SECTION 1. Subchapter A, Chapter 43, Election Code, is amended by adding Section 43.007 to read as follows:

Sec. 43.007. COUNTYWIDE POLLING PLACE PROGRAM. (a) The secretary of state shall implement a program to allow each commissioners court participating in the program to eliminate county election precincts and establish countywide polling places for:

The commissioners court shall submit a transcript or electronic recording of the public comments made at the hearing to the secretary of state. A county that has previously participated in a

21 (f) In selecting countywide polling places, a county must
22 adopt a methodology for determining where each polling place will
23 be located. The total number of countywide polling places may not
24 be less than 50 percent of the number of precinct polling places
25 that would otherwise be located in the county.

26 (g) A county participating in the program must establish a
27 plan to provide notice informing voters of the changes made to the

1 locations of polling places under the program. The plan must
2 require that notice of the location of the nearest countywide
3 polling place be posted on election day at each polling place used
4 in the previous general election for state and county officers that
5 is not used as a countywide polling place.

6 (h) In creating the plan under Subsection (g), the county
7 shall solicit input from organizations located within the county
8 who represent minority voters.

9 (i) The secretary of state may select a county to
10 participate in the program that has previously participated in a
11 similar program.

12 (j) Not later than January 1, 2011, the secretary of state
13 shall file a report with the legislature. The report may include
14 the secretary of state's recommendations on the future use of
