24 (b) The status of an applicant for a certificate of
25 registration or of a certificate of registration holder is

3 Sec. 254.102. EMERGENCY SUSPENSION OR CLOSING ORDER.

4 (a) The department shall suspend a boarding house's certificate of
5 registration or order an immediate closing of part of the boarding
6 house if:

11 health and safety of a resident.

12 (b) The executive commissioner by rule shall provide for the
13 placement of residents during the boarding house's suspension or

19 order.

20 (d) An order suspending a certificate of registration or
21 ordering an immediate closing of a part of a boarding house is valid
22 for 10 days after the effective date of the order.

23 Sec. 254.103. INJUNCTION. (a) The department may petition
24 a district court for a temporary restraining order to restrain a
25 person from continuing a violation of the standards prescribed by
26 this chapter if the department finds that the violation creates an
27 immediate threat to the health and safety of the boarding house's

1 residents.

2 (b) A district court, on petition of the department, may by
3 injunction:

4 (1) prohibit a person from continuing a violation of

8 management, or operation of a boarding house without a certificate
9 of registration issued under this chapter; or

10 (3) grant the injunctive relief warranted by the facts
11 on a finding by the court that a person is violating the standards
12 or registration requirements prescribed by this chapter.

13 (c) The attorney general, on request by the department,
14 shall bring and conduct on behalf of the state a suit authorized by
15 this section.

16 (d) A suit for a temporary restraining order or other
17 injunctive relief must be brought in the county in which the alleged
18 violation occurs or in Travis County.

19 Sec. 254.104. CRIMINAL PENALTY. (a) In this section,
20 "immediate threat to the health or safety" means a situation in
21 which there is a high probability that serious harm or injury to a
22 resident could occur at any time or already has occurred and may
23 occur again if the resident is not protected from the harm or if the
24 threat is not removed.

25 (b) A person who knowingly operates a boarding house that is
26 required to be registered under this chapter in a manner that
27 creates an immediate threat to the health or safety of a resident of

1 the boarding house commits an offense.

2 (c) An offense under this section is a Class B misdemeanor.

3 Sec. 254.105. CIVIL PENALTY. (a) A person who violates
4 this chapter or a rule adopted or order issued under this chapter is
5 liable for a civil penalty of not less than \$200 for each violation
6 if the department determines the violation threatens the health or
7 safety of a resident.

8 (b) Each day of a violation constitutes a separate ground
9 for recovery.

10 (c) On request of the department, the attorney general may
11 institute an action in a district court to collect a civil penalty
12 under this section. Any amount collected shall be remitted to the
13 comptroller for deposit in the general revenue fund.

14 Sec. 254.106. ADMINISTRATIVE PENALTY. (a) The department
15 may impose an administrative penalty against a boarding house that
16 violates this chapter or a rule adopted or order issued under this
17 chapter.

18 (b) The penalty for a boarding house may not be less than
19 \$200 for each violation. Each day a violation occurs is a separate
20 violation for purposes of imposing a penalty.

21 (c) The executive commissioner by rule shall specify each
22 violation for which an administrative penalty may be assessed. In
23 determining which violations warrant penalties, the department
24 shall consider:

25 (1) the seriousness of the violation, including the
26 nature, circumstances, extent, and gravity of the violation and the
27 hazard of the violation to the health or safety of residents; and

1 (2) whether the affected boarding house had identified
2 the violation as a part of its internal quality assurance process
3 and had made appropriate progress on correction.

4 (d) The executive commissioner by rule shall establish a
5 specific and detailed schedule of appropriate and graduated
6 penalties for each violation based on:

7 (1) the seriousness of the violation, including the
8 nature, circumstances, extent, and gravity of the violation and the
9 hazard of the violation to the health or safety of residents;

10 (2) the history of previous violations;

11 (3) whether the affected boarding house had identified
12 the violation as a part of its internal quality assurance process
13 and had made appropriate progress on correction;

14 (4) the amount necessary to deter future violations;

15 (5) efforts made to correct the violation;

16 (6) the size of the boarding house; and

17 (7) any other matters that justice may require.

18 (e) The executive commissioner by rule shall provide the
19 boarding house with a reasonable period of time, not less than 45
20 days, following the first day of a violation to correct the
21 violation before assessing an administrative penalty if a plan of
22 correction has been implemented. This subsection does not apply to
23 a violation that the department determines has resulted in serious
24 harm to or the death of a resident or constitutes a serious threat
25 to the health or safety of a resident.

26 (f) The department may not assess an administrative penalty
27 for a minor violation if the person corrects the violation not later

1 than the 46th day after the date the person receives notice of the
2 violation.

3 (g) The department shall establish a system to ensure
4 standard and consistent application of penalties regardless of the
5 boarding house location.

6 (h) All proceedings for the assessment of an administrative
7 penalty under this chapter are subject to Chapter 2001, Government
8 Code.

9 (i) Notwithstanding any other provision of this section, an
10 administrative penalty ceases to be incurred on the date a
11 violation is corrected. The administrative penalty ceases to be
12 incurred only if the boarding house:

13 (1) notifies the department in writing of the
14 correction of the violation and of the date the violation was
15 corrected; and

16 (2) shows later that the violation was corrected.

17 (j) Rules adopted under this section shall include
18 specific, appropriate, and objective criteria that describe the
19 scope and severity of a violation that results in a recommendation
20 for each specific penalty.

21 (k) The imposition and collection of an administrative
22 penalty imposed under this section shall be conducted in the manner
23 provided by Sections 252.0651, 252.066, 252.067, 252.068, and
24 252.070.
