrar
2 authorizing the release of a noncertified copy of the person's
3 original birth certificate.

4 (i) If a birth parent files with the state registrar a
5 contact preference form indicating the birth parent's preference
6 that a noncertified copy of the adopted person's original birth
7 certificate not be released, the state registrar may not release,
8 without a court order, a noncertified copy of the adopted person's
9 original birth certificate regardless of the other birth parent's
10 preference.

11 (j) If a birth parent files with the state registrar a
12 contact preference form indicating the birth parent's preference
13 that a noncertified copy of the adopted person's original birth
14 certificate not be released until after the death of the birth
15 parent, the state registrar may not release, without a court order,
16 a noncertified copy of the adopted person's original birth
17 certificate before that birth parent dies regardless of the other
18 birth parent's preference.

19 SECTION 2. Subchapter A, Chapter 192, Health and Safety
20 Code, is amended by adding Sections 192.0085 and 192.0086 to read as
21 follows:

22 Sec. 192.0085. CONTACT PREFERENCE FORM AND UPDATED MEDICAL
23 HISTORY FORM. (a) The state registrar shall develop a contact
24 preference form on which a birth parent shall state the birth
25 parent's preference regarding contact by an adopted person who is
26 the birth child of the birth parent. The contact preference form
27 shall provide the birth parent with the following options:

1 (1) authorize direct contact by the adopted person and
2 the release of a noncertified copy of the adopted person's original
3 birth certificate;

4 (2) authorize contact by the adopted person only
5 through an intermediary selected by the birth parent but not
6 authorize the release of a noncertified copy of the adopted
7 person's original birth certificate;

8 (3) not authorize contact by the adopted person but
9 authorize the release of a noncertified copy of the adopted
10 person's original birth certificate; or

11 (4) not authorize contact by the adopted person and
12 request that a noncertified copy of the adopted person's original
13 birth certificate not be released until after the death of the birth
14 parent.

15 (b) The state registrar shall develop an updated medical

23 (e) A birth parent may file an updated contact preference
24 form and an updated medical history form with the state registrar.
25 The birth parent may return the updated contact preference form and
26 updated medical history form together to the state registrar.

27 (f) The state registrar shall deliver the birth parent's

1 contact preference form and updated medical history form to an
2 adopted person who receives a noncertified copy of the adopted
3 person's original birth certificate under Section 192.008.

4 (g) The state registrar shall keep statistics on:

5 (1) the number of:

6 (A) updated medical histories filed with the
7 state registrar; and

8 (B) contact preference forms and updated medical
9 history forms delivered by the state registrar under Subsection
10 (f); and

11 (2) which adoption agency or attorney mediated each
12 adoption for which a contact preference form is filed.

13 (h) The state registrar may charge an adopted person a
14 reasonable fee for services provided under this section.

15 Sec. 192.0086. CONTACT USING INTERMEDIARY. (a) If a birth
16 parent's contact preference form authorizes contact using an
17 intermediary, the state registrar shall make the contact
18 information for the intermediary selected by the birth parent
19 available to the adopted person on request.

20 (b) If the birth parent has not provided the intermediary's
21 contact information at the time the adopted person requests the
22 information, the state registrar shall notify the birth parent by
23 certified mail, return receipt requested, that the birth parent
24 must provide the intermediary's contact information not later than
25 the 90th day after the date the birth parent receives the notice.

26 (c) If the birth parent fails to provide the intermediary's
27 contact information within the time required by Subsection (b), the

state registrar shall release a noncertified copy of the adopted person's original birth certificate.

(d) If the state registrar is unable to notify the birth parent by certified mail, return receipt requested, because the birth parent fails to keep the birth parent's personal contact information current with the state registrar, the state registrar shall release a noncertified copy of the adopted person's original birth certificate on the 91st day after the date the notice was sent by certified mail.

SECTION 3. Subchapter A, Chapter 162, Family Code, is amended by adding Section 162.0061 to read as follows:

11 (d) A court having jurisdiction of a suit affecting the
12 parent-child relationship may by order waive the contact preference

16 SECTION 4. (a) The state registrar shall keep statistics on
